## RESOLUTION RECLASSIFYING ONE (1) POSITION AND AMENDING THE 2025 RENSSELAER COUNTY ADOPTED BUDGET - OFFICE OF THE RENSSELAER COUNTY SHERIFF

**WHEREAS**, This Resolution is filed with the Rensselaer County Legislature by the Rensselaer County Executive; and

**WHEREAS**, In January 2020, New York State replaced Article 240 of the CPL (Criminal Procedure Law) with a new discovery statute - Article 245, which requires discovery compliance with shortened timeframes and vastly expands the materials which are required to be turned over; and

**WHEREAS**, In response, prosecutors must use digital platforms to interface with law enforcement, courts and attorneys. This drastic change in prosecutorial procedure places enhanced responsibilities upon law enforcement agencies requiring a dedicated administrator to facilitate and supervise the agency's compliance with Article 245; and

**WHEREAS**, The Office of the Sheriff is seeking to reclassify a Senior Account Clerk position to create a Discovery Compliance Coordinator position to reflect the evolving needs of the department and the growing complexity of digital evidence management and discovery compliance requirements; and

**WHEREAS**, Among the duties of the new position are: managing the in-car video camera system, Digital Evidence Management System (DEMS), warrant management, facilitating transfer of digital evidence from the Sheriff's Office to the District Attorney's Office, oversee the Axon video suite, manage FOIL video related requests, and as liaison between the Records Management System (RMS) and its end users; and

**WHEREAS**, The funding of this one (1) position will not have a fiscal impact to the 2025 budget, due to the reclassifying of the position and by utilizing Personnel Savings achieved through the many vacancies at the Correctional Facility; now, therefore, be it

**RESOLVED**, That the above position be reclassified with an effective date on or about August 1, 2025; and, be it further

RESOLVED, That the 2025 Rensselaer County Adopted Budget shall be and hereby is amended as follows:

## RESOLUTION RECOGNIZING SEPTEMBER AS "CHILDHOOD CANCER AWARENESS MONTH" AND "RENSSELAER COUNTY GOES "GOLD" MONTH"

**WHEREAS,** This Legislative Body has a record of advocating for protection of the health, safety and quality of life of those who live and work in Rensselaer County; and

**WHEREAS,** The American Cancer Society reports that after accidents, cancer is the second leading cause of death in children ages 1 to 14; and

**WHEREAS,** Childhood Cancer Awareness Month is an annual international event that takes place in September to raise awareness and support for childhood cancers; and

**WHEREAS,** The gold ribbon is the international symbol for childhood cancer and many individuals will wear gold or a gold ribbon during the month of September to help raise awareness for pediatric cancer and honor or memorialize the children who have fought this disease; and

**WHEREAS,** Cancer in children and young people is relatively uncommon compared to adult cancers and can be quite different from cancers affecting adults because they tend to occur in different body parts and respond to treatment differently; and

**WHEREAS,** Because of major treatment advances in recent decades, 85% of children with cancer will now survive 5 years or more which is a huge increase since the mid-1970s, when the 5-year survival rate was about 58%; and

**WHEREAS,** Although progress has been made in combating pediatric cancer, many infants, children and teens will suffer from long-term side effects of comprehensive treatment, including secondary cancers; and

**WHEREAS,** There is significant progress that still must be made with regard to childhood cancer treatment; progress towards an effective treatment is painfully slow with dramatically fewer new FDA approved treatments for childhood cancer approved each year than for cancer in adults; and

**WHEREAS,** The designation of September as "Childhood Cancer Awareness Month" could increase the rate of early detection, lead to newer and improved treatments, and an overall higher survival rate for children diagnosed with the condition; and

**WHEREAS,** The County of Rensselaer wishes to support the fight against childhood cancer in any way possible so that we may give any child diagnosed with cancer the best chance possible; and

**WHEREAS,** "Rensselaer County Goes "Gold" Month" is an initiative intended to raise awareness of the issue of childhood cancers, and the Rensselaer County Legislature would like to support such a campaign to help raise awareness in honor of the young patients, their loved ones, and all those who support them; now, therefore, be it

**RESOLVED,** September 2025 is designated "Childhood Cancer Awareness Month" in the County of Rensselaer to promote awareness of pediatric cancer and to support the brave children who battle cancer every day; and, be it further

**RESOLVED,** That the Rensselaer County Legislature encourages participation in "Go Gold" in September by designating September "Rensselaer County Goes Gold" Month"; and, be it further

## RESOLUTION TURNING RENSSELAER COUNTY TEAL IN RECOGNITION OF OVARIAN CANCER AWARENESS MONTH

**WHEREAS,** "Turn The Towns Teal" is a national campaign to promote awareness of ovarian cancer, its subtle symptoms and risk factors; and

**WHEREAS,** Every woman has the risk of developing ovarian cancer. Many women don't seek help until the disease has begun to spread, but if detected at its earliest stage (Stage 1), the five-year survival rate is more than 93%; and approximately 13,270 will die a year; and

**WHEREAS,** There is no conclusive early detection test for ovarian cancer which is why this awareness campaign is so very critical; and

**WHEREAS,** Most new cases of ovarian cancer are diagnosed at Stage 3 or later, meaning the cancer has already begun to spread to the lymph nodes and outside of the pelvis; and

**WHEREAS,** "Turn The Towns Teal" is a national campaign to make women and men aware of ovarian cancer, its subtle symptoms and risk factors since it has been proven that "the earlier the diagnosis, the better the prognosis"; and

**WHEREAS,** During National Ovarian Cancer Awareness Month in September, volunteers from "Turn the Towns Teal" call attention to this disease by displaying biodegradable, USA-made ribbons in various locations like town centers, businesses, places of worship, neighborhoods and on individual properties; now, therefore, be it

**RESOLVED,** That September 2025 is hereby proclaimed Ovarian Cancer Awareness Month in Rensselaer County; and, be it further

**RESOLUTION URGING NEW YORK STATE TO PRESERVE THE HISTORIC MARTIN DUNHAM RESERVOIR AND DAM IN GRAFTON LAKES STATE PARK, AND TO UTILIZE AVAILABLE STATE AND FEDERAL FUNDS TO REPAIR AND PROTECT THIS VITAL RESOURCE**

**WHEREAS**, The Martin Dunham Reservoir, located in the Town of Grafton, Rensselaer County, was constructed beginning in 1911 as a critical water supply for the City of Troy, reflecting the ambitious planning and regional importance of the project; and

**WHEREAS**, Over the past century, the dam and reservoir have evolved into a central feature of Grafton Lakes State Park, now owned and operated by New York State, and remain a valued environmental, recreational, and historical asset for residents of Rensselaer County and visitors from across the Capital Region; and

**WHEREAS**, Following an engineering analysis of the dam's condition, the structure was designated a High Hazard Dam, prompting the State to evaluate potential future actions, including the deeply concerning option of decommissioning the dam, an action that would drain the reservoir and permanently alter the landscape, ecosystem, and recreational value of the area; and

**WHEREAS**, Just over three years ago, the New York State Office of Parks, Recreation and Historic Preservation (OPRHP) applied for FEMA funding to conduct a feasibility study for the decommissioning of the Martin Dunham Reservoir Dam; and

**WHEREAS**, On Thursday, July 24, 2025, members of the Legislature joined other elected officials and many members of the community who gathered at the Martin Dunham Reservoir for a rally to raise awareness about the importance of saving the dam and reservoir, successfully shining a media spotlight on this vital issue and uniting voices in support of preservation; and

**WHEREAS**, New York State has invested hundreds of millions of dollars into large-scale recreational and economic development projects, and it is both reasonable and necessary for the State to allocate a portion of its Environmental Protection Fund or other appropriate funding sources toward repairing and preserving the Dunham Reservoir and its dam; and

**WHEREAS**, The Rensselaer County Legislature also calls upon United States Senators Charles Schumer and Kirsten Gillibrand and other federal representatives to assist in securing FEMA or other federal funds to support the preservation of the dam and reservoir and to oppose any effort to use federal dollars for decommissioning the dam and reservoir; and

**WHEREAS,** The Rensselaer County Legislature believes that preserving the Martin Dunham Reservoir and its dam is essential to honoring the region's history, protecting the environment, and maintaining access to quality outdoor recreation for current and future generations; now, therefore, be it

**RESOLVED,** That the Rensselaer County Legislature strongly urges Governor Kathy Hochul and Commissioner Pro-Tem Randy Simons of the New York State Office of Parks, Recreation and Historic Preservation to take all necessary steps to preserve the Martin Dunham Reservoir and Dam and to reject any proposal that would result in its decommissioning or draining; and, be it further

**RESOLVED,** That the Legislature urges state officials to allocate Environmental Protection Funds or any other suitable funding sources to make the needed repairs to the dam and reservoir; and, be it further

**RESOLVED,** That the Legislature encourages United States Senators Charles Schumer and Kirsten Gillibrand and all relevant federal agencies to support the use of FEMA or other federal resources to repair and preserve the dam and reservoir, and to oppose the use of federal funds for decommissioning efforts; and, be it further

**RESOLVED,** That the Legislature calls upon state officials to ensure transparency and robust public engagement in all future decisions concerning this historic and cherished site; and, be it further

## Resolution No. P/337/25

### RESOLUTION URGING THE NEW YORK STATE DEPARTMENT OF TRANSPORTATION TO IMPLEMENT TRAFFIC MITIGATION MEASURES IDENTIFIED IN THE 2024 HOOSICK CORRIDOR ROAD STUDY

**WHEREAS,** Hoosick Road (New York State Route 7) is a critical transportation artery serving the Town of Brunswick, the City of Troy, and the broader Capital Region, functioning as a vital corridor for freight movement, tourism, and regional connectivity between Vermont and the New York State Thruway; and

**WHEREAS,** The Route 7 corridor has experienced a significant increase in commercial and residential development, including new supermarkets, fast food establishments, and apartment complexes, with additional projects currently under consideration; and

**WHEREAS,** While such development has contributed to local economic growth and increased municipal revenues, it has also resulted in substantial traffic congestion, with peak-hour travel times exceeding 12 to 15 minutes for a stretch of just 2.5 miles; and

**WHEREAS,** The corridor accommodates more than 25,000 vehicles daily, leading to frequent delays, heightened accident rates, and growing unpredictability for commuters and emergency services; and

**WHEREAS,** Residents have expressed escalating concerns regarding noise pollution, air quality, and safety risks for pedestrians and cyclists, all of which have adversely impacted quality of life in the surrounding communities; and

**WHEREAS,** The 2024 Hoosick Road Corridor Study has identified specific mitigation strategies to address these infrastructure challenges, including roadway design improvements, enhanced traffic signal coordination, and expanded safety measures for motorists, pedestrians, and cyclists; now, therefore, be it

**RESOLVED,** That the Rensselaer County Legislature respectfully urges the New York State Department of Transportation to act swiftly on the recommendations outlined in the 2024 Hoosick Road Corridor Study in order to improve traffic flow, enhance safety, and protect the quality of life for residents and businesses along the Hoosick Road corridor; and, be it further

**RESOLVED,** That a copy of this resolution be shared with Town of Brunswick Supervisor Phil Herrington, Town Board Members Mark Balistreri, Gordon Christian, James Sullivan and Mark Cipperly, NYS DOT Commissioner Marie Therese Dominguez, Governor Kathy Hochul, Senator Jake Ashby, Assemblyman Scott Bendett, Assemblyman John McDonald, and any others deemed necessary
