County of Rensselaer

Local Law No. (INTRODUCTORY) of the year 2022

A local law Enacting the Rensselaer County Solar Panel Recycling Law

By: Casale, Choquette

Be it enacted by the County Legislature of the  
(Name of Legislative Body)

County of Rensselaer as follows:

## SECTION 1: TITLE

This Local Law shall be known as "The Rensselaer County Solar Panel Recycling Law".

## SECTION 2: PURPOSE AND INTENT

The use of solar panels is increasing. The typical service life of a photovoltaic panel is 25-30 years, and many early adopters of solar power now have panels at or nearing the end of their lifespan, and it is expected solar panel waste will increase drastically in the coming years. Waste created from photovoltaic panels presents a threat to the environment, as they include heavy metals that have the potential to contaminate groundwater if placed in landfills. Panels also contain rare earth materials and valuable materials, which should be utilized beyond the life of the solar panel.

In order to preserve the environment, protect human health, and utilize resources most prudently, solar panels should be collected and disposed of in a manner that reduces the environmental impacts, and capitalizes on the reuse of rare and valuable metals. Establishing a solar panel collection program among manufacturers of solar panels will provide an alternative disposal method, and promote the recycling of solar panels.

As residents of New York State switch to alternative forms of energy in order to reduce dependence on fossil fuels, we have seen a rise in the use of solar panels. The immense growth of the solar energy industry could lead to an accumulation of photovoltaic (PV) waste. The U.S Department of Energy projects the nation will have cumulatively installed 700 gigawatts of PV equipment.

Eventually, all of this equipment will reach the end of their life and become PV waste. These PV modules contain various valuable materials and rare metals, proper recycling will ensure that these materials and metals are able to be reused. By recycling solar panels, we can ensure that solar panels do not prematurely arrive at landfills where they can have potential negative environmental effects. It is essential that we take action that is both economically and environmentally friendly. In order to do this we must establish infrastructure to accommodate for the long-term management of solar waste.

### SECTION 3: DEFINITIONS

- 3.1 "Collection program" means a system, established, maintained, and funded by solar panel manufactures, in which out-of-service solar panels are collected and recycled.
- 3.2 "Recycling" means reprocessing solar panels in order to recover materials for re-use and/or repurpose.
- 3.3 "Repurpose" means utilizing materials taken from the solar panel recycling process and implementing them for a use other than the original use.
- 3.4 "Re-use" means utilizing materials taken from the solar panel recycling process and continuing the original use.
- 3.5 "Manufacturer" is a person or other entity that manufactures solar panels.
- 3.6 "Retailer" is a person or other entity that sells solar panels to individuals or other consumers, through sales and distribution methods including the use of online or distance sales.
- 3.7 "Consumer" means an individual, business, municipality, or other entity that purchases one or more solar panels.
- 3.8 "Solar panel" means an instrument that uses a bank of solar cells to generate electricity or heat, from solar radiation.
- 3.9 "Out-of-service solar panel" means any solar panels that is no longer in working order or is removed, replaced, or otherwise removed from service.

### SECTION 4: SOLAR PANEL COLLECTION PROGRAM REQUIREMENTS

- 4.1 Any manufacturer, alone or in coordination with other manufacturers, must establish and maintain a collection program that provides for the disposal of out-of-service solar panels at no cost to the party disposing of the solar panel(s). This collection program must

properly repurpose and reuse the appropriate materials, such as rare earth materials and commercially valuable metals, and dispose of panels in a manner that does not jeopardize the environment or groundwater quality.

- 4.2 No manufacturer may sell, or propose for sale, solar panels in the County unless participating in an established solar panel collection program.
- 4.3 The collection programs are to be maintained financially by the solar panel manufacturers, alone or in coordination with other manufacturers.
- 4.4 The manufacturers must also create and maintain a web page which provides the public with information regarding where and how to dispose of solar panels in the collection program, and other education materials about the importance of proper solar panel disposal.
- 4.5 Solar panel manufacturers will be required to provide to the County a report of the number of solar panels collected, and the web-based information they have provided the public.
- 4.6 No transfer station or landfill shall knowingly allow solar panels to be placed in a landfill or incinerator. Landfills and transfer stations must decline solar panels, and provide notice to the public, in the form of signage and statements on webpages, that solar panels will not be accepted.
- 4.7 Any consumer or contractor replacing or removing solar panels, or destructing a structure upon which solar panels are placed, must ensure out-of-service solar panels are transported to a collection site.

Nothing in this Local Law shall authorize any County bureau or department to impose any duties or obligations in conflict with limitations on municipal authority established by state or federal law at the time such bureau or department action is taken. The County shall suspend enforcement of this Local Law to the extent that said enforcement would conflict with any preemptive state or federal legislation subsequently adopted.

The County Legislature may determine by resolution whether or not identical or substantially similar statewide legislation has been enacted for the purposes of triggering the provisions of this Section 6.5.
- 6.5 If any clause, sentence, paragraph, subdivision, section, or part of this Local Law or the application thereof to any person, individual, corporation, firm, partnership, or business shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its specific application.

## RESOLUTION COMMENDING THE HART CLUETT MUSEUM UPON THE OCCASION OF ITS NINETY-FIFTH ANNIVERSARY

**WHEREAS,** Consistent with the duty of this Legislative Body to acknowledge those individuals and institutions who have contributed to the vitality of Rensselaer County, we recognize with profound respect and admiration an important milestone in the history of the community; and

**WHEREAS,** Attendant to such duty and fully in accord with its longstanding traditions, it is the intent of this Legislative Body to convey its compliments and felicitations to the Hart Cluett Museum (HCM) on the occasion of its ninety-fifth anniversary; and

**WHEREAS,** Established in 1927 as the Rensselaer County Historical Society (RCHS) to connect local history and heritage with contemporary life, the HCM enriches the present and advocates for the future by bringing the region's past to life, recognizing every face and every story. In pursuit of this mission, they collect, preserve, study, interpret, and make accessible a broad variety of objects and documents. They also conduct educational programs that inspire public enthusiasm for our roots and bolster the entrepreneurial appetites of our community; and

**WHEREAS,** In 1948, Albert E. Cluett and his wife, Caroline Ide Cluett, challenged RCHS to raise sufficient funds to support the operation of their Troy townhouse as a museum. They were successful, and in 1952, the building, which was formerly owned and lived in by the Hart family, was turned over to RCHS by Caroline Cluett. RCHS had a building with great potential as a historic house museum and repository for the county's historical artifacts and archival materials; and

**WHEREAS,** In 1957, H. Maxson Holloway was hired as the first director of RCHS. Holloway's immediate plans included the careful acquisition of fine and decorative arts as well as period furnishings to fill the fourteen rooms of the house. The process of raising money and acquiring objects continued for over a decade; and

**WHEREAS,** It became clear by the mid-1970s that RCHS had outgrown the Hart-Cluett House and Carriage House. Growth of the collections and demands for programs had outpaced the building's space. In 1976, the Carr building to the north of the Museum was acquired, and it became an educational and administrative center. The project was finished in 1982, providing a meeting room, gift shop and exhibition gallery on the first floor of the Carr Building; and

**WHEREAS,** As historic preservation became an issue in the community and the nation in the 1970s, RCHS took an active position in favor of preserving the built environment. There were many battles to fight as the pressures of suburbanization, the loss of Troy's heavy industry and beginnings of urban renewal programs became a part of daily life. In part due to the efforts of RCHS, much of the historic architecture in Troy was preserved, and this now beloved architecture is a significant draw for visitors and filmmakers, resulting in a major boost for the local economy; and

**WHEREAS,** In 2019, RCHS was renamed the Hart Cluett Museum, after the previous dwellers of the building in which it is housed; and

**WHEREAS,** Today, HCM offers many house tours and walking tours of Troy, while continuing to display exhibits and learn more about the history of Rensselaer County and its people; now, therefore, be it

**RESOLVED,** That this Legislative Body pause in its deliberations and commend the Hart Cluett Museum upon the occasion of its ninety-fifth anniversary; and, be it further

**RESOLVED,** That the Clerk of the Legislature is hereby directed to transmit a copy of this resolution, suitably engrossed, to the Hart Cluett Museum.

LEGALLY AUTHORIZED CONCEALED CARRY GUN PERMITS AND BANNING CONCEALED CARRY  
IN PUBLIC AS BEING AN UNCONSTITUTIONAL ATTACK UPON THE RIGHTS OF LAW  
ABIDING CITIZENS**

**WHEREAS** The New York State Legislature recently enacted Senate Bill S.51001 and Assembly Bill A.41001, which among other things, makes obtaining and retaining a concealed carry gun permit an overly involved lengthy burdensome process, requiring citizens to divulge their social media accounts; and

**WHEREAS,** Among the most onerous of its provisions, is it makes it a felony for any individual who has a valid concealed carry permit to bring a handgun into ANY New York State Park, house of worship and restaurants, where residents, businesses and municipalities operate, live, work, socialize, worship and pay taxes; and

**WHEREAS,** This legislation is the result of a knee-jerk, political reaction to the recent Supreme Court decision, New York State Rifle and Pistol Association, Inc., v. Bruen, and was surreptitiously rushed through the legislature without public discussion, input, or knowledge; and

**WHEREAS,** The Rensselaer County Legislature considers this law to be an unconstitutional infringement upon our Second Amendment right for law abiding citizen's right to bear arms and an overt infringement upon freedom and liberty in New York State, which is devoid of common sense and does nothing to deal with the problems of crime and illegal firearms; and

**WHEREAS,** The Rensselaer County Legislature is strongly against and requests the repeal of the new gun control Legislation changes requiring both New York State citizens and various permit issuing agencies to navigate new regulations that are riddled with cumbersome, confusing, and redundant barriers of compliance, and that requires multiple processes of recertification that will lead to further confusion and create additional record sharing between agencies; now, therefore, be it

**RESOLVED,** That the Rensselaer County Legislature vehemently, adamantly and with full resolve, opposes this new concealed carry law and demands that the provision relative to the prohibition of concealed carry pistol permit holders be subject to a felony if brought into New York State Parks, houses of worship and restaurants be repealed; and be it further

**RESOLVED,** That the Rensselaer County Legislature vehemently, adamantly and with full resolve does oppose the new concealed carry law's (S.51001 / A.41001) remaining provisions as they are also unconstitutional and violate United States law as stated in New York State Rifle and Pistol Association, Inc., v. Bruen, and are a veiled and poor attempt to skirt Bruen falling woefully short of any rational constitutional basis; and, be it further

**RESOLVED,** That the Rensselaer County Legislature continues to urge law enforcement to use existing laws in the fight against those unlicensed individuals who carry and use illegally possessed firearms to commit heinous crimes that all responsible gun owners condemn; and, be it further

**RESOLVED,** That the Rensselaer County Legislature calls upon all other municipalities within the State of New York, and the American Civil Liberties Union, the American Center for Law and Justice, and any and all advocates who claim to protect freedom and liberty in the United States, to immediately challenge this law in court as it is most clearly unconstitutional; and, be it further

**RESOLVED,** That the Clerk of the Legislature shall forward copies of this resolution to New York State Governor Kathy Hochul, Senator Daphne Jordan, Senator Neil Breslin, Assembly members Jake Ashby and John McDonald, the New York State Association of Counties and all others deemed necessary and proper.

**RESOLUTION URGING NEW YORK STATE GOVERNOR KATHY HOCHUL AND THE NEW YORK STATE LEGISLATURE TO EXAMINE THE 2019 CRIMINAL JUSTICE REFORMS AND REVERSE THOSE POLICIES THAT PROHIBIT JUDICIAL DISCRETION AND ALLOW DANGEROUS REPEAT CRIMINALS TO BE RELEASED IMMEDIATELY AFTER COMMITTING A CRIME**

**WHEREAS,** Governor Kathy Hochul was sworn in as Governor on August 24, 2021 and pledged to change the culture of Albany with a fresh collaborative approach; and

**WHEREAS,** This Legislative Body has repeatedly called on the previous Governor of New York and the New York State Legislature to reverse the ill-conceived criminal justice reforms that removed judicial discretion and allow dangerous repeat criminals to be released from custody shortly after their arrest; and

**WHEREAS,** There have been countless occasions where repeat criminals were released after being arrested, most recently in the Bronx where a dangerous repeat criminal was released after knocking out a man and fracturing his skull; and

**WHEREAS,** The video showing the brutal attack caused great public outcry that caused Governor Hochul to take the unprecedented step to personally intervene and call for the arrest of the attacker; and

**WHEREAS,** The immediate release of criminals who are arrested after extensive crime solving efforts of our local police creates a revolving door of justice that is demoralizing and often dangerous to the police officers and to the law abiding residents who are victims of their crimes; and

**WHEREAS,** The elimination of a judge's ability to use their judicial discretion to require cash bail for dangerous criminals and to set bail based on the seriousness of a crime and the defendant's record has had negative consequences for our neighborhoods; and

**WHEREAS,** Bail reforms have forced judges to use the least restrictive means to try to ensure an accused person returns to court, prohibits judges from considering if a defendant is a danger to the community, and has established discovery rules that allow defendants to access witness information, and also requires district attorneys to meet onerous timelines and protocols that often result in some criminal cases being dropped; and

**WHEREAS,** The escalating costs of complying with discovery laws and other components of bail reform have caused budgetary strains across the state, including in the Rensselaer County District Attorney's Office; and

**WHEREAS,** Residents across Rensselaer County and New York State have expressed their belief that the 2019 Bail Reforms have resulted in them feeling less safe because of an increase in crime, including quality of life crimes such as graffiti, littering, and the use of unlicensed dirt bikes and ATV's on public streets; now, therefore, be it

**RESOLVED,** That the Rensselaer County Legislature urges Governor Kathy Hochul and the New York State Legislature to once again revisit the 2019 Criminal Justice Reforms, and restore judicial discretion, and reverse those policies that allow dangerous criminals to be released back into our communities; and, be it further

**RESOLVED,** That the Clerk of the Legislature shall send a copy of this resolution to Governor Kathy Hochul, Lieutenant Governor Antonio Delgado, Senator Daphne Jordan, Senator Neil Breslin, Assemblyman Jake Ashby, and Assemblyman John McDonald.
