## RESOLUTION COMMENDING HERRINGTON FARMS FOR HAVING THEIR EXCEPTIONAL ACHIEVEMENTS IN FORAGE PRODUCTION AND AGRICULTURAL INNOVATION PUBLISHED IN THE JUNE 2025 EDITION OF THE MILKWEED

**WHEREAS**, Herrington Farms, Inc., located in Troy, New York, has operated as a fourth-generation family-run dairy farm dedicated to excellence in agricultural production and innovation; and

**WHEREAS**, In the fall of 2021, Herrington Farms earned unprecedented recognition by achieving a rare "double win" at the World Dairy Expo (WDE) Forage Analysis Superbowl, placing first in both the BMR corn silage and conventional corn haylage competitions – the first time a single farm has won both categories in the same year; and

**WHEREAS**, These achievements gained recognition in the June 2025 edition of the Milkweed, dairy's best source for news and analysis; and

**WHEREAS**, The family's award-winning BMR corn silage scored highest among 342 entries, with superior digestibility and nutrition that support exceptional milk production; and

**WHEREAS**, Herrington Farms was also recognized for their alfalfa haylage sample, showcasing their commitment to producing high-quality forage using a blend of progressive and traditional methods, including precision management, sustainability, and responsible nutrient input strategies; and

**WHEREAS**, The success of Herrington Farms is attributed to the dedication of Jason Herrington, who tragically passed away in March 2025, as well as to the commitment of his family members Ken, Phil, and Jessica Herrington, and their loyal employees, who continue to advance the legacy of this family farm; and

**WHEREAS**, Herrington Farms manages approximately 2,000 acres of crops, provides nutrient-dense feed to its herd of over 700 Holstein dairy cows, and maintains an impressive standard of production and herd health while implementing conservation-minded practices such as nutrient recycling and soil health management; and

## RESOLUTION COMMENDING THE CITY OF RENSSELAER ON RECEIVING A BROWNFIELD OPPORTUNITY AREA DESIGNATION AND SUPPORTING EFFORTS TO REVITALIZE BROWNFIELDS AND THE HUDSON RIVERFRONT

**WHEREAS,** The City of Rensselaer was recently designated a Brownfield Opportunity Area (BOA) by the New York State Department of State, following years of planning and the successful completion of a comprehensive application process; and

**WHEREAS,** The Brownfield Opportunity Area designation will allow the City of Rensselaer to access critical state resources, including technical assistance, grants, and tax incentives, to identify, assess, and redevelop underutilized, abandoned, or environmentally challenged properties, including former industrial and transportation sites; and

**WHEREAS,** The designation includes 29 potential redevelopment sites in Rensselaer's downtown and riverfront corridors, and is a vital step in attracting new investment, expanding housing and commercial opportunities, and improving quality of life for city residents and visitors; and

**WHEREAS,** The Rensselaer County Legislature recognizes the importance of redeveloping the Hudson River waterfront in a way that supports both economic development and public access, and believes the BOA designation will help further these goals; and

**WHEREAS,** The Legislature also recognizes the opportunity presented by the planned reconstruction of the Livingston Avenue Bridge, which connects the City of Rensselaer to the City of Albany, and supports the incorporation of pedestrian and bicycle access into the bridge's final design; and

**WHEREAS,** The County strongly supports the completion and integration of a continuous riverfront trail between the cities of Rensselaer and Troy, which would provide recreational and transportation benefits for residents throughout the region and further enhance the redevelopment potential of waterfront brownfield sites; now, therefore, be it

**RESOLVED,** That the Rensselaer County Legislature hereby commends Mayor Michael Stammel and the City of Rensselaer on achieving a Brownfield Opportunity Area designation from New York State, and offers its full support for the city's ongoing efforts to redevelop brownfield sites and revitalize the waterfront by including riverfront trail access in those areas ; and, be it further

**RESOLVED**, That the Legislature encourages the City of Rensselaer and relevant state and federal agencies to continue working toward the creation of a riverfront trail connecting Rensselaer to Troy and to ensure that pedestrian and bicycle infrastructure is included in the final design of the new Livingston Avenue Bridge, thereby promoting accessibility, connectivity, and regional growth.

## RESOLUTION RECOGNIZING THE MONTH OF AUGUST AS NATIONAL WATER QUALITY MONTH

**WHEREAS**, Access to clean water is a basic human right and we all share responsibility for keeping our communities' waterways clean and healthy; and

**WHEREAS**, The United Nations has declared August to be National Water Quality Month in order to bring awareness to the importance of water as people enjoy lakes, rivers and ocean waters during the summer months; and

**WHEREAS**, In 2005 the Environmental Protection Agency (EPA) declared August as National Water Quality Month after the Clean Water Act (1972) and the Safe Water Drinking Act (1974) were passed and supported by the United Nations; and

**WHEREAS**, According to the most recent National Rivers and Streams Assessment and National Lakes Assessment from the EPA, 35-40% of the nation's waterways are in "poor biological condition" due to phosphorus, nitrogen, mercury, heavy metals, vegetation removal and sediments; and

**WHEREAS**, The Infrastructure Investment and Jobs Act of 2021 provides \$5 billion towards eliminating contaminants in our waterways and drinking water across the United States over the next four years; and

**WHEREAS**, Water quality is a global problem as well as a local problem, as Rensselaer County has had ground water contamination. Understanding, awareness, and becoming involved in the protection of our waterways are key to keeping our water free of widespread contaminants; and

**WHEREAS**, Everyone can help by participating in National Water Quality Month by understanding the economic value of water, addressing pollution issues and contaminants, and getting involved in their community by taking steps towards cleaning up waterways and conserving water; now, therefore, be it

**RESOLVED**, That the Rensselaer County Legislature does hereby recognize August 2025 as National Water Quality Month in Rensselaer County.

## RESOLUTION URGING GOVERNOR KATHY HOCHUL TO REVERSE HER DECISION TO ALLOCATE \$50 MILLION IN TAXPAYER FUNDS FOR LEGAL EXPENSES OF INDIVIDUALS IN THE UNITED STATES ILLEGALLY

**WHEREAS,** The primary responsibility of government is to protect the safety, welfare, and interests of its law-abiding citizens; and

**WHEREAS,** New York Governor Kathy Hochul recently announced the allocation of \$50 million in state funds to pay for legal services for individuals who are in the United States illegally and are facing deportation for violating federal immigration laws; and

**WHEREAS,** Just hours after this announcement, a tragic and deeply troubling incident occurred in Albany where U.S. Attorney John Sarcone III was attacked by a knife-wielding man while walking in Downtown Albany; and

**WHEREAS,** The suspect charged with menacing of U.S. Attorney Sarcone is reportedly a man who is in the country illegally, had been previously deported, and had criminal charges pending in at least three different states; and

**WHEREAS,** This disturbing incident highlights the serious public safety risks posed by the intentional disregard and failure to enforce existing immigration laws, risks which are further compounded by the Governor's decision to provide taxpayer-funded legal assistance to individuals who are in the country unlawfully; and

**WHEREAS,** The \$50 million earmarked for legal defense of non-citizens facing deportation could be far better spent addressing critical needs within New York State, including funding for children's programs, senior services, veteran support, mental health initiatives, infrastructure, crime victims, and public safety; and

**WHEREAS,** The residents of Rensselaer County and New York State overwhelmingly expect their tax dollars to be used responsibly and to benefit law-abiding residents and communities; now, therefore, be it

**RESOLVED,** That the Rensselaer County Legislature strongly urges Governor Kathy Hochul to immediately reverse her decision to allocate \$50 million for legal aid to individuals who are in the United States illegally and facing deportation; and, be it further

**RESOLVED**, That the Rensselaer County Legislature calls upon the Governor and state lawmakers to redirect those funds to essential services that benefit New York's law-abiding citizens, including children, seniors, veterans, mental health initiatives, infrastructure, public safety, crime victims, and those in need of public assistance; and, be it further

**RESOLVED**, That copies of this resolution be sent to Governor Kathy Hochul, the leaders of the New York State Senate and Assembly, and all members of the Rensselaer County state legislative delegation.

## RESOLUTION URGING NEW YORK STATE TO PRESERVE THE HISTORIC MARTIN DUNHAM RESERVOIR AND DAM IN GRAFTON LAKES STATE PARK

**WHEREAS,** The Martin Dunham Reservoir, located in the Town of Grafton, Rensselaer County, was constructed beginning in 1911 as a critical water supply for the City of Troy, reflecting the ambitious planning and regional importance of the project; and

**WHEREAS,** Over the past century, the dam and reservoir have evolved into a central feature of Grafton Lakes State Park, now owned and operated by New York State, and remains a valued environmental, recreational, and historical asset for residents of Rensselaer County and visitors from across the Capital Region; and

**WHEREAS,** Following an engineering analysis of the dam's condition, the structure was designated a High Hazard Dam, prompting the State to evaluate potential future actions, including the troubling option of decommissioning the dam, an action that would drain the reservoir and permanently alter the landscape and recreational opportunities of the area; and

**WHEREAS,** At the request of Legislators Bruce Patire and Jeff Wysocki, the New York State Office of Parks, Recreation and Historic Preservation hosted a public information meeting on June 11, 2025, at Tamarac High School to share findings, provide updates, and solicit public feedback regarding the dam's future; and

**WHEREAS,** A standing-room-only crowd of more than 200 residents attended the meeting and expressed overwhelming support for preserving the reservoir, citing its importance for kayaking, fishing, hiking, and peaceful enjoyment, as well as the popularity of its surrounding trail system with families and nature enthusiasts; and

**WHEREAS,** New York State has invested hundreds of millions of dollars into recreational complexes, stadiums, and various economic development initiatives, while a treasured and historically significant site like the Dunham Reservoir faces an uncertain future; and

**WHEREAS,** The Rensselaer County Legislature believes that preserving the Martin Dunham Reservoir and its dam is essential to honoring the region's history, protecting the environment, and maintaining access to quality outdoor recreation for current and future generations; now, therefore, be it

**RESOLVED**, That the Rensselaer County Legislature strongly urges Governor Kathy Hochul and Commissioner Pro-Tem Randy Simons of the New York State Office of Parks, Recreation and Historic Preservation to take all necessary steps to preserve the Martin Dunham Reservoir and Dam and to reject any proposal that would result in its decommissioning or draining; and, be it further

**RESOLVED**, That the Legislature calls upon state officials to ensure transparency and robust public engagement in all future decisions concerning this historic and cherished site; and, be it further

**RESOLVED**, That copies of this resolution be transmitted to Governor Kathy Hochul, Commissioner Pro-Tem Randy Simons, State Senator Jake Ashby, Assemblyman Scott Bendett, and all others deemed necessary by the Clerk of the Legislature.
