WHEREAS, In 1965 the State of New York delegated this state responsibility to counties; and

WHEREAS, The decision to place responsibility at the county level in the State of New York has resulted in a system by which the county and local property taxpayers are burdened with most costs for this state responsibility; and

WHEREAS, The shift of costs for this state mandated service has become so imbalanced that the counties of New York now cover more than 80% of the cost; and

WHEREAS, Implementation of the constitutional right to counsel under *Gideon* is a state, not county, obligation; and

WHEREAS, In 2015 New York State entered into an agreement to settle the *Hurrell-Harring vs. State of New York* lawsuit and since has begun to expend substantial amounts of State funds to create a more equitable system of indigent representation in only the five settlement counties, therefore creating an unequal system of justice in the remaining counties of the State; and

WHEREAS, The Hurrell - Harring settlement requires the parties involved in the suit to provide additional indigent defense services and costly increases including first arraignment counsel, case load caps for public defenders, and additional staff and support for public defenders; and

WHEREAS, By entering into such agreement and funding additional services in only the five settlement counties, the State acknowledges that it is constitutionally required to fund public defense services for mandated representation; and

WHEREAS, Requiring counties subject to a State-imposed tax cap to finance the State's obligation to provide public defense services imposes a significant and unsustainable financial burden on counties dependent on real property taxes to fund needed services; and

WHEREAS, In the 2016 State Legislative Session the New York State Senate and Assembly passed historic legislation entitled Public Defense Mandate Relief Act (S.8114/A.10706), which will require New York State to reimburse all counties for expenditures made fulfilling the state's obligation to provide representation for those financially unable to afford counsel commencing in 2017 and incrementally reaching 100% by 2023 and thereafter; and

WHEREAS, The State Senate and the State Assembly recognized and addressed this need by passing the Public Defense Mandate Relief Act; and

WHEREAS, On December 31, 2017, Governor Cuomo vetoed the Public Defense Mandate Relief Act (S.8114/A.10706); and in the Governor's veto message, he states this legislation would unfairly shift this tax burden from the counties to the state, when the opposite is true in that the state has been shifting these federally-mandated costs to the counties since 1965; now, therefore, be it

RESOLVED, That this Legislative Body supports the call from NYSAC for the Governor to reform indigent legal services and provides mandate relief that lowers costs for county property taxpayers; and, be it further

RESOLVED, That the Clerk of this Legislative Body is hereby directed to transmit a copy of this resolution to Governor Andrew Cuomo, State Senate Kathleen Marchione, State Senator Neil Breslin, Assemblyman Steve McLaughlin and Assemblyman John McDonald.
