## **RENSSELAER COUNTY LEGISLATURE**

### ***HISTORY AND ROLE IN COUNTY GOVERNMENT***

The Rensselaer County Legislature is composed of 19 members who represent the more than 150,000 county residents. Legislators are elected at a general election in odd numbered years for a four-year term, and represent six legislative districts. The Legislature is the policy-making body of Rensselaer County.

Established in 1970, the Legislature replaced the Board of Supervisors as the legislative unit of the county, following the reorganization of the city wards and towns into five legislative districts. The results of the 2000 census determined the need for a sixth district. In 1972, Rensselaer County voters approved, by referendum, a proposed county charter that restructured county government based on the separation of executive and legislative functions and redefined the powers and duties of the Legislature.

As outlined in the Charter, the powers and duties of the Legislature include primary responsibility for the finances of the county. The Legislature adopts the annual county budget, levies taxes, and makes fiscal appropriations. The Legislature is also empowered to establish and oversee county services and programs through the enactment of local laws and resolutions and the appointment of county officials.

The Legislature conducts monthly meetings at 6:00 P.M., on the second Tuesday of every month (Wednesday if Tuesday is a Holiday) and public forums on the Wednesday preceding the monthly meeting (Tuesday if Wednesday is a Holiday). It may also convene in special session at the request of the Chairman.

Meetings are held in the Legislative Chambers, third floor of the Rensselaer County Government Center, 1600 Seventh Avenue, Troy, New York.
