Resolution No. G/1/26

RESOLUTION AUTHORIZING AN AGREEMENT WITH MISSION CRITICAL PARTNERS FOR CAD/911 SYSTEM MONITORING, TECHNICAL SUPPORT SERVICES, AND 911 CALL HANDLING EQUIPMENT MIGRATION ASSISTANCE – BUREAU OF PUBLIC SAFETY

WHEREAS, This Resolution is filed with the Rensselaer County Legislature by the Rensselaer County Executive; and

WHEREAS, The Rensselaer County Bureau of Public Safety ("Bureau") operates mission-critical emergency communications systems, including the County's Computer Aided Dispatch ("CAD") system, emergency telephone network infrastructure, and 911 call handling systems, which are essential to the protection of life, property and public safety; and

WHEREAS, The Bureau has maintained an ongoing contractual relationship with Mission Critical Partners, LLC for the monitoring, support and maintenance of the County's CAD and 911 systems and associated network infrastructure; and

WHEREAS, Mission Critical Partners, LLC has demonstrated extensive expertise in public safety communications systems, emergency communications network infrastructure and Next Generation 911 technologies, along with providing valuable monitoring, technical support, troubleshooting and advocacy services to Rensselaer County; and

WHEREAS, The Bureau seeks Legislative authorization to renew its annual agreement with Mission Critical Partners, LLC for continued Mission-Critical NetPulse advanced monitoring, support and technical services for the County's CAD and 911 network infrastructure for the period commencing July 1, 2026 through June 30, 2027; and

WHEREAS, The services provided under the annual monitoring agreement include, but are not limited to, proactive system and network monitoring, twenty-four hour per day and seven day per week critical incident support, help desk services, system performance monitoring, operating system and application support, monthly reporting, technical recommendations, network administration assistance and coordination with multiple public safety technology vendors to ensure the continued operation and reliability of the County's emergency communications infrastructure; and

WHEREAS, Rensselaer County is currently undertaking the implementation and migration of a new 911 Call Handling Equipment ("CHE") system utilizing Motorola Solutions Vesta technology, which represents a critical upgrade to Rensselaer County's emergency communications capabilities; and

WHEREAS, The Bureau has determined that the technical expertise and independent oversight provided by Mission Critical Partners, LLC during the planning, installation, testing, migration and implementation phases of the new 911 call handling system will significantly enhance the reliability, resiliency and successful deployment of this mission-critical public safety system; and

WHEREAS, The proposed technical assistance services include project coordination support, review and validation of roles and responsibilities matrices, network architecture and design consultation, review of telecommunications and networking infrastructure, installation oversight, quality assurance reviews, acceptance testing, support, failover testing assistance and on-site support during final system implementation and cutover activities; and

WHEREAS, Mission Critical Partners shall provide these services pursuant to GSA Multiple Award Schedule Contract Number GS-35F-0410X; and

WHEREAS, Due to the critical nature of the emergency communications system, the Bureau has determined that the specialized technical assistance and oversight services provided by Mission Critical Partners, LLC represent a prudent and necessary investment to protect the County's emergency communications infrastructure and ensure the successful implementation of the new 911 telephone system; and

WHEREAS, Funding for the annual CAD and 911 monitoring and support services has been appropriated within the 2026 Rensselaer County Adopted Budget via appropriation code A.3020.04420.CAD - CAD Maintenance; and

WHEREAS, Funding for the additional technical assistance and support services associated with the 911 Call Handling Equipment migration project shall be paid from available appropriations within the CAD Maintenance account and included within future fiscal year budget requests as necessary; and

WHEREAS, The start and end dates of such agreement, the source of funding of the same, the total amount to be expended over the life of the same, which shall not exceed budgetary appropriations, and the name and address of the contracting party are as follows:

<u>DESCRIPTION</u>	<u>VENDOR</u>	<u>APPROPRIATION CODE</u>	<u>AMOUNT</u>
Mission Critical NetPulse Advanced CAD / 911 Monitoring (July 1, 2026 - June 30, 2027	Mission Critical Partners, LLC 690 Gray's Woods Blvd. Port Matilda, PA 16870	A.3020.04420.CAD	\$27,045.00

Re: Mission-Critical NetPulse® Advanced CAD

Dear Mr. Mainello:

Mission Critical Partners® (MCP) is pleased to provide the Rensselaer County, New York (County) Bureau of Public Safety with a letter proposal for the continuation of monitoring, technical support services, on-site computer-aided dispatch (CAD), and 911 call handling network support for the period ending June 30, 2027. This 12-month agreement will renew effective July 1, 2026.

This comprehensive umbrella NetPulse Advanced monitoring program includes:

- **Proactive System and CAD Network Monitoring:** Dynamic monitoring to detect and resolve issues before they cause failures, including the detection of performance issues
- **Help Desk:** 24 hours a day, seven days a week (24/7) for critical matters
- **Special Services:** Special projects and support requirements are possible and will be reviewed and quoted with the County's input. Pricing and a detailed scope of work will be provided to Rensselaer County where appropriate on a case-by-case basis—for example, for installation of new network appliances or servers.

Several factors make MCP well-qualified to ensure the success of Rensselaer County and with their CAD system and on-site support services, such as:

- **Dedication to Public Safety:** We specialize in support services for high-availability, high-performance and high-reliability mission-critical systems, such as 911 systems.
- **Holistic Monitoring:** Ability to monitor your entire CAD network holistically, including your CAD/RMS routers, servers, and other infrastructure.
- **Track Record:** Our clients will attest that our services are invaluable and that we are extremely reliable and responsive to their needs.

Your service program manager for this effort will be Pat Cronin. His contact information is as follows:

Pat Cronin, Director of Technical Services
Mission Critical Partners

Phil Sisk will serve as the point of contact for this proposal response. If you have any questions or require additional information, Phil may be contacted at 401.443.6025 (cell) or via email at PhillipSisk@MissionCriticalPartners.com.

I am the authorized representative signing and submitting this proposal. On behalf of our entire team, we stand behind Rensselaer County to serve as your partner and advocate.

Sincerely,

Mission Critical Partners

Scope of Work

Phase 1: Mission-Critical NetPulse Advanced CAD and 911

The NetPulse Advanced computer-aided dispatch (CAD) program includes a comprehensive set of services:

- Maintain user guide—including contact information and help desk instructions
- Provide a help desk to answer questions, provide advice, and solve problems
- Dynamically collect status information
- Set thresholds for alerts
- Monitor the status of systems and networks (see below for details)
- Respond to tickets when something needs attention
- Assist with the CAD and 911 operating system and application updates
- Analyze and report on conditions—provide monthly reports on routine matters and immediate reports on critical conditions and provide a dashboard view of activity, tickets, resolution, etc.
- Provide recommendations to keep systems and networks functioning properly
- Serve as an advocate for the agency when dealing with multiple support providers

Task 1.1: Systems and Network Monitoring

NetPulse Advanced CAD monitoring utilizes a computer or virtual appliance and Remote Monitoring and Management tools to collect and transmit data to the Mission Critical Partners® (MCP) network operations center (NOC). The following are representative of the conditions monitored:

Server Monitoring

- Virtual environments
- Disk utilization
- Print queues
- Event logs
- Backup logs
- Processor and memory utilization
- Services
- Error reports
- Time sync
- Logs for high availability disk arrays

Network Monitoring

- Device status (up/down)
- Packet loss to device
- Memory utilization
- Average response time (ping) to device
- Processor utilization
- Port utilization

Application Monitoring

- CAD/911 process status
- CAD/911 service status
- Log files

In summary, MCP monitors the environment and engages as soon as a detected issue requires attention.

Task 1.2: Problem Resolution for CAD/911

As issues are identified, MCP's services team follows a triage model, working along with your staff, to isolate the matter into one or more of the following categories:

- Application
- Storage
- Network
- Hardware
- Database
- Remote systems and interfaces
- Server
- Virtualization

Once the issue is assessed, MCP will resolve the issue or engage your staff and the other parties involved. We will monitor the status until the matter has been resolved.

Task 1.3: Communications and Reporting

Critical issues and conditions are communicated to the agency immediately. The other monitoring results are reported monthly, at a minimum. The monthly reports include the following:

- All issues detected
- Summary of tickets created
- Link to a customized dashboard
- Corrective actions taken
- Review of system performance and utilization
- Required site actions

In addition to these communications, MCP assists in organizing monthly status calls attended by a wide range of stakeholders, including management representatives, the primary users within the agency, the applications provider, information technology (IT) support personnel, and others.

Task 1.4: Help Desk

NetPulse Advanced monitoring includes a comprehensive telephone support desk for reporting issues, requesting services, solving routine matters, and answering questions during normal working hours, Monday through Friday, 8 a.m. to 5 p.m. Eastern Time, excluding holidays. The help desk and support are available 24/7/365 for critical matters impacting production operations

Agency Support and Facilities

The following are needed for MCP to monitor and perform troubleshooting triage of the systems and network:

- Remote access to the site using a virtual private network (VPN) or other secure access facilities.
- A server to support monitoring—can be a virtual machine.
- Ability to send email alerts and reports from the monitoring system to MCP.
- Agency contact to assist in coordinating support services.

Task 1.5: Premium Service

MCP recognizes that the associated network administrator responsibilities can be aided with a resource to support and administer the CAD and 911 server hardware. The up-to-eight hours per week of technical network support services and scope of work include:

- Support, configure, and maintain Rensselaer County's on-premise networks and networking hardware (see Exhibit 1: Equipment List for the full list of supported hardware).
- Identify and aid in the deployment of updates as needed.
- Support and administer CentralSquare Technologies (CST) CAD/911 routing device configurations.

- Aid in ensuring CST CAD/911 network security and connectivity.
- Monitor CST CAD/911 network performance and monitor for faults and incidents.
- Facilitate access controls for CST CAD/911 routing hardware.
- Resolve problems reported by end-users on the CST CAD/911-supported hardware.
- Aid in defining CST CAD/911 network policies and procedures.
- Support research and make recommendations regarding CST CAD/911 network architecture.

Phase 2: 911 Phone CHE – Vesta Migration Support

MCP will assist the County with the multi-step Call Handling Equipment (CHE) Installation process.

MCP envisions that oversight can be provided by remotely attending project management coordination video calls. In addition to remote support, it is equally envisioned that on-site installation reviews and participation in Acceptance Testing processes have been beneficial to reviewing the integrity and resiliency of the installation process.

Task 2.1: Role and Responsibility Matrix

One of the first steps in this process is to assist Motorola Solution Incorporated (MSI) develop a Roles and Responsibility (R&R) matrix. This matrix is beneficial to the installation process since it typically identifies HVAC, power, cabling, grounding and networking requirements for the Hosts and Remote PSAP locations that are outside of MSI's direct responsibility.

The MCP matrix can then be utilized as a project management "Action Register" to support the complex networking, installation and Network & CHE acceptance testing process.

Motorola will develop the matrix and PM project. MCP, with the County will review and validate the matrix and plan.

Task 2.2: Host to Host & Host to PSAP Wide Area Network (WAN)

MCP is very familiar with Nokia Service Aggregation Routers (SARS) and the operating system and configuration parameters that need to be included in the Host-to-Host and Host-to-PSAP network design. The Vesta Quality of Service (QoS) network parameters are required to provide priority to User Datagram Protocol (UDP) Real Time Transport (RTP) voice and Affirmed Forwarding AF31 signaling packets. Equally important is to design the WAN that Vesta IP traffic has a Committed Information Rate (CIR) and that Fast Re-Route and Link Loss Forwarding are supported.

MCP will provide networking design assistance/consultation to include review design, configuration and provide assessment of plan and recommendations.

Task 2.3: Networking—911 & Administrative Networks

MCP will review networking specifications, (ring downs, links, etc.), review quotes/proposals, and provide written recommendations.

Task 2.4: HVAC, Power, Cabling, Patch Cords, TVSS and Grounding

MCP will provide “best practice” coaching and oversight to each step of the installation process, including remote review of installation plans and attend project calls, provide recommendations and feedback during installation process.

Task 2.5: Vesta Support

MCP will review Nokia, AudioCodes & Cisco configurations files to validate labeling and QoS assignments.

Task 2.6: CHE Acceptance Testing

MCP will co-develop an overall pre-cut Acceptance Test plan with MSI and their installation team. When all network and Vesta resources are pre-cut ready. MCP will participate in an onsite fail-over testing exercise of Vesta and WAN simulated failures and remedies if required.

Task 2.7: CHE Live “In Service” support

MCP will be on site to support final pre-testing and post In Service testing and document and manage status, issues, and remedies as required.

Project Team

MCP recognizes that as an independent solutions provider, our corporate capabilities depend directly on the qualifications and experience of our staff. A multifaceted project such as this requires different areas of expertise and knowledge—typically more than any one or two individuals can bring—because different areas of expertise often are needed at various project stages. MCP has assembled one of the country's most experienced and knowledgeable teams.

Phil Sisk, ENP, Client Services Director, Northeast Region

Client Manager

With Phil's experience working in the vendor community, he brings a range of skills combined with a leadership style that focuses on collaboration and communication. He has engaged in more than 200 CAD, records management systems (RMS) and Mobile implementations in 20 states. Phil's experience includes managing over 100 data conversion projects for CAD and RMS and overseeing the development of numerous interfaces for CAD and RMS to state-level systems. In addition, he has been involved in data-sharing projects that allowed more than 350 agencies to share RMS data with other agencies in their state. As a business development and client services manager at MCP, Phil remains committed to exceeding client expectations.

Pat Cronin, Director of Technical Services

Service Program Manager

Pat brings more than 24 years of experience in the public safety community. His expertise involves CAD implementation, consolidation, IT network infrastructure and Voice over Internet Protocol (VoIP) support. Pat has been a Senior IT Project Manager for implementing a technology infrastructure upgrade for an eight-county CAD installation and migration. He has also served as a Senior Technology Specialist and a Technology Advisor supporting network infrastructure and service tickets.

Enelys Ives, Network Technician

Network Infrastructure

Enelys has worked as an IT technician, website and software developer, and computer technician. Her experience includes designing and installing computer networks, connections, and cabling; designing, maintaining, and supporting databases; conducting website administration and maintenance; and providing support and training for desktop hardware and software. In addition, Enelys has performed extensive work supporting Windows 10 Enterprise and Pro operating systems, Office 365, and custom-use desktop applications, including CAD for 911 and GIS.

Jeff Gooch, Senior Manager of Technical Solutions & Network Operations

Senior IT SME

Jeff brings more than two decades of experience at the intersection of public safety and technology. His journey began as a volunteer firefighter with the Cranberry Township VFC, followed by a turn at STAT Medevac, where he served as a Communications Specialist before transitioning into a full-time IT role. His technology career continued to evolve as he took on the position of IT Administrator for Cranberry Township, leading the development of critical public safety tech solutions. Jeff later became the Community Risk Reduction Coordinator for Cranberry's Fire and Emergency Services, where he led transformative projects and elevated the department's technology capabilities. Most recently, Jeff served as the Co-Founder and Chief Technology Officer of Innovative Public Safety, a company dedicated to providing tailored technology and IT services to small and mid-sized public safety and critical infrastructure clients.

Philip Rizzo, Senior Technology Specialist

Network Technician

Phil has experience in the technical and operational side of the telecommunications industry. His expertise brings together cross-functional teams to develop companywide processes and procedures. Phil is an effective leader recognized for his technology and customer-focus strengths. He specializes in technical support for phone system cutovers, assisting with customer premises equipment (CPE) installation and maintenance, RFP development, PSAP consolidation, and NG911 equipment selection.

Colby Rooker, Senior IT Network Technician

Network Infrastructure

Colby is a network professional who uses his technical skills in network analysis for Windows, Linux, OSX, SQL and Java to document, support, implement and manage multiple systems. He has held various positions that have sharpened his technical skills to help mission-critical agencies achieve their desired results successfully.

David W. Boyce, Vice President of Emerging Services Development

Senior Advisor, Customer Advocacy and Quality Assurance

Dave Boyce serves as Vice President of Emerging Services Development where he leads the development of innovative solutions for complex NG911, emergency communications, network, voice, and data challenges. With decades of extensive telecommunications experience, Dave specializes in statewide and regional ESNets, NG911 systems, selective routing, PSAP technologies, network engineering, procurement, and project management. He has successfully supported federal, state, regional, and local public safety agencies nationwide in the planning, design, procurement, and implementation of advanced emergency communications systems and networks.

Steven Badgio, Vice President & Director of Co-Managed Information Technology

Service Delivery

Steve is a highly accomplished professional with national and international project management experience. He uses his combined knowledge of business and telecommunications to drive projects to completion while building relationships and contributing to project success. Steve is well versed in software implementation, contract management, software conversions, customer relationship management (CRM) implementation, business analysis, billing operations, and wireless service billing/mediation.

Kevin Bresnahan, President of Lifecycle Management Services Division

Customer Advocacy and Quality Assurance

Kevin brings nearly four decades of experience in engineering, operations, global technical support, implementations, project management, and product support. He will provide the customer advocacy and quality assurance (QA) overview, review of all deliverables, and additional project management support to the project and client managers. Kevin has demonstrated leadership, business analysis, and consulting to deliver strategic product and technology solutions. He possesses a diverse background in managing a complex organization with strategically critical responsibilities spread over numerous projects and has successfully launched new software and hardware products from concept to delivery.

Project Pricing

NetPulse Advanced CAD/911 services outlined in the scope of work will be provided for a **total fee of \$27,045**. The fee is inclusive of labor and expenses.

Support for the 911 Phone CHE migration will be invoiced monthly for the hours and expenses of support provided **not to exceed \$49,700**.

Table 1: Fee Schedule

Description of Service	Invoice Schedule	Monthly Fee	Annual Fee
NetPulse Advanced CAD/911	Annually	\$2,253.75	\$27,045
911 Phone CHE–Vesta Migration Support	Monthly	Actuals	\$49,700
Total			\$76,745

Mission Critical Partners proposes to deliver services on a per-hour basis based on GSA Multiple Award Schedule, Contract #GS-35F-0410X. An invoice shall be submitted each month and will include the percentage of work performed and expenses incurred relevant to the fee and shall be reviewed and paid within 30 days of receipt.

Any additional services will be performed at MCP's then-current fee schedule. Prior to initiating any such additional work, MCP would require a formal letter of authorization from Rensselaer County.

Based on the current MCP understanding of what is to be accomplished, the pricing identified represents an estimate of the work anticipated to achieve project success. MCP's priority is for this project to be successful for Rensselaer County.

Assumptions

- The costs presented in this proposal will remain valid for 90 days.
- A listing of equipment to be monitored can be found in Exhibit 1.
- To the extent that MCP can support cyberattack restoration, a separate time and materials agreement will be required at the time of the support request.
- MCP and Rensselaer County roles and responsibilities requirement matrix for this project can be found in Exhibit 2.
- Monitoring and support of the CAD is for the Central Square Technologies CAD environment being used for historical data and not in use for new records.
- Rensselaer County will work with MCP to provide access and credentials for monitoring of network devices.
- Support for County 911 CHE implementation and migration will be done in parallel to supporting the existing Central Square. Implementation expected to be completed in 2026.

Signature Page

Mission Critical Partners is prepared to execute this scope of work upon notification from Rensselaer County as evidenced by authorization to proceed via signature below or receipt of a purchase order. MCP will schedule our support implementation promptly upon notification.

- 1a. Table of awarded the special item number with appropriate cross-reference to item descriptions and awarded price.
Special Item No. 54151S/RC/STLOC Information Technology Professional Services
Special Item No. 541330ENG/RC Engineering Services
Special Item No. OLM/RC/STLOC Order-Level Materials (OLM)
- 1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply.
See Price Sheet
- 1c. If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate "Not applicable" for this item.
Skill category descriptions begin on page 18
2. Maximum order. *Special Item No.54151S: \$500,000*
Special Item No.OLM: \$250,000
Special Item No. 541330ENG: \$1,000,000
3. Minimum order. *\$50*
4. Geographic coverage. *Domestic and Overseas delivery.*
5. Point of production. *Same as company address*
6. Discount from list prices or statement of net price. *Government prices are net*
7. Quantity discounts. *None*
8. Prompt payment terms. *Net 30 Days.*
Information for Ordering Offices: Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions.
9. Foreign items. *None*
- 10a. Time of delivery. *As negotiated on the task order level.*

- 10b. Expedited Delivery. The Contractor will insert the sentence “Items available for expedited delivery are noted in this price list.” under this heading. The Contractor may use a symbol of its choosing to highlight items in its price lists that have expedited delivery.
As negotiated on the task order level
- 10c. Overnight and 2-day delivery. The Contractor will indicate whether overnight and 2-day delivery are available. Also, the Contractor will indicate that the schedule customer may contact the Contractor for rates for overnight and 2-day delivery.
As negotiated on the task order level
- 10d. Urgent Requirements. The Contractor will note in its price list the “Urgent Requirements” clause of its contract and advise agencies that they can also contact the Contractor’s representative to effect a faster delivery.

FSC/PSC CLASS D301 ADP FACILITY MANAGEMENT
Facility and Technology Design and Integration

Mission Critical Partners (MCP) brings more than 25 years of experience in planning, designing and integrating mission critical technology and operations into new and renovated facilities. Our team applies that hands-on experience with Call Centers, Emergency Operations Centers (EOCs), Fusion Centers and Call Centers to develop the solution that best fits the client's needs. We are familiar with the requirements of mission critical facility architectural and engineering design and are highly qualified to manage the many complexities that arise with each building project. We also apply our understanding of all elements of the facility construction including site development, electrical, mechanical, structural, security and technology to coordinate systems install, acceptance, training and operational transition.

The focus of every project is to optimize the functional use of the building and space for operational integrity. We work closely with the client to develop the technology solutions, migration schedule and operations floor layout.

Our services include:

Facility Planning and Programming

- Hazard vulnerability assessment
- Spatial allocation
- Adjacency requirements
- Workstation design and orientation
- Power, HVAC, security and structural requirements
- System redundancy and diversity
- Infrastructure requirements
- Tower location and path studies
- Continuity of operations

Design Solutions

- Architectural coordination
- Low voltage and data cable management
- Rack, cable tray, pathway and conduit
- All mission critical systems (CAD/RMS, CPE and telephony, logging, video walls, workstations, consoles and interfaces, security, network and tower)
- Procurement support (RFP development, vendor proposal review/recommendation/selection/negotiation)
- Punch list development
- Acceptance testing

Facility Construction Coordination (project management, system install coordination, contract resolution, systems acceptance and commissioning, training, scheduling, migration/transition planning)

FSC/PSC CLASS D302 ADP SYSTEMS DEVELOPMENT SERVICES

Mission Critical Partners (MCP) leverages expertise and consulting services to assist clients in maximizing the opportunities for implementation of broadband ecosystem networks that meet critical needs. Two decades invested in life safety communications has equipped our team to navigate the complex broadband issues.

MCP improves public safety and homeland security through roadmaps for transitioning to Emergency Service Internet Protocol Networks (ESInet). The technology:

- Allows first responders to send and receive video and data.
- Reduces costs through interagency collaboration.
- Helps support opportunities to acquire additional funding required for operating expenses.
- Promotes innovation in the development and deployment of next-generation networks, applications and alert systems.
- Promotes cyber security and critical infrastructure survivability to increase user confidence, trust and adoption of broadband communications.
- Promotes shared resource allocation on common network platforms.

As a foundation for a project's success, MCP drives meaningful government and civic engagements with representatives in support of local efforts to deploy broadband technologies. We also help entities understand and follow policies and standards to maximize incentives for national priorities in health care, public education and economic opportunity.

To ensure value for the client's investment, MCP collects and analyzes benchmarks. We then provide comprehensive reviews of wholesale competition rules, make recommendations that include innovative approaches to FCC changes, and ensure efficient collaborative allocation and use of government-owned and government-influenced assets.

MCP's broadband services include a consultative, holistic approach to Next Generation (IP-centric) emergency service networks, features, and functions:

- Governance development
- Network gap analysis
- Network architecture design
- Request for Proposal (RFP) development
- Financial analysis and modeling
- Vendor implementation oversight
- Network operations framework development with an IT Infrastructure Library (ITIL) emphasis
- Broadband security gap analysis

FSC/PSC CLASS D306 ADP SYSTEMS ANALYSIS SERVICES

Forensics and Systems Analysis

Mission Critical Partners' proven advocacy skills for our clients are the crux of our forensics services. Forensics analysis can be used to locate the root cause(s) of a system failure, verify receipt of full value on a contract or purchase, and assist in a formal court determination of facts.

By establishing current conditions and benchmarking against recognized communications best practices, the MCP team develops a practical solution set for improvement in service delivery. Our team provides change agent services for sustainable organizational recovery. Each forensic engagement involves a comprehensive three-step investigation:

- (1) Data Gathering and Fact Finding
- (2) Analysis and Perspective
- (3) Findings and Recommendations

Contract Compliance

MCP represents our clients' interests by executing a logical information gathering process to understand contract objectives and then performing a methodical review of documents and responsibilities. If we find discrepancies, MCP recommends a corrective course of action. We establish a plan with milestones, metrics, communications, assigned responsibilities and manage client risk to maximize return on investment.

Invoice Forensic Review

MCP has a knowledge base in tariff structure and telecommunications invoicing that often reveals overpayment for services. The MCP team specializes in network, routing, database and fee collection. Applying our forensics skills, we generate findings and recommendations for cost recovery and negotiate settlements on behalf of our clients at little financial risk to the client.

Incident Forensics

MCP provides assessment services to define and mitigate risk. Any system can have components (or technicians) that do not perform as intended, potentially resulting in a loss of life or property. In a pre-event environment, our team evaluates call routing, switching, database integrity, system performance, operating guidelines, and training for service optimization. Post-event, MCP assesses equipment or process failures to define causal effects. We understand the high visibility of any event where system or human error negatively impacts reliable service, and we offer improvement recommendations without prejudice.

Systems Analysis

Systems analysis, design and implementation are other key services MCP provides. In today's mission critical environment, the various technologies and applications used to manage risk are integrated with one another in the successful operational environment, and no one system stands alone. By understanding the need for high-reliability, low-risk performance in the 24/7 world, MCP applies our extensive knowledge of technology, telecommunications, policy, operations, and accountability to achieve success on behalf of the client.

Next Generation Services

The Mission Critical Partners (MCP) staff has extensive experience with planning, designing, procuring, negotiating and implementing all Next Generation call delivery and processing elements. As stated throughout the industry, Next Generation is a journey. Simply put, the systems and user environment will continually evolve with new technologies, processes and expectations.

The MCP project team lays out a clear Master Plan that recognizes the impact NG has on all aspects of the user operations, budgets, planning, training, and ability to deliver service. As Next Generation drivers, MCP helps elected officials, managers, stakeholders and funding agencies understand the NG impact upon all systems including technology, human, policy and funding.

The MCP approach is to establish a thorough understanding of the environment unique to each PSAP or region. This includes funding models, system life-cycle analysis, objectives, incident processing approach, network resources, and governance opportunities. While many firms simply want to discuss call delivery, MCP develops a plan for incident processing, incident dispatch and data management. MCP develops a comprehensive Master Plan for the agency or region and a conceptual design to NG deployment. The Master Plan considers all options and establishes timely deployment by incrementally upgrading technology and recommending policy, funding and governance modifications.

The MCP team is experienced in:

- Master Planning
 - Capital Plan
 - Operational Impact
 - Schedule and Governance
- Design
- Procurement (Network, telephony)
- Network Services
- Systems Convergence and Integration
- Microwave & Wireless Broadband
- Computer Aided Dispatch (CAD)
- ESInet Core Functions
- Records Management
- Customer Premise Equipment
- Routers
- Switches
- Mobile Data
- Applications
- Punch List Development
- Acceptance Testing
- Implementation Project Management
- IP Networks
- ESInet

MCP partners with clients to understand your objectives, resources, and constraints. We then work

shoulder-to-shoulder to develop and execute the path to NG success.

FSC/PSC CLASS D308 PROGRAMMING SERVICES

MCP brings more than 25 years of experience in planning, designing and integrating mission critical technology and operations into new and renovated facilities. Our team applies that hands on experience with 24x7 operations supporting clients such as Public Safety Answering Points (PSAPs), Emergency Operations Centers (EOCs), Fusion Centers and Call Centers to develop the solution that best fits the client's needs. We are familiar with the requirements of mission critical architecture and engineering design and are highly qualified to manage the many complexities that arise with each building project. Sustainable Communications Services

Public Safety and Life Safety professionals lead the readiness efforts of local, county, state and federal government through planning and organization. Mission Critical Partners (MCP) supports managers with expertise in emergency operations, incident command, and the planning and systems designated to support operational integrity while minimizing risk.

The MCP team provides communications support services by following a disciplined, well-organized approach for realizing county, regional and statewide interoperability objectives.

Our service profile and expertise include:

- Communications Planning
 - Master Plans
 - TICP Plans
 - Interoperability
- Hazard Vulnerability Assessments
 - Infrastructure
 - Towers/Shelters/Connectivity
 - Security
 - Facility
 - Procedures and Operating Guidelines
 - Training
- Interoperability

FSC/PSC CLASS D311 ADP DATA CONVERSION SERVICES

Data Conversion Services

Mission Critical Partners (MCP) staff cumulatively brings more than 50 years of experience in the management and operation of Public Safety Answering Points (PSAPs), Emergency Operations Centers (EOCs) and emergency call centers – and their related automated systems. Management of these automated systems includes data conversion and database management expertise. The integration of mission critical data into and among these [potentially] disparate automated systems requires an expertise in data conversion and database management. MCP is familiar with industry standards and recommended best practices that pertain to data conversion and database management, and has the ability to assure that data conversion-related tasks are completed in accordance with these standards and best practices, but within the realities of today's operational environment.

Our experience in data conversion tells us that the single most important focus during these tasks is one of accountability – accountability of all involved parties. By establishing current conditions against industry standards and recommended best practices, MCP is able to forge a reasonable data conversion plan that is actionable and implementable with the involved parties and vendors. Benchmarks are identified, and timetables established, recognized, agreed-upon – and enforced. Further, the integrity of the converted data is paramount. Accordingly, appropriate quality assurance procedures are identified and implemented by the appropriate vendors – along with the necessary cross-validation processes.

Systems that may be involved with data conversion and/or database management services include (but are not limited to) the following:

- 9-1-1 Systems
 - Customer Premise Equipment (CPE)
 - Location Databases
 - Automatic Number Identification (ANI)
 - Automatic Location Identification (ALI)
 - Master Street Address Guide (MSAG)
- Next Generation 9-1-1 (NG9-1-1) Features, Functions, and Applications
 - Emergency Services Routing Proxy (ESRP)
 - Border Control Function (BCF)
 - Emergency Call Routing Function (ECRF)
 - Location to Service Translation (LoST) [for bid/query response]
 - Legacy Network Gateway (LNG)
 - Presence Information Data Format – Location Object (PIDF-LO) [using existing ALI network]
 - IP Network Components (routers, firewalls, domain servers, etc.)
- Geographic Information Systems (GIS)

Executive Consulting and Master Planning

Mission Critical Partners (MCP) partners with clients to develop customized technical and operational solutions for life safety communications. Our staff has extensive experience serving in public sector and public safety management roles and applies that depth of real world knowledge to advocating for our clients. Through our first-hand experience, we have earned the reputation for being accountable, prudent, persistent, progressive and reliable problem solvers.

We provide services that are initiated at a strategic level. An integral part of our executive level consulting is providing master planning services. Our team of policy specialists collaborates with clients to create comprehensive plans that help direct decision making in the public safety sector. In developing a strategic plan, we incorporate master planning, organizational structuring, hiring assistance, fiscal planning, operations, and technology and policy solutions.

By seeking to understand and assembling a strategy that serves as a guide, MCP is able to execute a comprehensive tactical approach that addresses all elements of the client's sphere of influence. Our team directs its collective energy on first understanding the full scope of our client's responsibility and the objectives. We evaluate the unique challenges that stand in the way of achieving success. We then mitigate those challenges by leveraging policy, human, technology and fiscal assets to develop a sustainable solution.

Our clients are responsible for delivering reliable service 24/7 to first responders and the public while operating with limited resources. In recognition of the need to achieve more with less, MCP works to put the client in a position to do more with more. This means structuring organizations, programs and projects for available grant funding through policy development, technology, and appropriate fiscal planning.

Our services include:

- Budget and Fiscal Planning
- Long-range Capital Planning
- Strategic and Technology Planning
- Grant Compliance
- Policy Development and Support
 - Master Planning
 - Governance
 - Organizational Development
- Systems Planning, Design, Implementation and Acceptance
- Systems Commissioning and Decommissioning

PROFESSIONAL LABOR CATEGORY DESCRIPTIONS APPLICABLE TO SINS 54151S

Job Title: Communications Specialist

Functional Responsibilities: • Analyze and evaluate wired and wireless communications systems and related networks, applications and policies.

• Project lead responsibilities for tasks and assignments.

Minimum Education: See Certification

Minimum/General Experience: 3 years

Job Title: Forensics Analyst

Functional Responsibilities: • Analyze and evaluate customer's wired/wireless communications systems and related networks, applications and policies.

• Develop and maintain detailed scope of work documents; research and prepare detailed, accurate correspondence and reports.

• Assess and resolve program / project problems and issues.

Minimum Education: Associates

Minimum/General Experience: 5 years

Job Title: Operations Specialist I

Functional Responsibilities: • Provide technical, operational or management consulting services for clients, to assist project managers with specific assigned project tasking, and to assist with developing expanded client relationships.

Minimum Education: See certification

Minimum/General Experience: 1 year

Job Title: Operations Specialist II

Functional Responsibilities: • Provide technical, operational, or management consulting services for clients, to lead with assigned project tasking, to assist project managers, and to assist with developing expanded client relationships or new business relationships.

• Provide assistance to the senior staff when asked to develop and enhance company service standards.

Minimum Education: Associates

Minimum/General Experience: 5 years

Job Title: Planner

Functional Responsibilities: • 9-1-1 planning work including plan revisions, operations, consulting, SOPs and staff analyses; performance and system management for emergency services; recommendations for the development, review and revision of management and administrative policies and procedures.

• Develop functional plans of systems and processes.

Minimum Education: See Certification

Minimum/General Experience: 3 years

Job Title: Program Manager

Functional Responsibilities: • Manage -programs requiring the assignment and tracking of schedules, issues, and resources.

• Provides guidance to project managers, senior level project management of individual or major tasks.

• Directs the planning of projects, evaluates projects for state-of-the-art techniques, quality assurance and quality control.

• Oversees the planning, direction and coordination of project effort.

• Leads staff and clients with strategic budgeting, planning and scheduling.

Minimum Education: Associates

Minimum/General Experience: 3 years

Dear Jim,

I hope this message finds you well.

We are currently finalizing a contract for our network security services, which include CAD and 911 phone systems. Historically, we utilized the NYS Contract for this purpose. However, this service has been removed from the state contract, requiring us to explore alternative options.

Could you confirm if we are able to utilize other contract vehicles? The vendor appears to be listed under the following:

1. **GSA Advantage**
2. **H-GAC** (Houston-Galveston Area Council)
3. **NPP.gov** (National Purchasing Partners)

Please let me know how we should proceed.

Re: Resolution Amending the 2026 Adopted Rensselaer County Budget – Transit Funds

This past year, NYS DOT has been providing more funding than anticipated through a large "Clean Up" payment along with additional funds beyond the State Transit Operating Assistance (STOA) formula payment. This has created an issue with having insufficient funds in the budget to be able to pay the expected final payment in late November. Since NYS DOT requires that we pay out the funds receive in a timely fashion, we are requesting this resolution prior to knowing what our actual quarterly payment will be. A calculation of our expected payment along with information on received STOA payments is included.

Please let me know if you have any questions.

This position is a crucial element of the succession planning for the Commissioner of the Department and as currently approved will make less than the staff they will be supervising.
The increase is needed for talent acquisition to fill this vital role. This increase is currently apart of our 2027 budget submission.

AMENDMENT TO AGREEMENT
Rensselaer County
And
Deborah Goldman

This Amendment takes effect as of **January 1, 2026** and is made by and between Rensselaer County, located at 99 Troy Road, East Greenbush, New York 12061, hereinafter called the “County” and Deborah Goldman located at 34 Depew Avenue, Buffalo, New York 14214 hereinafter called the “Vendor.” County and Vendor are sometimes referred to in this Agreement individually as a “Party” and collectively as the “Parties”.

WHEREAS, County and Vendor entered into an Agreement effective January 1, 2026 hereinafter referred to as the “Agreement”; and

WHEREAS, County and Vendor wish to amend the Agreement in certain respects as set forth in this Amendment; and

NOW THEREFORE, County and Vendor agree as follows:

1. Paragraph #3 is amended and replaced with:

3. PAYMENT FOR SERVICES

In consideration of the above services, the County agrees to pay the Vendor a sum not to exceed **\$11,475.00** for the Term of this Agreement. Upon receipt of an invoice from the Vendor, the County has 30 days to remit payment.

2. Except as expressly amended in this Amendment, the Agreement remains in full force and effect.

IN WITNESS WHEREOF, this Amendment has been executed by the duly authorized officers of the respective Parties on the date stated above.

**Rensselaer County
And
Deborah Goldman**

This Service Agreement (“Agreement”) made on the date set forth below between Rensselaer County located at 99 Troy Road, East Greenbush, New York 12061, hereinafter called the “County” and Deborah Goldman located at 34 Depew Avenue, Buffalo, New York 14214 hereinafter called the “Vendor”. County and Vendor are sometimes referred to in this Agreement individually as a “Party” and collectively as the “Parties”.

WITNESSETH:

WHEREAS, the Vendor is engaged in the business of performing analytical analysis of data; and

WHEREAS, the County seeks to understand the needs of the County and prepare a **2027 County Plan**; and

NOW, THEREFORE, the Parties hereby agree as follows:

1. SCOPE OF SERVICES

The Vendor agrees to provide professional expert assistance in data analysis to inform the Needs Assessment and **2027 County Plan**. During the term of the Agreement, the Vendor will gather data and provide displays in chart or graph form to identify county trends within the context of the Capital Region and New York State using the following data sources:

1. Conference of Local Mental Hygiene Directors Portal;
2. Office of Mental Health Patient Characteristics Survey (PCS);
3. Office of Alcoholism and Substance Abuse Services Client Data System; and
4. Office of Alcoholism and Substance Abuse Services County Planning System.
5. Provide analytics to the Rensselaer County Local Government Unit for the System of Cares Grant from NYS Office of Mental Health by utilizing data from MCO- CDPHP and local law enforcement agencies and other sources.

2. TERM OF CONTRACT

This Agreement shall commence on **January 1, 2026 and shall terminate on December 31, 2026.**

3. PAYMENT FOR SERVICES

In consideration of the above services, the County agrees to pay the Vendor a sum not to exceed **\$8,000.00** for the Term of this Agreement. Upon receipt of an invoice from the Vendor, the County has 30 days to remit payment.

4. AMENDMENTS

This agreement may be modified or amended only in writing and duly executed by both Parties. Any modification or amendment shall be attached to and become part of

this Agreement. All notices concerning this Agreement shall be delivered in writing to the Parties.

5. CERTIFICATES OF INSURANCE

Vendor agrees to maintain during the term of this agreement Workers' Compensation and Disability Insurance Coverage as may be required by law, together with liability insurance with liability limits reasonably satisfactory to the County, and to provide to the County proof of all such insurance coverage at the time of the execution of this agreement by Vendor. The Certificate holder section must read as follows: Rensselaer County, c/o Rensselaer County Attorney, 99 Troy Road, East Greenbush, New York 12061.

6. INDEMNIFICATION

Vendor acknowledges and agrees that the services to be provided pursuant to the terms of this agreement are provided as an independent contractor and not as an agent or as employees of the County. Accordingly, Vendor agrees to indemnify and hold harmless the County, its agents, officers and employees, from and against any and all claims or causes of action, including reasonable attorneys' fees and expenses incurred by the County in connection with a defense of any such claims or causes of action, which may arise as a consequence of any act or omission on the part of the Vendor, its agents or employees which occurs during the performance of the services to be provided hereunder.

7. VENUE

In the event either Party to this agreement shall initiate litigation against the other Party to protect or enforce any right or benefit in favor of such Party under the terms of this Agreement, the Parties hereby mutually agree that the Supreme Court of the State of New York shall exercise exclusive jurisdiction over such litigation, and that the venue of the same shall be County of Rensselaer, New York.

8. EXECUTORY NATURE OF CONTRACT

Vendor expressly acknowledges and agrees that this contract will be considered executory to the extent New York State or Federal funding is relied upon by the County for the payment of any goods, labor or services to be furnished by Vendor under the terms and provisions of this Agreement, and that in the event such funding shall not be forthcoming, this Agreement may be terminated by the County upon reasonable prior written notice to Vendor.

9. CORPORATE COMPLIANCE

Vendor represents and warrants that it, and its employees and/or contractors, are not excluded from participation and are not otherwise ineligible to participate in a "federal health care program", as defined in 42 U.S.C.1320a-7b or in any other government payment program. Vendor further represents and warrants that it will perform screening, on a monthly basis, all of its employees and subcontractors against:

- a. The General Services Administration's Federal Excluded Party List System or any successor list;
- b. The United States Department of Health and Human Service's Office of the Inspector General's List of Excluded Individuals and Entities or any successor list; and

c. The New York State Department of Health's Office of the Medicaid Inspector General's list of Restricted, Terminated or Excluded Individuals or Entities, or any successor list.

In the event that an excluded Party is discovered by the Vendor, said Vendor shall notify the County within five (5) days of such discovery. The County reserves its right to cancel and contract upon such notification.

The County further shall have the right to cancel this Agreement and declare the same null and void in the event that the Vendor fails to fulfill its obligations under this section.

10. TERMINATION

Either Party may terminate this Agreement, provided that the Party terminating this Agreement gives thirty (30) days written notice of termination to the other Party, which shall be served upon the other Party by first class mail.

11. FORCE MAJEURE

Neither Party to this Agreement shall be held responsible or be deemed to be in default under this Agreement for any delay in performance or failure in performance of any of their respective obligations to be performed hereunder if such delay or failure is the result of causes beyond the control and without negligence of the Party with respect to whose obligations such delay in performance or failure in performance has occurred. Such causes shall include, without limitation, acts of natural or man-made disasters, strikes, lockouts, riots, insurrections, civil disturbances or uprising, sabotage, embargoes, blockades, acts of war, acts of terror, acts or failure to act of any governmental regulations superimposed after the fact, communication line failures, power failures, fires, explosions, accidents, epidemics, and all occurrences similar to the foregoing (collectively referred to herein as "Force Majeure"). The Party affected by an event of Force Majeure, upon giving prompt notice to the other Party, shall be excused from performance hereunder on a day-to-day basis to the extent of such prevention, restriction or interference (and the other Party shall likewise be excused from performance of its obligations which relate to the performance so prevented, restricted or interfered with); provided that the Party as affected shall use its best efforts to avoid or remove such causes of nonperformance and to minimize the consequences thereof and day-to-day basis to the extent of such prevention, restriction or interference (and the other Party shall likewise be excused from performance of its obligations which relate to the performance so prevented, restricted or interfered with); provided that the Party as affected shall use its best efforts to avoid or remove such causes of nonperformance and to minimize the consequences thereof and both Parties shall continue performance hereunder with the utmost dispatch whenever such causes are removed. Lack of funds shall not be a Force Majeure.

12. NON-DISCRIMINATION

The Vendor agrees that in carrying out its activities under the terms of the Agreement that it shall abide by the applicable provisions of the Human Rights Law of the State of New York, as set forth in Sections 290-301 of the Executive Law of the State of New York.

13. FEDERAL, STATE AND LOCAL LAW AND REGULATIONS COMPLIANCE

Vendor agrees to abide by and comply with all applicable federal, state and local laws, rules, regulations and orders.

14. DISCLOSURE

Vendor certifies, to the best of its knowledge and belief, that:

A. No State or Federal appropriated funds have been paid or will be paid, by or on behalf of the Vendor, to any person for influencing or attempting to influence legislation or appropriation actions pending before local, State and Federal executive and/or legislative bodies in connection with the awarding of any contract, the making of any grant, the making of any loan, the entering into of any cooperative Agreement, and the extension, continuation, renewal, amendment, or modification of any contract, grant loan, or cooperative Agreement.

B. If any funds other than State or Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence legislation or appropriation actions pending before local, State and Federal executive and/or legislative bodies in connection with this contract, grant, loan or cooperative Agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, and United States Code. Failure to file the required certification shall be subject to civil penalty by the Federal government of not less than \$10,000 and not more than \$100,000 for each such failure.

15. ENTIRE AGREEMENT

This Agreement, and any documents referred to in it, constitute the whole Agreement between the Parties and supersede any previous arrangement, understanding or Agreement between them relating to the subject matter they cover.

Each of the Parties acknowledges and agrees that in entering into this Agreement it does not rely on any undertaking, promise, assurance, statement, representation, warranty or understanding (whether in writing or not) of any person (whether party to this Agreement or not) relating to the subject matter of this Agreement, other than as expressly set out in this Agreement.

IN WITNESS WHEREOF, this Agreement has been executed by the duly authorized officers of the respective Parties on the date stated below.

Re: 2025 County Infrastructure Grant Resolution

Attached is a resolution accepting funding for the 2025 County Infrastructure Grant and authorizing an agreement with the developer who will be paying the matching grant as well as paying in first instance. This grant is very strange as ESD does not provide the County with a grant contract until after the work is performed. Once the work is performed and the payment request is made with all the required paperwork, ESD will hold a public hearing and then prepare a payment agreement. After that, they will pay us.

Since the development is moving Sewer District #1's force main, I assume that they will have a separate agreement with the sewer district to do so. This is not reflected in the agreement or the resolution. I'm not sure what the status is of that agreement.

The developer agreement is based on ESD's draft agreement template with various Rensselaer County items added in.

Please let me or Andrew Kretzschmar know of any questions that you may have.

Thank you!

Re: Rensselaer County – County Infrastructure Grant Program, Project # 139,250

Dear Steve McLaughlin:

I would like to take this opportunity to offer my congratulations on the acceptance of Rensselaer County Infrastructure Grant Program (CIGP) application and to update you on the next steps in Empire State Development's ("ESD") grant process. Funds are being awarded (subject to the approval of the ESD Board of Directors as set forth herein) for the following NYS CIGP project(s) to be used as outlined in your original application:

- County Infrastructure Grant Program Round 1
- Rensselaer County-Killbuck's Landing Sewer Main Relocation—\$1,000,000.00
- Project Summary- This project will relocate a critical sewer line along the City of Rensselaer's waterfront, allowing for development of Forbes Avenue and construction of a \$96 million mixed-use development, including 300 new housing units.
- Supports 300 New Housing Units
- Total Project Cost: \$2,000,000.00

Your ESD project manager will continue to periodically request updates and/or changes to your application (revised timeline, State Environmental Quality Review Act ("SEQRA") update, State Historic Preservation Office ("SHPO") review information, Smart Growth Impact Statement ("SGIS") etc.). This project manager will work with you as necessary to finalize your application.

When your application has been finalized and when the project is nearing completion, Rensselaer County's County Infrastructure Grant Program project will be presented to the ESD Board of Directors for approval. The Directors typically meet on a monthly basis. Please note that no project will be presented to the ESD Board of Directors for approval until the SEQRA, SHPO and SGIS reviews have been completed and proof of matching funds has been clearly demonstrated. Please also note that there is a one percent (1%) non-reimbursable commitment fee assessed to all awardees based on the grant amount awarded. The commitment fee will be due when the applicant executes documents required for processing the award, following approval by ESD Directors.

Pursuant to New York State Executive Law Articles 15-A and Article 3 of New York State Veterans' Services Law, ESD recognizes its obligation under the law to promote opportunities for maximum feasible

participation of certified minority and women-owned business enterprises (MWBEs) and service-disabled veteran-owned businesses (SDVOBs) in the performance of ESD projects. As a recipient of this award, Rensselaer County shall be required to use Good Faith Efforts to achieve MWBE and SDVOB Participation. In addition, ESD's MWBE and SDVOB Participation/Equal Employment Opportunity Policy will apply to this project. While ESD's agency-wide MWBE goal is 30% and SDVOB goal is 6%, your individual project-specific goal may be higher or lower based on the detailed scope of work, budget, and information on additional sources of funding you provide on the Grant Budget and Questions form. You will be required to use Good Faith Efforts to achieve the goals assigned to this project. Compliance with laws and the policy of ESD prohibiting discrimination in employment on the basis of age, race, creed, color, national origin, gender, sexual preference, disability or marital status shall also be required. The Office of Contractor and Supplier Diversity ("OCSD") will monitor MWBE and SDVOB utilization in connection with this project.

Following board approval, all CIGP projects must go through ESD's public hearing process and subsequently be approved by the Public Authorities Control Board. Once these final steps are achieved, your project manager will send you a Grant Disbursement Agreement ("GDA") for execution. Project disbursements may only occur after ESD's receipt of the executed GDA and with the submission of the appropriate supporting documentation. As mentioned throughout the application process, payments will be made in lump sum upon project completion on a reimbursable basis.

This award shall terminate two calendar years from the date of this letter if the project has not commenced. Please be aware that ESD may require restrictions on the future use of awarded sites consistent with the purposes of their CIGP grant terms.

Your Project Manager will reach out shortly to answer any questions you may have. We look forward to working with you on this important project.

Sincerely,

You don't usually receive emails from this address. Make sure you trust this sender before taking any actions.

Linda:

Sorry we can remedy the issue of having the unsigned letter. Attached please find a signed letter on letterhead.

The process for CIGP differs for the CFA and other programs, so the attached pdf is not the process used here.

Given the size and nature of this project ESD will not be making progress payments. As such we will reimburse at the end and after ESD board authorization to send a Grant Disbursement Agreement.

All that will be provided for at this time is the letter, which more than adequately explains the process.

We will use the information in the application and the actual work completed to ensure that the sewer line is relocated and at least \$2 million is spent on eligible costs associated with said work. This will inform the GDA and ultimate reimbursement documents.

We issue many grants including CIGP with no issues using this process. The purpose of assigning a project manager is for the grantee to have an individual contact to address the varied, and specific items related to each specific project. As such I would recommend you contact Chelsey Watroba, Senior Project manager with any additional questions.

Subject: Contract #139250 2025 County Infrastructure Grant Rensselaer County

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

Michael, Heidi & Chelsey,

At this present time, we are having issues with moving forward on this project due to several reasons.

First, we have nothing to take to the Rensselaer County Legislature other than a letter not on ESD letterhead. Usually, when the County receives a grant from New York State or the federal government, it also receives a grant contract listing the requirements of the grant, the project that needs to be performed and the budget including funding that the County as well as others may have to provide as well as the granting agency. Under the steps of the County Infrastructure grant as provided by ESD, we have been informed that the grant agreement will not be provided until after the actual activities which are to be funded through the grant are completed. This leaves the County and the developer on the line for the entire project, as there is no promise of payment of the grant that would hold up in a court of law. This sewer line project is only for the developer's benefit.

Second, in a previous CFA grant that the developer's consultant has worked on, funding was approved with certain benchmarks that allowed partial payment. This allowed the project to move forward without having 100% of funding through banks until the project is 100% completed. This is a concern for the developer on his CFA grant, as the project has several phases which will not all be built at once.

I realize that the rules created for these programs are done so at the state-wide level. The Award Steps should be provided with the grant application documentation, which would save time and money for those looking to apply for funds that may or may not be provided after the project is completed.

We would like to talk with you to see if there is something more that can be provided to make the Rensselaer County Legislature and the developer's banks more secure feeling about these grants.

Sincerely,

The term of this Agreement is from July 21, 2025 to the later of December 31, 2027 or until the Grant Funds are released by ESD.

4. Conditions Precedent to the Disbursement of the Grant Funds

No Grant Funds shall be disbursed unless the Developer is in compliance with the Terms and Conditions of this Agreement, including but not limited to the Disbursement Terms attached as Exhibit E to the Project Agreement, and a Certificate of Occupancy shall have been issued to the Developer for the first structure to have been completed for the Project.

5. Disbursement and Recapture Terms

Subject to the terms and conditions contained in this Agreement, disbursement of the Grant Funds is as follows:

- (a) ESD shall pay the County for reimbursement to the Developer for Project expenditures incurred by the Developer as set forth in Exhibit E of the Project Agreement. A single disbursement shall be made upon submittal to ESD of a Payment Requisition Form, attached as Exhibit F to the Project Agreement, together with such supporting documentation as ESD may reasonably require. The Developer will provide the County with the required documentation as needed and assist the County with preparing the Payment Requisition Form.
- (b) In no event will ESD or the County make any payment that would cause ESD's aggregate disbursements to exceed the Grant Amount.
- (c) The Grant, or a portion thereof, may be subject to recapture by ESD as provided for in Exhibit C of the Project Agreement, in the event (i) Developer shall transfer fee title to the property benefited by the Project to an entity not affiliated with the Developer; or (ii) in the event Developer an event of default under Section 9 of the Project Agreement shall have occurred and continue without cure..

6. Hold Harmless

The Developer acknowledges and agrees that the services to be provided pursuant to the terms of this Agreement are provided as an independent contractor and not as an agent or as employees of the County or ESD. Accordingly, the Developer agrees to indemnify and hold harmless ESD and the County, their agents, officers, directors and employees, from and against any and all claims or causes of action, including reasonable attorneys' fees and expenses incurred by ESD or the County in connection with a defense of any such claims or causes of action, which may arise as a consequence of any act or omission on the part of the Developer, its agents or employees the occur during the performance of the services to be provided for the

Project under this Agreement. The Developer further agrees to cause its contractors performing work on the Project to maintain during the term of this Agreement such Workers' Compensation and Disability Insurance coverage as may be required by law.

Additionally, the Developer shall maintain or cause its contractors performing work on the Project to maintain during the term of this Agreement Commercial General Liability Insurance providing both bodily injury (including death) and property damage insurance in a limit not less than One Million Dollars (\$1,00,000) per occurrence, Two Million Dollars (\$2,00,000) aggregate and Three Million Dollars (\$3,000,000) umbrella. All insurance required in this Section shall be issued by companies authorized to do business in the State of New York, satisfactory to ESD and the County pursuant to policies satisfactory to ESD and the County in form and substance. Without limiting the generality of the foregoing, the policies of insurance required hereby shall provide for thirty (30) days, or ten (10) days for non-payment, prior written notice of cancellation to County and ESD.

Additional individuals may be designated in writing by the parties for purposes of implementation and administration/billing, resolving issues and problems and/or for dispute resolution.

8. Responsibility Provisions

- (a) The Developer shall at all times during the term of this Agreement remain a responsible and going business concern. Accordingly, the Developer agrees, if requested by the County or ESD, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capability.
- (b) The President and Chief Executive Officer of ESD or his or her designee, in his or her sole discretion, has reserved the right to suspend any or all activities under the Project Agreement, at any time, when he or she discovers information that calls into question the responsibility of the County or the Developer. In the event of such suspension, the County will be given written notice outlining the particulars of such suspension. The County will forward such notice to the Developer. Upon issuance of such notice, to support entitle to Grant Funds, the County and Developer must comply with the terms of the suspension order.
- (c) Upon written notice to the County, and a reasonable opportunity to be heard with appropriate ESD officials or staff, the Project Agreement may be terminated by the President and Chief Executive Officer of ESD or his or her designee at the Developer's expense where the Developer is determined by the President and Chief Executive Officer of ESD or his or her designee to be non-compliant with Section 7 of the Project Agreement. In such event, the Developer shall hold the County harmless from any costs or expenses incurred by it arising from such termination.

9. Representations, Warranties and Covenants

The Developer represents, warrants and covenants that:

- (a) It has full power and authority to execute and deliver this Agreement and to perform its obligations hereunder.
- (b) This Agreement was duly authorized, executed and delivered by the Developer and is binding and enforceable against the Developer in accordance with its terms.

- (c) It is a duly organized limited liability company , validly existing and in good standing under the laws of the State of New York, has the corporate power and authority to own its assets and to transact the business in which it is now engaged or proposed to be engaged and is duly qualified as a foreign corporation and in good standing under the laws of each other jurisdiction in which such qualification is required and shall maintain its corporate existence in good standing in each such jurisdiction.
- (d) There are no actions, suits or proceedings or, to the knowledge of the Developer, threatened against, or affecting Developer before any court, governmental entity or arbitrator, which may, in any one case or in the aggregate, materially adversely affect the financial condition, operations, properties or business of the Developer, except as may have been disclosed in writing to the County.
- (e) Developer is in compliance and shall continue to comply in all material respects with all material applicable laws, rules, regulations and orders.
- (f) The information contained in the application submitted by the County and prepared by the Developer in connection with the Project and the Grant, as such application may have been amended or supplemented (the "Application"), is incorporated herein by reference in its entirety and made part hereof. In the event of an inconsistency between the descriptions, conditions, and terms of this Agreement and those contained in the Application, the provisions of this Agreement shall govern. The Developer hereby acknowledges that ESD and the County has relied on the statements and representations made by the Developer in the Application in making the Grant. The Developer hereby represents and warrants that it has made no material misstatement or omission of fact in the Application or otherwise in connection with the Grant and, except as otherwise disclosed in writing to ESD, there has been no adverse material change in the financial condition of the Developer from the date of submission of the Application to the date hereof and that all other information contained in the Application continues on the date hereof to be materially correct and complete.
- (g) The Developer covenants that it will neither hold itself out as nor claim to be an officer, employee, agent or representative of the County or ESD or the State by reason hereof, and that it will not by reason thereof, make any claim, demand or application for any right or privilege applicable to an officer, employee, agent or representative of the County, ESD or State, including without limitation, worker's compensation coverage, unemployment insurance benefits, social security coverage or retirement membership or credit.
- (h) Neither the Developer or any of its members or its employees have given anything of value to influence any official act or the judgement of any persons in the award of the Grant or the performance of any of the terms of this Agreement.
- (i) It shall maintain business operations at its business offices for the term of this Agreement.
- (j) The Grant shall be used solely for Project expenses in accordance with the terms of this Agreement.
- (k) The Developer is solely responsible and has sufficient funding for all Project costs in excess of the Grant.
- (l) The Developer will use ESD grant funds, and submit payment requisitions, exclusively for eligible expenses related to capital works or purposes in accordance with IRS rules and regulations relating to ESD's bonds and in accordance with the New York State Debt Reform Act. The Developer acknowledges that grant funds must be used solely for authorized

capital purposes and not for operating expenses or other working capital items or non-capital purposes, irrespective of whether the funds are still used for the benefit of the Project. The Developer acknowledges that the consequences of breaching this covenant could result in violations of state law and/or large bond issuances being treated as taxable instead of tax exempt for federal and state tax purposes, loss of certain federal subsidies to the state, adverse ratings changes for such bonds, and disproportionate negative financial consequences to the state and bondholders. The Developer recognizes its financial obligations, risks and liabilities for breach of this covenant. ESC and the County may, from time to time, request information from the Developer to confirm its compliance with this covenant and the Developer acknowledges its obligation under Section 10 (a)(ii) of the GDA to provide information upon request to ESD and the County.

- (m) The Grant shall not be used in any manner for any of the following purposes:
 - (i) Political activities of any kind or nature, including, but not limited to, furthering the election or defeat of any candidate for public, political or party office, or for providing a forum for such candidate activity to promote the passage, defeat, or repeal of any proposed or enacted legislation;
 - (ii) Religious worship, instruction or proselytizing as part of, or in connection with, the performance of this Agreement;
 - (iii) Payments to any firm, company, association, corporation or organization in which a member of the Developer, or any officer or employee of the Developer, or member of the immediate family of any member of the Developer, officer or employee of the Developer has any ownership, control or financial interest. For purposes of this paragraph, "ownership" means ownership, directly or indirectly, of more than five (5) percent of the assets, stock, bonds or other dividend or interest bearing securities; and "control" means serving as a member of the board of directors or other governing body, or as an officer in any party of the above; and
 - (iv) Payment to any member of the Developer of any fee, salary or stipend for employment or services, except as may be expressly provided for in this Agreement.
- (n) Developer is in compliance and shall continue to comply with Section 7 of the Project Agreement.
- (o) Developer agrees, warrants and represents that the County or ESD has not made any promises warranties or representations, either express or implied, oral or in writing, of any nature, kind or description, that the Developer will be accorded any form of grant or other financial assistance or accommodation, other than the specific form of assistance that is described and referred to herein and/or is specifically set forth in Exhibit 1. To the contrary, the County or ESD has not made any promises, warranties or representations, either orally or in writing, of any nature, kind or description other than those, if any, that are set forth in the writings that are being executed in connection with the transaction that is described and referred to herein. Developer further agrees, warrants, and represents that it has the ability, including without limitation, the financial ability to meet all of the obligations that are set forth in the documents that are being executed at the closing of this transaction and that it is aware of no facts or conditions that would serve to limit or otherwise interfere with its ability to meet all of its obligations and requirements, as set forth herein. Developer agrees, warrants and represents, still further: (a) that the closing on this transaction, i.e., the date

set forth by the last signatory to this Agreement, has taken place in a timely manner, consistent with its needs and requirements; (b) that it has no claims or causes of action against the County or ESD of any nature, kind or description, including without limitation, any claims or causes of action pertaining to the manner and/or timing of the closing of the referenced transaction and the disbursement of the funds that are to be accorded to the Developer thereunder, and that to the extent that it does or did have such claims or causes of action, those are in all respects fully and finally waived and released; and (c) that Developer knows and understands that the County and ESD is relying upon the truthfulness and accuracy of the Developer's agreements, warranties and representations as set forth herein.

10. Default and Remedies

- (a) Each of the following shall constitute a default by the Developer under this Agreement:
- (i) Failure to perform or observe any obligation or covenant of the Developer contained herein, to the reasonable satisfaction of ESD and the County and within the time frames established under this Agreement.
 - (ii) Failure to comply with any request for information reasonably made by the County or ESD to determine compliance by the Developer with the terms of this Agreement or otherwise reasonably requested by ESD in connection with the Grant.
 - (iii) The making by the Developer of any false statement or the omission by the Developer to state any material fact in or in connection with this Agreement or the Grant.
 - (iv) A default beyond any applicable grace period by the Developer, or any entity which the Developer directly or indirectly controls, is controlled by, or is under common control with, under any other agreement with the County or ESD.
 - (v) Any manifestation, on the part of the Developer, of an intention either: (x) to terminate and/or (y) to restructure, under the terms of any bankruptcy or insolvency statute or law, its business at the Project Location. This includes, without limitation, the announced or actual cessation of business activities at the Project Location, the initiation of proceedings under any dissolution statute, or the execution of an assignment for the benefit of creditors, or the solicitation of any composition and/or arrangement with creditors, or the issuance of "closing" or "termination" notices to employees under any state or federal statute, or the filing of any voluntary petition under any chapter of the United States Bankruptcy Code, or the failure by the Grantee to obtain the dismissal, within sixty (60) days of filing, of any involuntary proceeding brought under any chapter of the United States Bankruptcy Code.
 - (vi) Failure by the Developer for any period of time to comply with Section 8 of this Agreement.
- (b) Upon the serving of notice to the Developer of the occurrence of a default (which notice shall specify the nature of the default), the County shall have the right to terminate this Agreement, provided however, that if the default is pursuant to paragraph 10(a)(i) or 10(a)(ii), no default shall be deemed to have occurred if Developer cures such default within

ten (10) days of notice of default from the County or ESD, or if the default pursuant to paragraph 10(a)(i) or 10(a)(ii) cannot be reasonably cured with such a ten day period, Developer commences to cure such default within the ten day cure period and cures the default within ninety (90) days thereafter, provided further that ESD or the County shall not be obligated to make any disbursements during any such cure period. Defaults occurring under the terms and provisions of paragraph 10(a)(iii), 10(a)(iv), 10(a)(v) and 109(a)(vi) are not subject to the cure provided herein.

11. No Assignment

The Developer may not assign or transfer this Agreement or any of its rights hereunder to a person or entity that is not affiliated with the Developer without the consent of the County, which consent if required shall not be unreasonable, withheld, conditions or delayed.

12. No Waiver

No waiver of any County or ESD rights arising under this Agreement, or any source, can occur unless such waiver shall be in writing and signed by County and/or ESD and such written documents manifests a clear and unequivocal intent by County and/or ESD to waive its contractual or other legal rights. The term "waiver" as used herein is a term of art as used in the legal profession. County and/or ESD may not be estopped from asserting any of its legal rights, including by not limited to its rights under this agreement, unless County and/or ESD has signed a written document that clearly and unequivocally states that the other party may detrimentally rely upon the term of such written document. Absent such written document, there shall no estoppel against County and/or ESD and the other parties' alleged detrimental reliance shall be deemed to be unreasonable. The term "estoppel" is used herein as a term of art as used in the legal profession.

13. Integration/Modification

- (a) This Agreement contains the entire agreement of the parties with respect to the subject matter hereof and supersedes all prior oral or written agreements or statements relating to such subject matter. In addition, this Agreement may be modified only by a written instrument executed by the party against whom enforcement of such modification is sought.
- (b) The Developer's representations and warranties, as set forth in section 9(o) herein, are repeated and reiterated and are made part of this Section 13 of this Agreement. Furthermore, the Developer acknowledges and agrees that County has made not representations, either oral or in writing, other than those that are set forth in this Agreement. Specifically, the Developer acknowledges and agrees that County has made no promises, warranties or representations, of any nature, kind or description: (a) that the Project will and/or can be, the assistance received from the County notwithstanding, successful; and (b) that the Developer will be able, following the closing of this transaction, i.e., the date set forth by the last signatory to the Agreement, to obtain the particular complement of personnel, and/or any other resource, material or item that its business requires. To the contrary, the Developer acknowledges, agrees, warrants and represents to the County that it has, prior to the consummation of this transaction, engaged in its own

complete and comprehensive due diligence inquiry with respect to all aspects of the Project, including without limitation the suitability of the Project Location, the probability of the Project's success at that location and its ability to obtain, at the Project Location, the particular complement of personnel and/or any other resource, material or item that its business requires and/or will in the future require. The Developer acknowledges and agrees and specifically represents to the County that it is not relying upon any statements or representations from the County, oral or otherwise, regarding any such matters, and/or about any other aspect of the Project. Any such reliance by the Developer, which understands and full accepts any and all risks that it is undertaking in connection with the Project, and its absolute responsibility as Developer to fulfill all of its obligations under the Agreement, including without limitation its obligation to fulfill all job creation/retention goals, would be and is unreasonable.

14. Non-Discrimination and Contractor & Supply Diversity

The Developer will comply with ESD's Non-Discrimination and Contractor & Supplier Diversity policies as set forth in Exhibit G of the Project Agreement.

15. Books and Records, Project Audit

- (a) The Developer will maintain accurate books and records concerning the project for the term of this Agreement and for three (3) years from the expiration or earlier termination of this Agreement and will make those books and records available to the County, ESD, their agents, officers and employees during the Developer's business hours upon reasonable request.
- (b) The County and ESD shall have the right, upon reasonable notice, to conduct, or cause to be conducted, one or more audits, including field inspections, of the Developer to assure that the Developer is in compliance with this Agreement. This right to audit shall continue for three (3) years following the expiration or earlier termination of this Agreement.
- (c) In the event that the Developer fails, during the period following the expiration or earlier termination of this Agreement, to comply with the terms of this Section 15, including without limitation failing to accord the County and/or ESD the ability to conduct field inspections and audits, the County and ESD shall have the right to recover all its costs, inclusive of attorneys' and other related professional fees, incurred in order: (i) to compel the production of books and records; (ii) to conduct field inspections and audits; and (iii) to assess and evaluate the Developer's business and, inter alia, the manner in which the funds provided under the Agreement were employed. Such recovery shall be in addition to, and not in lieu of, any sums to which the County and ESD is and/or was entitled to recapture under the terms of Section 10 hereof, and Exhibit B of this Agreement, including without limitation section 10 (a)(ii), resulting from the Developer's pre-expiration/termination default.

16. Survival of Provisions

It is agreed that: (a) the provisions of Sections 6, 7, 9(g), (j) and (l) (except insofar as any of the aforesaid Sections have been waived) shall survive the expiration or early termination of this Agreement; and (b) such expiration or early termination shall not serve to limit, alter or modify any of the Developer's obligations or responsibilities under the aforesaid

Sections, and/or the County's and/or ESD's rights under such Sections, referenced in subsection (a) of this Section 16 of this Agreement. It is further agreed, moreover, that notwithstanding the expiration or early termination of this Agreement, the County and ESD shall nevertheless retain the right to pursue, through and until the expiration of any applicable period of limitations established under the statutory or common law of the State of New York, any claim or claims arising from any Section of this Agreement, including but not limited to the above referenced Sections of this Agreement, and the expiration or early termination of this Agreement shall not constitute a defense to any such timely filed claim or cause of action that is asserted on the County's or ESD's behalf.

17. Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the State of New York. This Agreement shall be construed without the aid of any presumption or other rule of law regarding construction against the party drafting this Agreement or any part of it. In case any one or more of the provisions of this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision hereof and this Agreement shall be construed as if such provision(s) had never been contained herein. In the event of a conflict between the materials attached hereto as Exhibit A and any other term or condition of this agreement, then the term of condition of this Agreement shall govern.

18. Confidentiality of Information

Information contained in reports made to the County and ESD or otherwise obtained by the County or ESD relating to trade secrets, operations and commercial or financial information, including but not limited to the nature, amount or source of income, profits, losses, financial condition, marketing plans, manufacturing processes, production costs, productivity rates, or customer lists, provided that such information is clearly marked "Confidential" by the Developer, will be kept confidential by the County and ESD, to the extent such information is determined by the County or ESD to be exempt from public disclosure under the Freedom of Information Law and not otherwise required by law to be disclosed.. Notwithstanding the foregoing, the County and ESD will not be liable for any information disclosed, in the County's or ESD's sole discretion, pursuant to the Freedom of Information Law or other applicable law, or which the County or ESD is required to disclose pursuant to legal process.

19. Special Provisions

The Contractor shall comply with the special provisions, if any, set forth in Exhibit I of the Project Agreement.

20. Litigation Costs

The Developer shall pay, in any action or proceeding that is commenced to enforce and/or involves the enforcement of the terms and conditions of this Agreement, all of the County's and ESD's costs including, without limitation, County Attorney and ESD attorney's fees. The Developer shall also pay any and all of ESD's collection costs, including, without limitation, its' attorney's fees.

21. Venue

In the event either the County or the Developer shall initiate litigation against the other party to protect or enforce any right or benefit in favor of such party under the terms of this agreement, the parties hereby mutually agree that the Supreme Court of the State of New York shall exercise exclusive jurisdiction over such litigation, and that the venue of the same shall be the County of Rensselaer.

22. Waiver

The Developer knowingly and expressly waives the right to a trial by jury and the right to interpose any counterclaim in any action brought by ESD or the County under the terms of this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day and year first above written.

The GIVE initiative is a critical component of the State's violence prevention and reduction strategy. Thank you for your partnership to help keep New Yorkers safe. Please find attached the approved budget for the funded agencies within your county. If you have any programmatic questions, please contact the DCJS Office of Public Safety (OPS) at LESAU@dcjs.ny.gov Your DCJS Office of Program Development and Funding (OPDF) Public Safety Grants Representative will be reaching out shortly with the next steps.	

We look forward to working with you in our continued efforts to safeguard the health and safety of all New York residents and visitors.

^[1] The award amount listed above is contingent upon the completion and submission (as applicable) of all contractual obligations as well as approval by the NYS Division of Budget and execution of the grant contract by the NYS Office of the State Comptroller.

Introduced by Legislator(s) Grant, Maloney, Weaver

Sent To: Judiciary & Public Safety

Committee

Date August 11, 2026

Resolution No. G/7/26

**RESOLUTION AUTHORIZING THE ACCEPTANCE OF GRANT AWARDS FROM THE NEW YORK
STATE DIVISION OF CRIMINAL JUSTICE SERVICES FOR THE AID TO DEFENSE
SUPPLEMENTAL AND AID TO DEFENSE FOR DISCOVERY REFORM AND AMENDING
THE 2026 RENSSELAER COUNTY ADOPTED BUDGET -
PUBLIC DEFENDER AND CONFLICT DEFENDER**

WHEREAS, This Resolution is filed with the Rensselaer County Legislature by the Rensselaer County Executive; and

WHEREAS, The Rensselaer County Public Defender and the Rensselaer County Conflict Defender have been awarded two grants from the New York State Division of Criminal Justice Services (Aid to Defense - Supplemental and Aid to Defense for Discovery Reform) which will be combined, in the total amount of \$624,847.00, for the period commencing April 1, 2026 through March 31, 2027; and

WHEREAS, The awards will be utilized to support public defense services related to discovery reform implementation, including but not limited to digital evidence transmission technology, administrative support, computers, hardware and operating software, data connectivity, development of training materials, staff training, additional personnel or increased compensation to reflect additional responsibilities related to discovery, overtime costs, and litigation readiness; and

WHEREAS, These two combined grants will enhance the County's abilities to adequately address the increased burden on staff and existing resources that have resulted from discovery reform; and

WHEREAS, The grant provides funds for additional personnel (including applicable fringe benefits), supplies, office furniture, technology, computer programming, publications, training and support services for the Public Defender and Conflict Defender; and

WHEREAS, All purchases made under this grant, will be made in accordance with the policies and procedures set forth in the Rensselaer County Purchasing Guidelines; and

WHEREAS, That any positions, salary enhancements, stipends, benefits, programs, expenditures and/or agreements or contracts authorized or established pursuant to this resolution shall terminate and cease upon discontinuance of said funding; now, therefore, be it

RESOLVED, That the Rensselaer County Executive, or his designee, is authorized to sign the above referenced grant awards, together with any and all documents for such grant award, including any and all no cost extensions of such grant award, subject to the approval as to form by the Rensselaer County Attorney; and, be it further

RESOLVED, That the 2026 Rensselaer County Adopted Budget shall be and hereby is amended as follows:

Grant Award Notice

Grantee/Contractor: Rensselaer County	Date: March 16, 2026
Program Name: Aid to Defense - Supplemental	Award Amount: \$290,441 ¹
Signatory Name and Title: Steven McLaughlin County Executive	Term Dates: 4/1/26 – 3/31/27
Email: smclaughlin@rensco.com	SFS Vendor ID No.: 1000002434
Program Description:	
The Division of Criminal Justice Services (DCJS) is pleased to provide this award letter to your county for the State's Aid to Defense Supplemental Program from State Fiscal Year (SFY) 2026-27. Consistent with the appropriation, DCJS requires that recipients be able to account for every dollar expended and will be required to report on expenditures on a recurring basis. Please ensure there is no duplication of funding with any future amounts provided for this same purpose, and the tracking for such funds can account for that separation in sufficient detail. The funding must be used to help offset the cost of public defense services that your county incurred on or after the start of SFY 2026-27 (April 1, 2026). Ideally, all eligible expenses should occur within the period. However, funds may continue to be utilized until the award is fully exhausted. Please be aware that all expenses must be for allowable items and cannot be comingled with other funding. DCJS requires that the funded agency(s) be able to fully account for every dollar expended. Please see the attached document explaining the new options and reporting requirements on this funding program.

Sent To: Agriculture

Committee

Date August 11, 2026

Resolution No. G/9/26

RESOLUTION MODIFYING AND ADOPTING AGRICULTURAL DISTRICT #5 (SCHAGHTICOKE AND PITTSTOWN) AS A RESULT OF THE EIGHT YEAR REVIEW OF SAID DISTRICT

WHEREAS, Pursuant to Article 25-AA of the Agriculture and Markets Law of the State of New York, and pursuant to the procedures and timetable set forth by the Department of Agriculture and Markets, the County Planning Department and the County Agricultural and Farmland Protection Board have filed their joint recommendations, relative to the eight year review of this Agricultural District with this Legislature; and

WHEREAS, This Legislature did hold a Public Hearing on the proposed modifications to said district recommended by the County Planning Department and the Agricultural and Farmland Protection Board on August 11, 2026; now, therefore, be it

RESOLVED, That in accordance with subdivision 7 (b) of Section 303 of the Agriculture and Markets Law of the State of New York, this Legislature does find as follows:

(1) within the district as recommended to be modified, the number of participating farms and farm acreage thereof is consistent with and substantially furthers the objective of encouraging and protecting viable farming in the area, for which Agricultural District No. 5, was originally created; and

(2) the district has since its creation been of substantial assistance to a majority of participating farmers in maintaining an active farm economy in the area; and

(3) continuation of this district is consistent with the County's important agricultural economy and predominantly rural pattern of development; and

(4) the district deters local government adoption of land use regulations unduly restrictive of normal farm activities, supports orderly patterns of community development, and helps to sustain active farming for its important economic and environmental values; and, be it further

RESOLVED, That in accordance with Section 303 of the Agriculture and Markets Law of the State of New York, this Legislature has deliberated on said District and modifications, and does hereby adopt the proposed modifications of Agricultural District No. 5 in the County of Rensselaer for a period of eight years, as follows:

TOTAL ACREAGE REMOVED: 0

As recommended, the following parcels should be added to Agricultural District No. 5:

Agricultural District No. 5 (Schaghticoke-Pittstown Agricultural District) be recertified for an additional eight-year period.

Tax Map No.	Owner	Acres
71.-2-4.111	Roy Dusenberry	14.51
40.-1-29	Katrina Hiser	3.09
40.-1-28	Katrina Hiser	2.84
30.-3-14.111	Evan Schanz	20
32.-3-12.11	Copses Farms LLC	67.76

TOTAL ACREAGE ADDED: 108.2

; and, be it further

RESOLVED, That the Clerk of this Legislature be, and is hereby directed to submit said proposal to the Commissioner of Agriculture and Markets with such reports, maps, materials, and documentation as required by law; and, be it further

RESOLVED, That the Clerk of this Legislature shall forward certified copies of this resolution to the Commissioner of the Department of Agriculture and Markets at Albany; to the Commissioner of the Department of Environmental Conservation; to the Director of the Rensselaer County Planning Department; to the Chairman of the Rensselaer County Agricultural and Farmland Protection Board; to the Director of the Rensselaer County Real Property Tax Service Agency; and to the Rensselaer County Cooperative Extension Agent.
