Any violation by the CONTRACTOR of this requirement will be considered proper and sufficient cause for the OWNER to consider such interruption a breach of the agreement and to cancel the contract without any penalty to the OWNER, and to recover any damages from the CONTRACTOR that may have been caused by labor strife and unrest.

22. RENSSELAER COUNTY MACBRIDE PRINCIPLES CONTRACT COMPLIANCE LAW (EFFECTIVE 09/01/93): Rensselaer County Local Law No. 4 of the year 1993 adopted the MacBride Principles of Fair Employment, which are nine principles designed to foster an end to employment discrimination in Northern Ireland. The law states, in part, "in case of a contract which must be let by competitive sealed bidding, wherever the lowest bidder has not agreed to stipulate to the conditions set forth in this section, and another bidder who has agreed to stipulate to such conditions has submitted a bid within five percent of the lowest bid for a contract..., the contracting entity shall refer the contract to the County Legislature, which shall determine if the lowest bidder is responsible..."

Unless expressly stated in writing with the bidder's submission, the bidder's signature on the bid shall constitute agreement with the MacBride Principles and Local Law #4 of 1993. Complete copies of the MacBride Principles and Local Law #4 of 1993 may be obtained at the Rensselaer County Attorney's Office.

23. PREVENTION OF DELAY (Applicable to bids involving labor): Notwithstanding any language to the contrary, the Contractor agrees that there will be no interruption in the performance of the work under this agreement due to labor strife or unrest and that the contractor and his subcontractor will not employ on the work, any labor, materials, or means whose employment or utilization during the course of the contract may tend to or in any away cause or result in strikes, work stoppages, delays, suspensions of work, or similar troubles by any of the trades working in or about the buildings and premises where work is being performed under this contract, or by other contractors or their subcontractors pursuant to other contractors or on any other building or premises owned or operated by the OWNER. Any violation by the CONTRACTOR of this requirement will be considered proper and sufficient cause for the OWNER to consider such interruption a breach of the agreement and to cancel the contract without any penalty to the OWNER, and to recover any damages from the CONTRACTOR that may have been caused by labor strife and unrest.

The workings of this clause shall not act to derogate the rights and responsibilities granted to labor and Management by Federal and State Laws.

The bid pricing shall be based upon bid specifications promulgated by the County and the bid shall be submitted on the Official Bid Form. ADDITIONAL BIDDING INFORMATION

AWARD BASIS: The contract will be awarded to the Bidder with the lowest aggregate net total bid meeting Rensselaer County specifications or Best Value according to NYS GML § 103 as defined in NYS Finance Law § 163. All items must be bid in order to be considered a responsive bid. Rensselaer County reserves the right to reject any and all bids received, waive any informalities and re-bid, if necessary, when it appears to be in the County's best interest.

AWARD PERIOD: This is a six (6) month bid and shall be effective from July 1, 2026 through December 31, 2026 (See Pricing, Page 9).

BID PROPOSALS: Rensselaer County may choose to reject Bid(s) from a Vendor with documented past poor performance with Rensselaer County or other Political Subdivisions.

BID SURETY: No bid surety is required.

PARTIAL BIDS: Partial bids WILL NOT be accepted. In order to be considered a responsive bid, Bidders must submit pricing for all items listed on the Official Bid Form.

ESTIMATED BID QUANTITIES: All bid quantities listed are estimated and the contract shall be for the actual quantities ordered during the award period.

MANUFACTURER'S NAMES / PRODUCT CODES: Manufacturers names are given for descriptive purposes, to provide a standard of quality and/or performance and are not intended to restrict competition. Bidders must specify the brand name and product code number of the product they are bidding in the space next to each bid item unless they are providing the product specified by the County on the Official Bid Form. If the specified brand cannot be provided, the bidder must substitute a brand of equal or greater quality. Please note on the Official Bid Form: The Manufacturer Name is "Suggested" and "Product Code" listed may not be the most recent product code. Failure to provide the above information in a legible format may result in disqualification of your bid.

PRODUCT AVAILABILITY: Items awarded to a Vendor must be available for the duration of the specified bid period. Rensselaer County may choose to cancel awarded contracts with Vendors who have an excessive amount of back-orders.

If an awarded item is discontinued or becomes unavailable to the vendor for some other reason, the Bureau of Central Services must be notified in writing, on the company's letterhead and signed by the authorized vendor representative prior to any substitution. If the vendor is offering a substitution, the letter must include the following:

- Manufacturer ingredients information, the new product number, packaging size and unit information to facilitate accurate ordering. Confirmation that the unit price for an equivalent quantity of the substitution will be the same unit price as originally bid, and that the substitution is of equivalent or better quality and function than the original.

- If no substitution is available, items that have to be re-awarded will be purchased from the next lowest bidder or an alternate source, if necessary, and the cost difference will be billed back to the original awarded vendor for the remainder of the bid period. Vendors "dropping" or not supplying products during the specified bid term may forfeit future bid awards by Rensselaer County.

- No substitute products will be accepted unless pre-approved by the Director of the Rensselaer County Bureau of Central Services whose determination as to "or equal" shall be final. Failure to notify and receive approval for substitutions may result in voiding of the contract.

ADDITIONAL BIDDING INFORMATION (Continued)

PRICING: BID PRICING MUST REMAIN FIRM FOR THE SIX (6) MONTH AWARD PERIOD. THE CONTRACT START DATE IS JULY 1, 2026 THROUGH DECEMBER 31, 2026. NO PRICE CHANGES WILL BE ALLOWED DURING THE AWARD PERIOD (See Product Availability, Page 8).

Rensselaer County reserves the right to purchase products from New York State Contracts, other County's Contracts, New York State Preferred Sources or Government Purchasing Cooperatives if pricing is lower than this bid's pricing.

SUBSTITUTIONS: Where bidders substitute products they feel are "equal" to that specified in the bid, they must be prepared to provide detailed product information. During the evaluation period and prior to award, where, in the opinion of the Director of Central Services, substitute brands and products do not meet or exceed specifications, the following process may be followed to ensure compliance:

The bidder will be informed that the County will not accept the bidder's product as an "equal to" substitute and the bidder may be given one opportunity to provide a product at the bid unit price, which does meet or exceed specifications. If the bidder cannot provide a substitute that meets Rensselaer County's specifications at the bid unit price, the bid will be disqualified and the award will be made to the bidder with next lowest net aggregate total meeting Rensselaer County specifications.

PACKAGING/LABELING: Products awarded under this contract(s) shall be packaged/delivered in cases/packaging which clearly describes the contents by Mfg./Product ID#, weight/size where applicable and number of items within the case/package.

Any variations in packaging, size or quantities specified for each bid item must be clearly noted on the Official Bid Form. It is the vendor's responsibility to provide an accurate conversion of packaging. Vendors must list their current Unit Prices in the Unit Price Column any conversions shall be applied to the Estimated Quantity listed in the Estimated Quantity Column. Prices listed shall be calculated to 2 decimal places only. Failure to clearly note such variations may result in rejection of the bid.

SAMPLES: Bidders must be prepared to deliver selected bid items for inspection of quality and ingredients within seven (7) calendar days following notification by the Bureau of Central Services. Failure to supply the required samples and/or information within the specified time may result in disqualification of the bid. *Unless notified otherwise*, samples must be delivered to the Rensselaer County Bureau of Central Services, 99 Troy Road, East Greenbush, New York 12061.

ORDERING/DELIVERY: Orders for bid items and subsequent payment shall be in accordance with Rensselaer County Purchasing Procedures and accounting practices. Individual departments shall forward purchase order(s) for bid items to the successful vendor(s) on an as-needed basis or using a monthly blanket purchase order, whichever is in the best interest of the department. The vendor(s) shall deliver those items to the department identified on the Purchase order and invoice that same department. Vendor(s) may not combine departments into one account and, for purposes of delivery and subsequent invoicing / payment, shall deal with each department as a separate account.

Deliveries that do not identify the specific department that has placed the order may be returned to the vendor(s) at the vendor's expense. There shall be no penalty to Rensselaer County for expenses incurred due to incorrectly addressed deliveries. Any vendor who delivers items which are not ordered, or who duplicates or overship items, does so entirely at the vendors own expense. Such shipments will be at no cost or responsibility to Rensselaer County.

ADDITIONAL BIDDING INFORMATION (Continued)

ORDERING/DELIVERY Continued:
NOTE: Delivery shall be made within ten (10) calendar days of vendor's receipt of the purchase order. Departments that choose to use a monthly blanket purchase order should receive delivery within 10 (calendar) days from the date their order(s) are placed. It is the vendors responsibility to contact the "ordering department" to advise them if an item(s) ordered will be delayed and the item(s) must be included in the department's next shipment and delivered at the vendor's cost with no additional delivery charge. Repeated, delayed or partial deliveries shall be interpreted as failure to meet contractual obligation and may constitute cause for cancellation of the Contract, with thirty (30) days notice by the County to the vendor.

PRICE ADJUSTMENT CLAUSE:

1. In the event verifiable market conditions require the successful bidder to increase bid pricing during the contract period, the bidder must give the Rensselaer County Bureau of Central Services forty-five (45) days written notice of any price increase. Rensselaer County reserves the right to require additional justification of any price increases. No increase in price will be allowed within the first one hundred and ten (110) days of the contract.
2. Proof of the need for an increase must accompany the notice in the form of actual manufacturer invoices to the distributor showing the increased product cost. The increase accepted by the Rensselaer County Bureau of Central Services shall not exceed said amount.
3. Upon receipt of written notice, the Rensselaer County Bureau of Central Services may accept the price increase or conduct a new bid at the discretion of the Rensselaer County Bureau of Central Services.
4. Under no circumstances will a price increase be accepted without forty-five (45) days written notice.

REVIEW OF FINALIZED BIDDING RESULTS: If copies of the bid results are required companies may send a FOIL request (Freedom of Information Law) to the Rensselaer County Attorney's Office, Rensselaer County Office Building, 99 Troy Road, 4th Floor, East Greenbush, New York 12061 (518) 270-2950, online access: https://www.rensco.com/FormCenter/County-Attorney-4/Freedom-of-Information-Act-FOIL-Requests-46.

QUALITY OF SERVICE: Rensselaer County Departments participating in this bid shall follow the process outlined below in reference to: incorrect orders, receipt of orders past the ten (10) calendar days, billing issues, etc. Where issues are not satisfactorily resolved within a reasonable period of time after verbal communication to the vendor, the following escalation process will be followed:

A. The Department notifies the vendor in writing and describes the problem(s).

B. If the problem(s) are not corrected, the Department again notifies the vendor in writing and describes the problem(s).

If the problem(s) are still not corrected, the Department will provide the Bureau of Central Services (via email or inter-office mail) the documentation of their communications with the vendor and the Director or Deputy Director of the Bureau of Central Services will advise the vendor – in writing – that the problem has not been corrected and must be corrected immediately or the contract with the vendor will be canceled without penalty to the County.

CANCELLATION: The County of Rensselaer in its sole discretion retains the right to cancel this contract without reason provided that the contractor is given at least thirty (30) days notice of its intent to cancel.

Additionally, Rensselaer County reserves the right to reject any bid which, through bidder error or omission is found to be mathematically incorrect, conditional, otherwise incomplete, or not in compliance with Rensselaer County bid specifications. This right to reject bids which are incomplete, conditional, inaccurate, or not in compliance with specifications shall be exercised in the best interests of Rensselaer County.

Any violation by the CONTRACTOR of this requirement will be considered proper and sufficient cause for the OWNER to consider such interruption a breach of the agreement and to cancel the contract without any penalty to the OWNER, and to recover any damages from the CONTRACTOR that may have been caused by labor strife and unrest.

The workings of this clause shall not act to derogate the rights and responsibilities granted to labor and Management by Federal and State Laws.

All items must be bid in order to be considered a responsive bid. Rensselaer County reserves the right to reject any and all bids received, waive any informalities, re-bid, if necessary, when it appears to be in the County's best interest.

AWARD PERIOD: This is a six (6) month bid. The estimated contract date shall be effective from July 1, 2026 through December 31, 2026 (See Pricing, Page 10).

BID PROPOSALS: Rensselaer County may choose to reject Bid(s) from a Vendor with documented past poor performance with Rensselaer County or other Political Subdivisions.

BID SURETY: No bid surety is required.

PARTIAL BIDS: Partial bids WILL NOT be accepted. In order to be considered a responsive bid, Bidders must submit pricing for all items listed on the Official Bid Form.

ESTIMATED BID QUANTITIES: All bid quantities listed are estimated and the contract shall be for the actual quantities ordered during the award period.

MANUFACTURER'S NAMES / PRODUCT CODES: Manufacturers names are given for descriptive purposes, to provide a standard of quality and/or performance and are not intended to restrict competition. Bidders must specify the brand name and product code number of the product they are bidding in the space next to each bid item unless they are providing the product specified by the County on the Official Bid Form. If the specified brand cannot be provided, the bidder must substitute a brand of equal or greater quality. Please note on the Official Bid Form: The Manufacturer Name is "Suggested" and "Product Code" listed may not be the most recent product code. Failure to provide the above information in a legible format may result in disqualification of your bid.

PRODUCT AVAILABILITY: Items awarded to a Vendor must be available for the duration of the specified bid period. Rensselaer County may choose to cancel awarded contracts with Vendors who have an excessive amount of back-orders.

If an awarded item is discontinued or becomes unavailable to the vendor for some other reason, the Bureau of Central Services must be notified in writing, on the company's letterhead and signed by the authorized vendor representative prior to any substitution. If the vendor is offering a substitution, the letter must include the following:

- Manufacturer ingredients information, the new product number, packaging size and unit information to facilitate accurate ordering. Confirmation that the unit price for an equivalent quantity of the substitution will be the same unit price as originally bid, and that the substitution is of equivalent or better quality and function than the original.

- If no substitution is available, items that have to be re-awarded will be purchased from the next lowest bidder or an alternate source, if necessary, and the cost difference will be billed back to the original awarded vendor for the remainder of the bid period. Vendors "dropping" or not supplying products during the specified bid term may forfeit future bid awards by Rensselaer County.

- No substitute products will be accepted unless pre-approved by the Director of the Rensselaer County Bureau of Central Services whose determination as to "or equal" shall be final. Failure to notify and receive approval for substitutions may result in voiding of the contract.

ADDITIONAL BIDDING INFORMATION (Continued)

PRICING: BID PRICING MUST REMAIN FIRM FOR THE SIX (6) MONTH AWARD PERIOD. THE ESTIMATED CONTRACT START DATE IS JULY 1, 2026 TRHOUGH DECEMBER 31, 2026. NO PRICE CHANGES WILL BE ALLOWED DURING THE AWARD PERIOD (See Product Availability, Page 9).

Rensselaer County reserves the right to purchase products from New York State Contracts, other County's Contracts, New York State Preferred Sources or Government Purchasing Cooperatives if pricing is lower than this bid's pricing.

SUBSTITUTIONS: Where bidders substitute products they feel are "equal" to that specified in the bid, they must be prepared to provide detailed product information. During the evaluation period and prior to award, where, in the opinion of the Director of Central Services, substitute brands and products do not meet or exceed specifications, the following process may be followed to ensure compliance:

The bidder will be informed that the County will not accept the bidder's product as an "equal to" substitute and the bidder may be given one opportunity to provide a product at the bid unit price, which does meet or exceed specifications. If the bidder cannot provide a substitute that meets Rensselaer County's specifications at the bid unit price, the bid will be disqualified and the award will be made to the bidder with next lowest net aggregate total meeting Rensselaer County specifications.

PACKAGING/LABELING: Products awarded under this contract(s) shall be packaged/delivered in cases/packaging which clearly describes the contents by Mfg./Product ID#, weight/size where applicable and number of items within the case/package.

Any variations in packaging, size or quantities specified for each bid item must be clearly noted on the Official Bid Form. It is the vendor's responsibility to provide an accurate conversion of packaging. Vendors must list their current Unit Prices in the Unit Price Column any conversions shall be applied to the Estimated Quantity listed in the Estimated Quantity Column. Prices listed shall be calculated to 2 decimal places only. Failure to clearly note such variations may result in rejection of the bid.

SAMPLES: Bidders must be prepared to deliver selected bid items – to the requesting Departments - for inspection of quality and ingredients within seven (7) calendar days following notification by the Bureau of Central Services. Failure to supply the required samples and/or information within the specified time may result in disqualification of the bid.

ORDERING/DELIVERY: Orders for bid items and subsequent payment shall be in accordance with Rensselaer County Purchasing Procedures and accounting practices. Individual departments shall forward purchase order(s) for bid items to the successful vendor(s) on an as-needed basis or using a monthly blanket purchase order, whichever is in the best interest of the department. The vendor(s) shall deliver those items to the department identified on the Purchase order and invoice that same department. Vendor(s) may not combine departments into one account and, for purposes of delivery and subsequent invoicing / payment, shall deal with each department as a separate account.

Deliveries that do not identify the specific department that has placed the order may be returned to the vendor(s) at the vendor's expense. There shall be no penalty to Rensselaer County for expenses incurred due to incorrectly addressed deliveries. Any vendor who delivers items which are not ordered, or who duplicates or overship items, does so entirely at the vendors own expense. Such shipments will be at no cost or responsibility to Rensselaer County.

ADDITIONAL BIDDING INFORMATION (Continued)

ORDERING/DELIVERY Continued:
NOTE: Delivery shall be made within ten (10) calendar days of vendor's receipt of the purchase order. Departments that choose to use a monthly blanket purchase order should receive delivery within 10 (calendar) days from the date their order(s) are placed. It is the vendors responsibility to contact the "ordering department" to advise them if an item(s) ordered will be delayed and the item(s) must be included in the department's next shipment and delivered at the vendor's cost with no additional delivery charge. Repeated, delayed or partial deliveries shall be interpreted as failure to meet contractual obligation and may constitute cause for cancellation of the Contract, with thirty (30) days notice by the County to the vendor.

PRICE ADJUSTMENT CLAUSE:

1. In the event verifiable market conditions require the successful bidder to increase bid pricing during the contract period, the bidder must give the Rensselaer County Bureau of Central Services forty-five (45) days written notice of any price increase. Rensselaer County reserves the right to require additional justification of any price increases. No increase in price will be allowed within the first one hundred and ten (110) days of the contract.
2. Proof of the need for an increase must accompany the notice in the form of actual manufacturer invoices to the distributor showing the increased product cost. The increase accepted by the Rensselaer County Bureau of Central Services shall not exceed said amount.
3. Upon receipt of written notice, the Rensselaer County Bureau of Central Services may accept the price increase or conduct a new bid at the discretion of the Rensselaer County Bureau of Central Services.
4. Under no circumstances will a price increase be accepted without forty-five (45) days written notice.

REVIEW OF FINALIZED BIDDING RESULTS: If copies of the bid results are required companies may send a FOIL request (Freedom of Information Law) to the Rensselaer County Attorney's Office, Rensselaer County Office Building, 99 Troy Road, 4th Floor, East Greenbush, New York 12061 (518) 270-2950, online access: https://www.rensco.com/FormCenter/County-Attorney-4/Freedom-of-Information-Act-FOIL-Requests-46.

QUALITY OF SERVICE: Rensselaer County Departments participating in this bid shall follow the process outlined below in reference to: incorrect orders, receipt of orders past the ten (10) calendar days, billing issues, etc. Where issues are not satisfactorily resolved within a reasonable period of time after verbal communication to the vendor, the following escalation process will be followed:

A. The Department notifies the vendor in writing and describes the problem(s).

B. If the problem(s) are not corrected, the Department again notifies the vendor in writing and describes the problem(s).

If the problem(s) are still not corrected, the Department will provide the Bureau of Central Services (via email or inter-office mail) the documentation of their communications with the vendor and the Director or Deputy Director of the Bureau of Central Services will advise the vendor – in writing – that the problem has not been corrected and must be corrected immediately or the contract with the vendor will be canceled without penalty to the County.

CANCELLATION: The County of Rensselaer in its sole discretion retains the right to cancel this contract without reason provided that the contractor is given at least thirty (30) days notice of its intent to cancel.

Additionally, Rensselaer County reserves the right to reject any bid which, through bidder error or omission is found to be mathematically incorrect, conditional, otherwise incomplete, or not in compliance with Rensselaer County bid specifications. This right to reject bids which are incomplete, conditional, inaccurate, or not in compliance with specifications shall be exercised in the best interests of Rensselaer County.

1.8 Periodic Recruitment

This Solicitation allows for periodic recruitment of additional Contractors during the term of the Contract. Recruitment periods are optional at the discretion of the State. Additional recruitment periods will be advertised in the NYSCR. Bidder must register with the New York State Contract Reporter at https://www.nyscr.ny.gov in order to receive notifications regarding any periodic recruitments under this Solicitation. Bids shall be evaluated under substantially the same terms and conditions as the original Bids. Bidders shall also be required to submit necessary documentation for any additional applicable statutory requirements in effect at the time of the new Solicitation.

Once awarded a Contract, a Contractor may not resubmit a Bid for future consideration for LOTS covered by the scope of the awarded Contract. In addition, if a Bid is deemed non-responsive during the initial Solicitation or any recruitment period, a Bidder cannot reapply for a future Contract until the next recruitment period.

1.9 Procurement Instructions for Authorized Users

The resultant Contracts will be issued under a multiple award structure. Authorized Users shall procure Products that best meet their form, function, and utility requirements.

Before proceeding with their purchase, Authorized Users shall check the list of Preferred Source offerings and are reminded that they must comply with State Finance Law, particularly § 162, regarding commodities/services provided by preferred source suppliers.

The use of the Quick Quote Worksheet is MANDATORY for all purchases made by any Authorized User through the Contract(s) on this award.

Pursuant to State Finance Law § 163(10)(c), at the time of purchase, Authorized Users must base their selection among multiple Contracts upon which is the most practical and economical alternative that is in the best interests of the State.

SECTION 2: SPECIFICATIONS

It is the Contractor's responsibility to provide product that conforms with the specifications as listed in the Invitation for Bids for the entire term of the awarded contract. No changes or substitution of products or pricing is permitted without the express approval of OGS Procurement Services.

See Attachment – Specifications, of this Solicitation for detailed information.

SECTION 3: TERMS AND CONDITIONS

3.1 Contract Terms and Extension

A. Base Term: Notwithstanding the provisions of Appendix B Section 22, Contract Creation/Execution, the base contract term shall begin on the later of (i) May 18, 2022, or (ii) the date of OSC approval of the final, executed contract documents and consistent with the MOU, and shall continue through and including May 17, 2027.

B. Extensions. At the State's option, and subject to the approval of OSC and consistent with the MOU, the Contract may be extended for three (3) years, in increments as deemed to be in the best interest of the State. Whether the optional extensions are exercised is at the sole discretion of the State. A Contractor shall retain the right to decline a Contract extension offered under this section. Any Contract extension will be under the same terms and conditions, subject to any additional applicable statutory and policy requirements. Any extensions provided under this section shall apply in addition to any rights set forth in Appendix B, Contract Term – Extension.

C. The Contract term provided for in this section shall extend six months beyond its termination date only for Authorized Users whose contracts must be registered with the Office of the New York City Comptroller. During the six-month period, the definition of Authorized User shall be deemed to refer only to Authorized Users whose contracts must be registered with the Office of the New York City Comptroller. This extension is in addition to any other extensions available under the Contract. The extension provided for in this paragraph shall be upon the then-existing terms and conditions; provided, however, during such extension an Authorized User, as defined in this paragraph, may agree to amend such terms and conditions solely to comply with changes in statutory requirements (e.g. changes in minimum, prevailing or living wages, or regulated services).

3.2 Short Term Extension

This section shall apply in addition to any rights set forth in Appendix B, *Contract Term – Extension*. In the event a replacement Contract has not been issued, any Contract let and awarded hereunder by the State may be extended unilaterally by the State for an additional period of up to 30 calendar days upon notice to the Contractor with the same terms and conditions as the original Contract and any approved modifications. With the concurrence of the Contractor, the extension may be for a period of up to 90 calendar days in lieu of 30 calendar days. However, this extension automatically terminates should a replacement Contract be issued in the interim.

3.3 Price

Price shall include all customs duties and charges and be net, FOB destination any point within the State of New York, as designated by the Authorized User, including dock delivery (unloading of the product will be performed by the Authorized User, unless previously agreed by the vendor). Additional fees may be charged to the purchaser when delivery to point of use is not possible via dock, any other door, stairway or elevator freight service and/or when specialized service is requested in writing by the purchaser. Such costs shall be prepaid and added to the invoice. Authorized Users will not be charged for delivery to their building location since price is FOB destination; **Authorized User must be informed of the additional cost prior to delivery and agree to the additional charge**.

Contractors are encouraged to offer their best possible pricing; additionally, Authorized Users are required to use the Quick Quote process to obtain the best possible pricing. Contract prices are not-to-exceed for all LOTS and shall be firm except in the case of lowered pricing submitted using the Quick Quote process in accordance with Section - Quick Quotes, or price updates permitted in accordance with Section - Price Updates, of this Solicitation.

If it is determined the Contractor is charging excessive amounts for specialized delivery services, the State may seek reimbursement for such amounts, may remove the Contractor from the list of eligible Bidders, and may cancel the Contract.

3.3.2 Traffic Paint (Waterborne—Lead-Free): Return of Containers

Both 55-gallon and 275-gallon capacity containers remain the property of the Contractor and are to be removed **at no additional cost.**

Upon notification, Contractor shall be responsible for picking up and removing at their own expense, all drums and totes furnished by the Contractor during the Contract period. See Attachment 9 – *Specifications*, Section - *Packaging* for additional information.

3.4 Quick Quote

Authorized Users must select the appropriate Contractor to provide their particular product by using the Quick Quote worksheet form.

During the course of selecting and awarding one of the Contractors listed in this Solicitation, Authorized Users should try to obtain lower prices and Contractors may wish to lower their Contract prices for various reasons, i.e., excess supply, slow business, etc. Each Quick Quote situation is unique, and the price is firm for that particular purchase only. If Bid security is a concern, the Authorized User may require Bids to be sealed and/or opened publicly.

The use of the Quick Quote Worksheet will be MANDATORY for all purchases made by any Authorized User through the Contract(s) resulting from this Invitation for Bids.

Agencies using the Quick Quote form are required to award to the lowest responsive Bid meeting the Authorized User's requirements outlined in the requested quote, including guaranteed delivery. There are no negotiations permitted following the Quick Quote and prices cannot be changed once offered. If award is made to other than the lowest Bid, the Authorized User must prepare detailed documentation explaining the action taken for the failure to meet requirements (i.e., the low Contractor could not provide the product in the time frame required, Contractor did not have needed quantity, etc.). This explanation along with the Quick Quote responses must be made a part of the procurement record.

Contractors are not required to respond, or to lower their awarded "not-to-exceed" prices when they receive a Quick Quote. Prices quoted remain firm regardless of what the price adjustment is at the time of delivery.

The Quick Quote form will be published to the OGS website (on the contract award landing page) at the time of award.

3.5 Price Updates

Prices set forth in this Contract are firm through August 31st, 2022. Beginning September 1st, 2022 and every six months thereafter, the prices are subject to an increase or decrease in accordance with the provisions of this clause.

The prices shall be adjusted on the basis of the originally published Producer Price Indices (PPIs) specified in this section, published by the US Department of Labor, Bureau of Labor Statistics, using the weighting specified below. Any published figure used that is preliminary will not be updated should a different figure replace it as permanent in the future.

A base index shall be established using the month of November 2021. An adjusted index shall then be established by averaging the six-month period ending two months prior to the first price update date. The adjusted index will then become the base index for the price update period immediately following. Each succeeding six months will follow this format (including any contract extensions or renewals). The average adjusted index is then compared with the base index, and the resulting percentage of increase or decrease shall be applied to the contract prices. Price increases and decreases shall not exceed 5% per adjustment period.

Effective Date for Adjusted Pricing	Base Index Period	Adjustment Index Period
Sept 1, 2022	November 2021	Dec 2021 – May 2022

March 1, 2027	Dec 2025 – May 2026	Jun 2026 – Nov 2026

During the Contract term, if the Commissioner becomes aware that the Contractor is selling substantially the same or a smaller quantity of a Product outside of this Contract upon the same or similar terms and conditions as that of this Contract at a lower price to a federal, state or local governmental entity, the price under this Contract, after consultation with the Contractor, may be reduced to a lower price on a prospective basis at the discretion of the Commissioner. The Commissioner reserves the right to request information to verify pricing for the purposes of this clause.

3.8 Price Structure

If, during the Contract Term, the Contractor is unable or unwilling to meet contractual requirements in whole or in part based on the price structure of the Contract, it shall immediately notify the Office of General Services, Procurement Services in writing. Such notification shall not relieve the Contractor of its responsibilities under the Contract. The State may, but is not required to, consider an equitable adjustment in the Contract terms and/or pricing in the circumstances outlined in Appendix B, *Savings/Force Majeure*.

Should the Commissioner in his or her sole discretion determine during the Contract Term that (i) the Contract price structure is unworkable, detrimental, or injurious to the State, or (ii) the Contract price structure results in prices which are unreasonable, excessive, or not truly reflective of current market conditions, and no adjustment in the Contract terms and/or pricing is mutually agreeable, the State may terminate the Contract upon 10 business days written notice mailed to the Contractor.

Bidders may offer additional volume discounts. Volume discounts may be applied per purchase order, cumulatively per customer agency, and cumulatively statewide.

Volume discounts shall be defined and applied as follows:

The vendor shall be responsible for the delivery of product ordered to any location within New York State. Product will be required as soon as possible and delivery may be considered by an agency issuing a purchase order.

Unless otherwise stated on purchase order, delivery is required within 30 calendar days after contractor's receipt of purchase order. **Authorized Users may not** without prior written consent of the contractor **demand** delivery prior to 30 days after Contractor's receipt of said order.

Contract users may request scheduled deferred deliveries. With the exception of NYS Department of Transportation orders, all schedules requiring delivery to be **delayed beyond 90 days** after Contractor's receipt of order must have the prior approval of the related Contractor and with such allowance noted on the given purchase order. All deferred shipping may be subject to a price update if the requested shipment overlaps scheduled price update periods.

Each individual instance of Contractor's failure to conform to the above delivery requirements **plus 10 calendar days** (grace period) shall constitute sufficient reason to allow the affected agency to request OGS review to assess the potential for the application of Liquidated Damages. Resulting Contractor(s) are cautioned that repeated failure to deliver within the guaranteed delivery period will be sufficient cause for the OGS Procurement Services to cancel the Contract or any unit portion thereof and authorize open market purchase of applicable requirements charging any increased cost over Contract price to the Contractor's account, without the need to await passage of the stated grace period.

Shipping Dates and Delivery Time

Contractor shall provide written acknowledgement of orders within five (5) business days after receipt of order which will include an anticipated shipping date of each order

If shipment will not be made within the delivery time, Contractor is required to notify the agency in writing at least two weeks prior to the latest date of the original delivery obligation. This notification must include the reasons for the delay and the latest date the product will be shipped. Notification does not negate Contractor's responsibility for shipment of product as soon as possible, nor the conditions noted under Invitation for Bids, Section - *Liquidated Damages*. Should the delay not be acceptable to the Authorized User, appropriate contract default proceedings will be initiated. Failure to supply timely written notification of delay may be cause for default proceedings.

All correspondence on shipping dates and delivery time shall be directed to the ordering entities' specified contact person.

Deliveries shall be made inside the yard facility at destinations as indicated on the purchase order. Advance notice of pending shipment shall be issued in writing to the buyer at least **7 days prior to delivery**, unless shipment is being made in under one week from receipt of order. If this situation occurs, Contractor shall notify the buyer of the shipment date as soon as it is scheduled.

Actual physical arrival and delivery of material must be scheduled by the carrier, contacting and coordinating with the recipient no more than 48 hours prior to a trucks arrival at the delivery site. Delivery will be scheduled no earlier than 7:00 a.m. or later than 3:00 p.m. and will have a two-hour window of opportunity within those parameters, Tuesday through Thursday, excluding Holidays, or as otherwise agreed to as mutually acceptable between the carrier and recipient. Delivery will only be accepted within the time period scheduled. At the discretion of the Authorized User, shipments arriving outside of the scheduled time frame may be expected to reschedule the shipment (if late) or return at the originally scheduled time (if early). Any and all changes required as a result of such arrivals are at the carrier's expense.

Delivery Condition

Contractor shall make no shipment that exposes the product at any time during transit to conditions detrimental to the product. Product must be delivered strictly in accordance with specifications and shall be "Ready for Use." In the event that an item is delivered with a deviation or deficiency, Contractor shall correct such deficiencies **within four (4) business days** of written notification of said deficiency or deviation. Otherwise the State has the option of making the corrections independently at Contractor's expense and also imposing the Liquidated Damages clause as found herein.

This notification must include the reasons for the delay and the latest date the product will be shipped. Contractor is required to submit with each delivery a 'Notarized' and 'Certified' Certificate of Analysis, which will indicate the refractive index, percent roundness and sieve gradation of the delivered materials.

Shipping, Packing, Marking, and Palletization

Shipping shall be only by covered trailers in order to maintain sphere dryness. The glass spheres shall be packed either in bags containing 50 lbs. net or cardboard boxes containing 2,000 lbs. net. Contractor shall be responsible for the proper delivery of the glass spheres, in specified containers. The containers shall not affect its contents. Bags or boxes of glass spheres shall not contain foreign contaminants.

If bags are used, they shall be either a standard cemented center seam, plastic lined, burlap bag, or plastic lined paper bags. A bag shall contain 50 lbs. net weight. If required by ordering agency, the bags shall be packed and delivered on disposable pallets, forty (40) bags to a pallet (2,000 lbs.).

If cardboard boxes are used, they should be moisture resistant, multi-wall, five (5) wall box constructed new cardboard containers consisting of a box and a poly-liner to exclude moisture. **Boxes must have sufficient integrity to be stackable with visible indication of maximum stacking quantity.** Reusable boxes are unacceptable. The bags and boxes shall be marked with the name and address of the manufacturer and name and net weight of the material, the glass sphere coating type, the lot and/or batch number, and the date of manufacture (mm / yy).

The ordering agency shall have sufficient justification to reject bags or boxes of glass spheres that are: covered with water, supplied in improper containers, contaminated with foreign materials, or supplied on broken skids or pallets. Rejected glass spheres shall be replaced within seven (7) calendar days of the date of rejection notice.

LOT IV: Glass Spheres with Drying Agent

The packages shall be marked with the name and address of the manufacturer and name and net weight of the material, the material name, the lot and/or batch number, and the date of manufacture (mm /yy) and be secured on disposable pallets, 40 bags to a pallet (2,000 lbs.). The pallets shall be constructed to allow use of forklifts.

The ordering agency shall have sufficient justification to reject bags of compound that are covered with water, supplied in improper containers, contaminated with foreign materials, or supplied on broken skids or pallets. Rejected items shall be replaced within seven (7) calendar days of the date of rejection notice.

3.16 Liquidated Damages

In the event of a delay or default in any delivery for items contracted under Lots I and II, providing such delay or default is not directly attributable to a material fault of the ordering agency, an agency shall be entitled to and shall assess against the vendor as liquidated damages, a sum calculated as follows:

Two-hundred fifty dollars ($250.00) per business day, not as a penalty but as liquidated damages, for each color of paint, to compensate for delay and other losses, detriments and inconveniences attendant upon such delay from the grace period, commencing from the time delivery was due under the Contract. Saturdays, Sundays, and NYS Holidays will be excluded from the computations for the assessment of Liquidated Damages.

A grace period of ten (10) business days commencing on and including the Contract date for delivery, shall be extended to the vendor prior to the assessment of such liquidated damages. Assessment of liquidated damages will then commence on the forty-fifth (45th) calendar day after placement of the purchase order by mail, or 41 calendar days after placement electronically. Notice is hereby given to the vendor that despite the extensions of the grace period herein specified, time shall be and is of the essence in regard to the delivery of these products to the Authorized User.

The actual delivery date of each color will be used in computing the total amount of liquidated damages on a purchase order. Liquidated damages, if assessed, shall be deducted from payments due Contractor for each color of paint on each invoice for purchase orders that are delivered late.

3.16.1 Additional Notes for Traffic Paint (Waterborne –Lead-Free)

Whereas shipments of paint may not commence at the beginning of an annual painting season until the season's initial manufacturing run has been tested and independently certified as meeting the required specifications, such testing and any delays caused as a result of the testing process negate the liquidated damages clause.

Once initial shipments have been approved for release, the terms of this clause become active. However, should any such initial delays be caused by the failure of Contractor to deliver the required sample requirements in a timely manner, or of the product to meet the stated specifications and requirements, Contractor may be held liable for Liquidated Damages as stated here in.

3.17 Product Returns and Exchanges

In addition to the provisions of Appendix B, *Title and Risk of Loss*, *Product Substitution*, and *Rejected Product*, Products returned or exchanged due to quality problems, duplicated shipments, outdated Product, incorrect Product shipped, Contractor errors otherwise not specified, or Products returned or exchanged due to Authorized User errors, shall be replaced with specified Products or the Authorized User shall be credited or refunded for the full purchase price.

Products shall be replaced within 10 business days of written notification to the Contractor of the Authorized User's intent to return or exchange the Product. Contractor can charge only a restocking fee for Product returned or exchanged due to Authorized User error that is determined not to be suitable for resale; the restocking fee cannot exceed the net price of the returned or exchanged Product.

Any credit or refund shall be applied against the next bill/invoice submitted by the Contractor to the Authorized User. If no credit or refund, or only a partial credit or refund, is made in such fashion, the Contractor shall pay to the Authorized User the amount of such credit or refund or portion thereof still outstanding, within 30 calendar days of demand.

3.18 Unanticipated Excessive Purchase

The State reserves the right to negotiate lower pricing, or to advertise for Bids, for any unanticipated excessive purchase.

3.19 Contract Administration

3.20 NYS Financial System (SFS)

New York State is currently operating on an Enterprise Resource Planning (ERP) system, Oracle PeopleSoft software, referred to as the Statewide Financial System (SFS). SFS is currently on PeopleSoft Financials version 9.2. SFS supports requisition-to-payment processing and financial management functions.

The State is also implementing an eProcurement application that supports the requisitioning process for State Agencies to procure Products in SFS. This application provides catalog capabilities. Contractors with Centralized Contracts have the ability to provide a "hosted" or "punch-out" catalog that integrates with SFS and is available to Authorized Users via a centralized eMarketplace website. Additional information may be found at: https://ogs.ny.gov/procurement/emarketplace

There are no fees required for a Contractor's participation in the catalog site development or management. Upon completion and activation of an on-line catalog, State Agencies will process their orders through the SFS functionality and other Authorized Users can access the catalog site to fulfill orders directly.

The State may be implementing additional PeopleSoft modules in the near future. Further information regarding business processes, interfaces, and file layouts currently in place may be found at: http://www.sfs.ny.gov and http://www.osc.state.ny.us/agencies/guide/MyWebHelp/.

3.21 N.Y. State Finance Law § 139-l

State Finance Law § 139-l, every bid made on or after January 1, 2019 to the State or any public department or agency thereof, where competitive bidding is required by statute, rule or regulation, for work or services performed or to be performed or goods sold or to be sold, and where otherwise required by such public department or agency, shall contain a certification that the bidder has and has implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees. Such policy shall, at a minimum, meet the requirements of N.Y. State Labor Law § 201-g.

N.Y. State Labor Law § 201-g provides requirements for such policy and training and directs the Department of Labor, in consultation with the Division of Human Rights, to create and publish a model sexual harassment prevention guidance document, sexual harassment prevention policy and sexual harassment prevention training program that employers may utilize to meet the requirements of N.Y. State Labor Law § 201-g. The model sexual harassment prevention policy, model sexual harassment training materials, and further guidance for employers, can be found online at the following URL: https://www.ny.gov/combating-sexual-harassment-workplace/employers.

Pursuant to N.Y. State Finance Law § 139-l, any bid by a corporate bidder containing the certification required above shall be deemed to have been authorized by the board of directors of such bidder, and such authorization shall be deemed to include the signing and submission of such bid and the inclusion therein of such statement as the act and deed of the bidder.

If the Bidder cannot make the required certification, such Bidder shall so state and shall furnish with the bid a signed statement that sets forth in detail the reasons that the Bidder cannot make the certification. After review and consideration of such statement, OGS may reject the bid or may decide that there are sufficient reasons to accept the bid without such certification.

The certification required above can be found on Attachment 2 – *NYS Required Certifications*, which Bidder must submit with its bid.

3.24 Contractor Requirements and Procedures for Participation by New York State Certified Minority- and Women-Owned Business Enterprises and Equal Employment Opportunities for Minority Group Members and Women

I. New York State Law

Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations ("NYCRR"), the New York State Office of General Services ("OGS") is required to promote opportunities for the maximum feasible participation of New York State-certified Minority- and Women-Owned Business Enterprises ("MWBEs") and the employment of minority group members and women in the performance of OGS contracts.

II. General Provisions

A. OGS is required to implement the provisions of New York State Executive Law Article 15-A and 5 NYCRR Parts 140-145 ("MWBE Regulations") for all State contracts as defined therein, with a value (1) in excess of $25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of $100,000 for real property renovations and construction.

B. The Contractor agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to OGS, to fully comply and cooperate with OGS in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women ("EEO") and contracting opportunities for MWBEs. Contractor's demonstration of "good faith efforts" pursuant to 5 NYCRR § 142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the "Human Rights Law") or other applicable federal, State, or local laws.

C. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, a finding of non-responsibility, breach of contract, withholding of funds, suspension or termination of the Contract, and/or such other actions or enforcement proceedings as allowed by the Contract and applicable law.

III. Equal Employment Opportunity (EEO)

A. The provisions of Article 15-A of the Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to all Contractors, and any subcontractors, awarded a subcontract over $25,000 for labor, services, including legal, financial and other professional services, travel, supplies, equipment, materials, or any combination of the foregoing, to be performed for, or rendered or furnished to, the contracting State agency (the "Work") except where the Work is for the beneficial use of the Contractor.

1. Contractor and subcontractors shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability, or marital status. For these

purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff or termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) the performance of work or the provision of services or any other activity that is unrelated, separate, or distinct from the Contract; or (ii) employment outside New York State.

2. By entering into this Contract, Contractor certifies that the text set forth in clause 12 of Appendix A, attached hereto and made a part hereof, is Contractor's equal employment opportunity policy. In addition, Contractor agrees to comply with the Non-Discrimination Requirements set forth in clause 5 of Appendix A.

B. Form EEO 100 – Staffing Plan

To ensure compliance with this section, the Contractor agrees to submit, or has submitted with the Bid, a staffing plan on Form EEO 100 to OGS to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and federal occupational categories.

C. Form EEO - 101 - Workforce Utilization Reporting Form (Commodities and Services) ("Form EEO-101-Commodities and Services")

1. The Contractor shall submit, and shall require each of its subcontractors to submit, a Form EEO-101-Commodities and Services to OGS to report the actual workforce utilized in the performance of the Contract by the specified categories listed including ethnic background, gender, and Federal occupational categories. The Form EEO-101-Commodities and Services must be submitted electronically to OGS at EEO_CentCon@ogs.ny.gov on a quarterly basis during the term of the Contract by the 10th day of April, July, October, and January.

2. Separate forms shall be completed by Contractor and all subcontractors.

3. In limited instances, the Contractor or subcontractor may not be able to separate out the workforce utilized in the performance of the Contract from its total workforce. When a separation can be made, the Contractor or subcontractor shall submit the Form EEO-101-Commodities and Services and indicate that the information provided relates to the actual workforce utilized on the Contract. When the workforce to be utilized on the Contract cannot be separated out from the Contractor's or subcontractor's total workforce, the Contractor or subcontractor shall submit the Form EEO-101-Commodities and Services and indicate that the information provided is the Contractor's or subcontractor's total workforce during the subject time frame, not limited to work specifically performed under the Contract.

D. Contractor shall comply with the provisions of the Human Rights Law and all other State and federal statutory and constitutional non-discrimination provisions. Contractor and subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status, or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with

regard to non-discrimination on the basis of prior criminal and conviction and prior arrest.

IV. Contract Goals

A. For purposes of this procurement, OGS conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set goals for participation by MWBEs as subcontractors, service providers, or suppliers to Contractor. Contractor is, however, encouraged to make every good faith effort to promote and assist the participation of MWBEs on this Contract for the provision of services and materials. The directory of New York State Certified MWBEs can be viewed at: https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp?TN=ny&XID=2528. Additionally, following Contract execution, Contractor is encouraged to contact the Division of Minority and Women's Business Development ((518) 292-5250; (212) 803-2414; or (716) 846-8200) to discuss additional methods of maximizing participation by MWBEs on the Contract.

B. Good Faith Efforts

Pursuant to 5 NYCRR § 142.8, evidence of good faith efforts shall include, but not be limited to, the following:

1. A list of the general circulation, trade, and MWBE-oriented publications and dates of publications in which the Contractor solicited the participation of certified MWBEs as subcontractors/suppliers, copies of such solicitations, and any responses thereto.
2. A list of the certified MWBEs appearing in the Empire State Development ("ESD") MWBE directory that were solicited for this Contract. Provide proof of dates or copies of the solicitations and copies of the responses made by the certified MWBEs. Describe specific reasons that responding certified MWBEs were not selected.
3. Descriptions of the Contract documents/plans/specifications made available to certified MWBEs by the Contractor when soliciting their participation and steps taken to structure the scope of work for the purpose of subcontracting with, or obtaining supplies from, certified MWBEs.
4. A description of the negotiations between the Contractor and certified MWBEs for the purposes of complying with the MWBE goals of this Contract.
5. Dates of any pre-bid, pre-award, or other meetings attended by Contractor, if any, scheduled by OGS with certified MWBEs whom OGS determined were capable of fulfilling the MWBE goals set in the Contract.
6. Other information deemed relevant to the request.

V. Fraud

Any suspicion of fraud, waste, or abuse involving the contracting or certification of MWBEs shall be immediately reported to ESD's Division of Minority and Women's Business Development at (855) 373-4692.

3.25 Participation Opportunities For New York State Certified Service-Disabled Veteran Owned Businesses

Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses ("SDVOBs"), thereby further integrating such businesses into New York State's economy. OGS recognizes the need to promote the employment of service-disabled veterans and to ensure that certified SDVOBs have opportunities for maximum feasible participation in the performance of OGS contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Bidders/Contractors are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

For purposes of this procurement, OGS conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set specific goals for participation by SDVOBs as subcontractors, service providers, and suppliers to Contractor. Nevertheless, Bidder/Contractor is encouraged to make good faith efforts to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials. The directory of New York State Certified SDVOBs can be viewed at: https://ogs.ny.gov/Veterans/

Bidder/Contractor is encouraged to contact the Office of General Services' Division of Service-Disabled Veteran's Business Development at 518-474-2015 or VeteranDevelopment@ogs.ny.gov to discuss methods of maximizing participation by SDVOBs on the Contract.

ALL FORMS ARE AVAILABLE AT: https://ogs.ny.gov/Veterans/

3.26 Use of Recycled or Remanufactured Materials

New York State supports and encourages Contractors to use recycled, remanufactured or recovered materials in the manufacture of Products and packaging to the maximum extent practicable without jeopardizing the performance or intended end use of the Product or packaging unless such use is precluded due to health or safety requirements or Product specifications contained herein. Refurbished or remanufactured components or Products are required to be restored to original performance and regulatory standards and functions and are required to meet all other requirements of this Solicitation. Warranties on refurbished or remanufactured components or Products must be identical to the manufacturer's new equipment warranty or industry's normal warranty when remanufacturer does not offer new equipment. See Appendix B, *Remanufactured, Recycled, Recyclable or Recovered Materials.*

3.27 Environmental Attributes and NYS Executive Order Number 4

New York State is committed to environmental sustainability and endeavors to procure Products with reduced environmental impact. One example of this commitment may be found in Executive Order No. 4 (Establishing a State Green Procurement and Agency Sustainability Program), which imposes certain requirements on State Agencies, authorities, and public benefit corporations when procuring Products. More information on Executive Order No. 4, including specifications for offerings covered by this Contract, may be found at https://ogs.ny.gov/greenny/. State entities subject to Executive Order No. 4 are advised to become familiar with the specifications that have been developed in accordance with the Order, and to incorporate them, as applicable, when making purchases under this Contract.

3.28 Consumer Products Containing Mercury

Contractor shall comply with the requirements of Title 21 of Article 27 of the NYS Environmental Conservation Law regarding restrictions on the sale, purchasing, labeling and management of any products containing elemental mercury under this Contract.

3.29 Diesel Emission Reduction Act

Pursuant to N.Y. Environmental Conservation Law § 19-0323 (the "Law"), it is a requirement that heavy duty diesel vehicles in excess of 8,500 pounds use the best available retrofit technology ("BART") and ultra-low sulfur diesel fuel ("ULSD"). The requirement of the Law applies to all vehicles owned, operated by or on behalf of, or leased by State Agencies and State or regional public authorities. It also requires that such vehicles owned, operated by or on behalf of, or leased by State Agencies and State or regional public authorities with more than half of its governing body appointed by the Governor utilize BART.

The Law may be applicable to vehicles used by Contractors "on behalf of" State Agencies and public authorities and require certain reports from Contractors. All heavy duty diesel vehicles must have BART by the deadline provided in the Law. The Law also provides a list of exempted vehicles. Regulations set forth in 6 NYCRR Parts 248 and 249 provide further guidance. The Bidder hereby certifies and warrants that all heavy duty vehicles, as defined in the Law, to be used under this Contract, will comply with the specifications and provisions of the Law, and 6 NYCRR Parts 248 and 249.

3.30 Overlapping Contract Products

Products available under the resulting Contract may also be available from other New York State Contracts. Authorized Users will be advised to select the most cost-effective procurement alternative that meets their program requirements and to maintain a procurement record documenting the basis for this selection.

3.31 Preferred Source Products

Section 162 of the State Finance Law requires that Authorized Users afford first priority to the Products of Preferred Source suppliers such as Corcraft (the marketplace name for the NYS Department of Corrections and Community Supervision, Division of Industries), New York State Preferred Source Program for People who are Blind (NYSPSP), and New York State Industries for the Disabled (NYSID), and others determined by law, when such Products meet the form, function and utility of the Authorized User.
Some Products in the resultant Contract may be available from one or more Preferred Sources. An Authorized User must determine if a particular Product is approved for a Preferred Source and follow the requirements of State Finance Law § 162(3) or (4)(b), respectively, before engaging the Contractor.

3.32 NYS Vendor Responsibility

OGS conducts a review of prospective Contractors to provide reasonable assurances that the Bidder is responsive and responsible. A For-Profit Business Entity Questionnaire (hereinafter "Questionnaire") is used for non-construction Contracts and is designed to provide information to assess a Bidder's responsibility to conduct business in New York based upon financial and organizational capacity, legal authority, business integrity, and past performance history. By submitting a Bid, Bidder agrees to fully and accurately complete the Questionnaire. The Bidder acknowledges that the State's execution of the Contract will be contingent upon the State's determination that the Bidder is responsible, and that the State will be relying upon the Bidder's responses to the Questionnaire, in addition to all other information the State may obtain from other sources, when making its responsibility determination.

OGS recommends each Bidder file the required Questionnaire online via the New York State VendRep System. To enroll in and use the VendRep System, please refer to the VendRep System Instructions and User Support for Vendors available at the Office of the State Comptroller's (OSC) website at http://www.osc.state.ny.us/vendors/index.htm or to enroll, go directly to the VendRep System online at https://www.osc.state.ny.us/state-vendors/vendrep/vendrep-system.

Vendors must provide their NYS Vendor ID Number when enrolling. For information on how to request assignment of an NYS Vendor ID, see the NYS Vendor File Registration section. OSC provides direct support for the VendRep System through user assistance, documents, online help, and a help desk. The OSC Help Desk contact information is located at http://www.osc.state.ny.us/portal/contactbuss.htm. Bidders opting to complete and submit the paper questionnaire can access this form and associated definitions via the OSC website at http://www.osc.state.ny.us/vendrep/forms_vendor.htm.

In order to assist the State in determining the responsibility of the Bidder prior to Contract award, the Bidder must complete and certify (or recertify) the Questionnaire no more than six (6) months prior to the Bid due date. A Bidder's Questionnaire cannot be viewed by OGS until the Bidder has certified the Questionnaire. It is recommended that all Bidders become familiar with all of the requirements of the Questionnaire in advance of the Bid opening to provide sufficient time to complete the Questionnaire.

The Bidder agrees that if it is awarded a Contract the following shall apply:

The Contractor shall at all times during the Contract term remain responsible. The Contractor agrees, if requested by the Commissioner of OGS, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

The Commissioner of OGS, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of OGS issues a written notice authorizing a resumption of performance under the Contract.

The Contractor agrees that if it is found by the State that Contractor's responses to the Questionnaire were intentionally false or intentionally incomplete, on such finding, the Commissioner may terminate the Contract.

Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate OGS officials or staff, the Contract may be terminated by the Commissioner of OGS at the Contractor's expense where the Contractor is determined by the Commissioner of OGS to be non-responsible. In such event, the Commissioner of OGS may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

In no case shall such termination of the Contract by the State be deemed a breach thereof, nor shall the State be liable for any damages for lost profits or otherwise, which may be sustained by the Contractor as a result of such termination.

3.33 "OGS or Less" Guidelines

Purchases of the Products included in the Solicitation and resulting Contract are subject to the "OGS or Less" provisions of State Finance Law § 163(3)(a)(v). This means that State Agencies can purchase Products from sources other than the Contractor provided that such Products are substantially similar in form, function or utility to the Products herein and are (1) lower in price and/or (2) available under terms which are more economically efficient to the State Agency (e.g. delivery terms, warranty terms, etc.).

Agencies are reminded that they must provide the State Contractor an opportunity to match the non-Contract savings at least two business days prior to purchase. In addition, purchases made under "OGS or Less" flexibility must meet all requirements of law including, but not limited to, advertising in the NYSCR, prior approval of the Office of the State Comptroller and competitive bidding of requirements exceeding the discretionary threshold. State Agencies should refer to Procurement Council Guidelines for additional information.

3.34 Non-State Agencies Participation in Centralized Contracts

New York State political subdivisions and others authorized by New York State law may participate in Centralized Contracts. These include, but are not limited to, local governments, public authorities, public school and fire districts, public and nonprofit libraries, and certain other nonpublic/nonprofit organizations. See Appendix B, Participation in Centralized Contracts. For Purchase Orders issued by the Port Authority of New York and New Jersey (or any other authorized entity that may have delivery locations adjacent to New York State), the terms of the Price clause shall be modified to include delivery to locations adjacent to New York State.

Upon request, all eligible non-State agencies must furnish Contractors with the proper tax exemption certificates and documentation certifying eligibility to use State contracts. A list of categories of eligible entities is available on the OGS web site (https://online.ogs.ny.gov/purchase/snt/othersuse.asp). Questions regarding an organization's eligibility to purchase from New York State Contracts may also be directed to NYS Procurement Services Customer Services at 518-474-6717.

3.35 Extension of Use

Any Contract resulting from this Solicitation may be extended to additional States or governmental jurisdictions upon mutual written agreement between New York State and the Contractor. Political subdivisions and other authorized entities within each participating state or governmental jurisdiction may also participate in any resultant Contract if such state normally allows participation by such entities. New York State reserves the right to negotiate additional discounts based on any increased volume generated by such extensions.

3.36 Resellers

A. Definitions

Reseller is a company or individual (merchant) that purchases goods or services with the intention of selling them rather than consuming or using them. Also known as Value Added Reseller (VAR) or channel partner. Resellers must be eligible to quote statewide, independently and lower than manufacturer (Contract) pricing for procurements under resulting Contracts. Reseller must also be able to accept orders, invoice and receive payment for Products.

NOTE: This clause is not applicable to manufacturer's authorized resellers that submit a bid and are awarded as a prime contract holder on this contract.

B. Conditions of Reseller Participation

Resellers must be approved in advance by the State as a condition of eligibility under the Contract. The State also reserves the right to rescind any such participation or request that Contractor name additional Resellers, in the best interests of the State, at the State's sole discretion, at any time. Contractor shall have the right to qualify Resellers and their participation under this Contract by product line, contracting program (e.g., government/educational sales), geographic region, size/sales volume, technical training or other criteria ("qualifying criteria"), provided that:

1. such qualifying criteria are uniformly applied to all potential Resellers based upon Contractor's established, neutrally applied commercial/governmental program criteria, and not to a particular procurement;
2. all general categories of qualifying criteria must be disclosed by the Contractor to the State, in advance, at the beginning of the Contract term;
3. those qualifying criteria met by the Reseller must be identified in Reseller designations submitted by email to the OGS Procurement Services Contract Manager at the time that Reseller approval is requested; and,
4. Immediate advance notice is provided to OGS in the event that a change in Reseller's status occurs during the Contract term.

All Resellers who have been approved in accordance with the foregoing paragraph shall be eligible to quote lower pricing for procurements under this Contract which meet their qualifying criteria. Contractor warrants and represents that it shall not, directly or indirectly, by agreement, communication or any other means, restrict any Reseller's participation or ability to quote a particular order.

C. Designation of Resellers

When Resellers are submitted for approval, Contractor must provide the State, in advance, with all necessary ordering information, billing addresses and Federal Identification numbers in the format requested by email . Contractor shall also specify whether orders must be placed directly with Contractor, or may be placed directly with designated Resellers.

D. Responsibility for Reporting/Performance

Contractor shall be fully liable for a Reseller's performance and compliance with all Contract terms and conditions. Product purchased through a Reseller must be reported by Contractor in the required sales reports to the State as a condition of payment. In addition to inclusion of Reseller volume in the Contractor's sales reporting obligation to the State, at the request of an Authorized User, the Reseller shall provide the Authorized User with reports of the individual Authorized User's Contract activity with the Reseller.

E. Applicability of Contract Terms

Product ordered directly through Resellers shall be limited to Products previously approved for inclusion under this Contract and shall be subject to all terms and conditions of this Contract as a condition of Reseller participation.

3.37 New Accounts

Contractor may ask State Agencies and other Authorized Users to provide information in order to facilitate the opening of a customer account, including documentation of eligibility to use New York State Contracts, agency code, name, address, and contact person. State Agencies shall not be required to provide credit references.

3.38 Drug and Alcohol Use Prohibited

For reasons of safety and public policy, in any Contract resulting from this Solicitation, the Contractor's personnel shall not be impaired by alcohol or drugs of any kind in the performance of the Contract.

3.39 Traffic Infractions

Neither the State nor Authorized Users will be liable for any expense incurred by the Contractor's personnel for any parking fees or as a consequence of any traffic infraction or parking violation attributable to employees of the Contractor in performance of the Contract.

If EBP provides maintenance made necessary resulting from any of the above listed occurrences or other work not covered under the foregoing remedial maintenance obligation, such maintenance shall be billed to Customer (and shall be due and payable in full upon receipt of invoice) at EBP's then current rates for labor and parts. Customer agrees that EBP will not be required to make adjustments, repairs, or replacements if EBP is not provided reasonable access to the Equipment.

F. TONER: Toner-inclusive contracts are based on manufacturer supply consumption rates. EBP will determine and deliver supplies in accordance with agreed upon usage. Use of covered supply products above the expected usage may result in additional charges. Toner may be OEM original or non-OEM at the discretion of EBP. At the conclusion of this Agreement all unused toner must be returned, or additional charges shall be incurred. Additional toner is placed at Customer's site for convenience only and remains the property of EBP.

G. RELOCATION: Customer agrees to keep the Equipment at the installation location and not move it from that location without prior written consent of EBP. Customer agrees to be responsible for all costs associated with relocation. If the Equipment is moved to a new position or location, EBP shall have the right to charge a new rate for the new position or location and Customer agrees to pay the difference between the old rate and the new rate.

H. CUSTOMER RESPONSIBILITY: Customer will be responsible for regular care and cleaning of the top glass, dusting Equipment, replenishing toner, replacing disposal tank, clearing jams, etc., (where applicable). Customer is solely responsible for security and protection of the equipment and network. EBP shall connect equipment to Customer's network, but has no responsibility for Customer's network.

I. LIABILITY LIMITATION: EBP's total liability is limited to repair and maintenance of the covered Equipment. EBP will not be held liable to Customer or any other party for any personal injury or indirect, incidental, consequential damage, including, but not limited to, loss of use, revenue or profit. EBP will not be liable for any delay or failure to perform its obligations due to any cause beyond its reasonable control, including without limitation, performing services at a location deemed by EBP as hazardous to health and safety, acts of God or government, labor difficulties, failure of proper transportation, Internet or power, or the inability to obtain parts or supplies. In no event shall EBP be responsible for lost data, lost profits, damages, or incidental or consequential damages. EBP's sole liability shall be limited to the amount Customer has paid EBP pursuant to this Agreement. EBP DISCLAIMS ALL WARRANTIES, EXPRESS AND IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PURPOSE AND USE. BUYER AGREES THAT THE SYSTEM HAS BEEN SELECTED BY BUYER AND IS OF A DESIGN, SIZE, FITNESS AND CAPACITY SELECTED BY BUYER AND THAT BUYER IS SATISFIED THAT THE SAME IS SUITABLE AND FIT FOR BUYER'S PURPOSE.

J. TAXES: Customer shall be responsible for all sales tax, use tax or other taxes (including without limitations personal property taxes accessible on the Equipment) and fees charged relative to this Agreement. Customer agrees to reimburse EBP for all amounts paid or payable by EBP in discharge of the foregoing taxes. Customer shall not be responsible for taxes based on EBP's gross or net income.

K. DEFAULT: Customer shall be in default under this agreement if Customer: (i) fails to make any payment under this or any agreement with EBP within ten (10) days of when due or (ii) breaches any other term or condition included in this agreement and Customer fails to cure any such breach within ten (10) days. In the event of a default, EBP may, in addition to other remedies, (i) declare all sums (including penalties) accelerated and due under the terms of this Agreement and terminate the services under this Agreement without advance notice, including disabling the equipment.

L. INSURANCE: Customer shall maintain full insurance on all equipment provided hereunder, designating EBP as an additional insured. Customer assumes all risk of loss upon delivery to it.

M. NOTICES: Notices required under this agreement shall be written and sent to EBP at 4 Airport Park Boulevard, PO Box 926, Latham, New York 12110 and to the Customer at the "bill to address" identified on the front side of this Agreement. All notices will be effective upon date of postmark or hand delivered.

N. JURISDICTION: This agreement shall be interpreted and enforced according to the laws and in the courts of the State of New York.

O. INDEMNITY: With respect to, arising from, or in connection from this agreement, or from manufacture, maintenance, repair or use of any Equipment, Customer agrees to indemnify and hold harmless EBP and its officers, directors, agents, representatives, and employees from and against any and all claims, liabilities, damages, demands, cost and expenses of every kind and nature (including reasonable attorney's fees) arising from any injury or damage to any person, property, or business, excluding, however, any of the foregoing resulting solely from the gross negligence or misconduct of EBP or its agents, representatives or employees.

P. METER READINGS: Customer agrees to provide EBP with remote access to the equipment for accurate meter readings. If remote access is not available, the Customer shall provide accurate meter readings based on the billing term on the front of this Agreement. If accurate meter readings are not provided, or if remote access is not available, EBP reserves the right to estimate the meter reading from previous meter readings. Customer agrees and consents that EBP may obtain meter readings via remote access and grants EBP the right to do so.

Q. RENEWAL/TERMINATION: Unless otherwise indicated, this is an annual Agreement that may not be terminated. This Agreement will renew yearly after the initial period unless cancelled by Customer in writing, no less than thirty (30) days prior to renewal date. Said automatic renewal is to provide uninterrupted coverage to Customer. This Agreement shall automatically renew at the then current rates in effect. During the term of this Agreement the charges may be increased to reflect increases in the cost of fuel, supplies, parts, tariffs, labor or any other third-party charge. This agreement is subject to acceptance by EBP and will remain in force until cancelled as stated above. EBP reserves the right to cancel this contract at its discretion upon five (5) days written notice.

R. ASSIGNMENT: This contract is for the sole benefit of the Customer whose name appears on the front hereof and cannot be assigned by the customer to any further owners of the covered Equipment without the express written consent of EBP. EBP may assign this Agreement to its successor or assigns with Notice to Customer.

S. CONFIDENTIALITY CLAUSE: EBP recognizes that it must conduct its activities in a manner designed to protect any information concerning Customer, its affiliates or clients (such information hereinafter referred to collectively as "Customer Information") from improper use or disclosure. EBP agrees to use its best efforts to treat Customer Information on a confidential basis. EBP agrees not to disclose any Customer Information to any person, firm or corporation that does not have a need to know said information.

The Consultant will not proceed with any activities in this section without written authorization from the Municipality.

The Consultant will meet with the Municipality to review and to discuss the right of way acquisition procedures.

5.091 Just Compensation

The Municipality will establish just compensation for each property rights acquisition. In no event shall the Just Compensation amount be less than the Municipality's highest approved appraisal. Because time is of the essence, the Municipality will provide the just compensation amounts in writing to the Consultant within 10 days of its receipt of the preliminary appraisal reviews from the Consultant.

5.092 Written Offer

The Consultant will prepare a written offer for each acquisition of real property. The amount of the offer will be the amount established by the Municipality as just compensation. The written offer will include the following:

- A statement of the just compensation amount
- Separate indications of the compensation offered for the property acquired and for damages to the remaining property, if applicable (when only a part of the property is acquired)
- A summary statement, which will include:
- the basis for the just compensation amount
- a description and location identification of the real property
- the interest in the real property being acquired
- where appropriate, the statement will identify any separately held ownership interest in the property (i.e. tenant-owned improvement) and indicate that the interest is not covered by the offer

- Additional information the Consultant and/or the Municipality deems appropriate or required

5.093 Deliver Offer

The Consultant will deliver the written offer, plats, unsigned agreements and releases to the appropriate property owners or his/her designated representative.

The Consultant will meet with the appropriate property owners or his/her designated representative to explain the written offer, plats and unsigned agreements. The Consultant will conduct additional negotiation sessions with the appropriate property owners or his/her designated representative in an attempt to negotiate a settlement.

The Consultant will make all reasonable efforts to contact personally each property owner(s) or designated representative. Absentee and unsuccessful personal contacts may be made by certified mail.

The Consultant will maintain a detailed diary of each substantial contact with property owner(s). The diary will be signed and dated by the person responsible for the contact. The diary entries will be on a parcel by parcel basis:

- Substantial contacts
- Efforts to achieve amicable settlements
- Responsiveness to owners' counter proposals
- Suggestions for changes in plans

The records should include the principal activities undertaken by the agent, such as:

- parties contacted
- date and location of contact
- offers made [dollar amounts]
- counteroffers received
- property owner's comments
- reason(s) settlement could not be reached

5.094 Purchase Agreements

The Consultant will submit real property acquisition documents to the Municipality for recommended action on settlements:

- Approval of negotiated settlements
- Action on proposed administrative settlements

© RK Hite & Co., Inc.

- Referral to the Municipality attorney for initiation of eminent domain proceedings

Because time is of the essence, the Municipality will provide a written response to the Consultant within 10 days of its receipt of the acquisition documents from the Consultant.

5.095 Revisions to Just Compensation

The Consultant will consider any presentations made by the property owner which might affect the value of the property. The Consultant may make recommendations to the Municipality to adjust the written offer. The Municipality may revise the just compensation based on the information provided by the property owner.

The Consultant will document the justification for revising the just compensation.

The Consultant will prepare and promptly deliver a revised written offer to the property owner.

5.096 Administrative Settlements

The Consultant and/or the Municipality may recommend administrative settlements. Administrative settlements are settlements in excess of the Municipality's just compensation determination.

The Municipality will have final approval to authorize administrative settlements.

The Consultant will provide the written justification for the Administrative Settlement. The written justification will include all information necessary to support the settlement; such as:

- The approved offer of just compensation
- A summary of the acquisition agent's record of negotiations
- Reference to all appraisal reports (including the owner's appraisal report)
- Recent court awards and their relationship to the proposed administrative settlement
- A discussion of diverse valuation issues (i.e. probable range of testimony as to fair market value by both parties)
- The trial cost estimate
- The opinion of legal counsel
- The identification of the responsible agency official who has the authority to approve administrative settlements
- The recommendation and signatures of all individuals proposing the settlement

© RK Hite & Co., Inc.

The Consultant will prepare and promptly deliver a revised written offer to the property owner.

5.097 Transfer of Title

The Municipality will not require any property owner to surrender possession of real property before the Municipality pays the agreed purchase price.

5.0971 The Consultant will conduct necessary title curative work. For real property acquisitions valued at $10,000 or less, the Consultant will clear only the possessory interest. For real property valued at greater than $10,000, the Consultant will clear all interests in the property. Title curative work may include partial releases of mortgage, lien subordination agreements, and lien satisfactions.

5.0972 The Consultant will perform a calculation to prorate real property taxes for each fee and permanent easement acquisitions. The Municipality will pay all tax prorations over $25.00.

5.0973 The Consultant will prepare closing documents for each acquisition. The closing documents will include a closing statement, instrument, real estate transfer tax return, and real property transfer report.

5.0974 The Consultant will deliver the title instrument(s) to the title attorney subcontracted by the Consultant for review and approval.

5.0975 The Consultant will schedule and hold the closing. Because time is of the essence, the Municipality will pay the just compensation at the time the property owner(s) signs all required closing documents. The transfer of title to the agency may also require the payment of incidental expenses by the owner, the Municipality, or the Consultant. The Municipality will pay appropriate reimbursable expenses to the property owner(s) and/or the Consultant.

5.0976 The Consultant will promptly file all deeds or conveyance documents in the County Clerk's Office.

5.098 Right of Way Certification

The Consultant will prepare the Right of Way Certificate on forms prescribed by the New York State Department of Transportation. The Municipality will sign the Right of Way Certificate.

Category A - No overtime compensation.
Category B - Overtime compensated at straight time rate.
Category C - Overtime compensated at straight time rate x 1.50.

Overtime applies to hours worked in excess of the normal working hours of 40 hours per week.

County(ies):
PREVAILING WAGE RATES - The difference between the required prevailing wage rate and the individual's actual hourly rate, if the individual's rate is lower, is considered a direct cost:
For prevailing wages, the prevailing wage overtime policy will apply.

Instrument Person	II (N)	$36.74	$19.85	$16.89	$1.52	$18.41

SUPPLEMENTAL BENEFITS are also considered direct costs. The net benefit is the difference between required amounts and deductions made through existing plans (overhead)

		Prevailing Benefit	Normal Rate	Difference (Net)	Wage Adjustment	Payroll Additive	Total
Party Chief	III (N)	$24.20	$10.56	$13.64	$0.00	$1.23	$14.87

Scope of Additional Engineering Services

2.09 – Hydraulic Analysis **Total Additional Hours: 218 hrs**

AECOM USA, Inc. (AECOM) had completed the hydraulic analysis and thereafter a storm event in 2020 washed out the culvert (designated as CIN 32, within the project limits) that was part of the model and the hydraulic analysis. Additional work is detailed below as back up for the requested additional hours. The associated tasks results in an additional 218 hours.

Data Collection and Field Visit - AECOM will obtain the effective FIS hydraulic model from the FEMA Engineering Library, collect 2020 culvert replacement data and conduct a site visit to gather field measurements of the culvert which was installed in 2020. This subtask will require an additional 28 hours.

Hydrologic and Hydraulic Analysis – AECOM will check and update StreamStat flows, refine the effective Model; a new existing condition model (reflecting the 2020 replacement culvert) and proposed condition model (two iterations to maintain the no rise condition). Additionally, AECOM assumes that the no rise is attainable and henceforth, will update the report with a no rise certificate. We have assumed in this supplemental that CLOMR is not included. Additionally, we propose to run design simulations to include the 20% flow surplus and update the hydraulic engineering tables in accordance with the NYSDOT Bridge Manual. This subtask will require an additional 156 hours.

Scour Analysis – AECOM will recalculate the abutment scour, contraction scour and pressure scour using HEC -18 equation for design and check scour flows. This subtask will require an additional 34 hours.

3.06 – Public Information Meeting(s) and/or Public Hearing(s)Inspection
Total Additional Hours: 42 hrs

The associated tasks result in an additional 42 hours.

AECOM had originally scheduled the public information meeting for March 25, 2020. The COVID-19 outbreak necessitated the cancelation of the meeting on March 18, 2020. Subsequently, AECOM prepared a virtual public information meeting with an audio recording. The virtual public meeting was never posted to the Rensselaer County website and AECOM rescheduled the in-person public information meeting for November 3, 2022. The presentation needed to be updated for the second public information meeting based on the new culvert, the updated replacement cost and the revised schedule.

Client and Sentact are sometimes referred to collectively herein as the "Parties" and individually as a "Party."

Sentact is engaged in the business of providing, either directly or through one of its wholly owned subsidiaries, certain healthcare related services, including, but not limited to: staffing services; external peer review services; consulting services; credentials verification organization services; patient safety, risk management, rounding and other patient experience software; and other health care operations services.

Client desires to contract with Sentact to obtain certain healthcare related software and services to be provided under one or more Project Services Agreements, which may be separately executed by and between the Parties, each referencing and incorporating the terms of this MSA (each individually a "**Related PSA**").

In consideration of the mutual promises set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Parties hereby agree as follows:

1. PROVISION OF SERVICES

1.1 Services. During the term of this MSA, Sentact shall provide services to Client as set forth in one or more Related PSAs (each individually "**Service**" and collectively, "**Services**"). The Parties further understand and agree a Related PSA for each individual Service incorporates the terms of this MSA. The Parties may agree to any number of Statements of Work for Services performed under a Related PSA and this MSA.

Each invoice sent to Client shall be paid in full by Client within thirty (30) days of the invoice date, by either credit card, ACH or physical check sent to Sentact at the address indicated on the invoice. Client may only withhold payment of a disputed portion of a given invoice if Client identifies both the specific invoice line items in dispute and Client's reason for disputing those line items to Sentact in writing within fifteen (15) days of receipt of that invoice. For the avoidance of doubt, Client remains responsible for timely payment of all undisputed portions of a given invoice. All past due invoices will accrue a late fee equal to the lesser of (a) one and a half percent (1.5%) per month or (b) the highest rate permissible under applicable law.

2.2 Nonpayment. If Client fails to make any payment when due, then, in addition to any other remedies available to Sentact, Sentact may, following written notice to Client of such failure, immediately cease to provide Services for Client. Services will not resume until all outstanding undisputed balances are paid in full or arrangements approved by Sentact have been made to fully resolve undisputed outstanding balances.

New York State Attorney General

Attorney General James Announces Over $6.6 Million for the Capital Region to Combat Youth Vaping Epidemic

Funds from $112.7 Million Settlement with JUUL for its Role in the Youth Vaping Epidemic
Money Will Help Young New Yorkers Quit Vaping and Support Anti-Vaping Programs

June 21, 2024

NEW YORK – New York Attorney General Letitia James today announced the Capital Region will receive over $6.6 million from a historic $462 million multistate settlement that she secured from JUUL Labs Inc. (JUUL) for its role in the youth vaping epidemic that led to a dangerous rise in underage e-cigarette use nationwide. New York state will receive a total of $112.7 million through this settlement, which Attorney General James will distribute to every county, Board of Cooperative Educational Services (BOCES), and the five largest cities in the state to support programs that will help reduce and prevent underage vaping.

"E-cigarettes are dangerous and addictive products, but JUUL launched its business by marketing them to children and deceiving its customers about the harm they cause," said **Attorney General James**. "Young people across our state are now facing serious mental and physical health challenges because of JUUL's tactics. The funds from this settlement will help leaders in the Capital Region tackle the youth vaping epidemic and reach the most vulnerable kids in their schools and communities. I thank my partners in government who will use these funds to keep New York youth safe."

The funds will be split between counties and BOCES in the Capital Region:

Counties

- Albany County will receive$1,055,715.55
- Columbia County will receive $285,180.93
- Greene County will receive $292,672.78
- Rensselaer County will receive $605,331.97
- Saratoga County will receive $984,376.05
- Schenectady County will receive $523,014.31
- Warren County will receive $381,885.14
- Washington County will receive $419,833.43

BOCES

- Capital Region BOCES will receive $1,062,991.22
- Questar III BOCES will receive $468,013.79
- Washington-Saratoga-Warren-Hamilton-Essex BOCES will receive $596,111.01

After JUUL launched in 2015, e-cigarette use among New York high school students skyrocketed. By 2019, the proliferation of vaping led to a national outbreak of severe vaping-related illnesses, with more than 2,500 hospitalizations. In October 2019, a 17-year-old male from the Bronx died due to a vaping-related illness, making him the first reported vaping-related fatality in New York, and the youngest vaping-related fatality in the United States.

In November 2019, Attorney General James sued JUUL for its deceptive and misleading marketing that glamorized vaping and targeted young people. In April 2023, Attorney General James secured the largest multistate agreement with JUUL and its former directors and executives for their role in fueling the youth vaping epidemic. JUUL misled consumers about the nicotine content of its products, misrepresented the safety and therapeutic value of its products by stating that they were safer than cigarettes, and failed to prevent minors from purchasing its products in stores across the country.

The settlement funds will be used for evidence-based measures to combat underage vaping and e-cigarette addiction. Counties and BOCES must dedicate the settlement funds they receive to programs in five categories:

- Public education campaigns to prevent e-cigarette use among young people.
- Community, school, and university-based anti-vaping programs.

- Vaping cessation services in communities, schools, and colleges.
- Enforcement of vaping laws and regulations.
- Public health research into e-cigarette use among young people and the effectiveness of anti-vaping programs.

In addition to paying New York $112.7 million, the settlement required JUUL to make significant changes to its sales and marketing tactics, including:

- Refraining from any marketing that targets youth, including using anyone under the age of 35 in promotional material or funding, operating youth education/prevention campaigns, or sponsoring school related activities.
- Limiting the amount of retail and online purchases an individual can make.
- Performing regular retail compliance checks at five percent of New York's retail stores that sell JUUL's products for at least four years.
- Treating synthetic nicotine as nicotine.
- Refraining from providing free or nominally priced JUUL pods as samples to consumers.
- Excluding product placement in virtual reality systems.
- Increasing funding to a document depository by up to $5 million and adding millions of relevant documents to the depository to inform the public on how JUUL created a public health crisis.

"Rensselaer County is committed to keeping harmful products out of the hands of children and minors, and ensuring their heath, safety and quality of life," **Rensselaer County Executive Steve McLaughlin.**

"This welcome funding is a win for public health, for our education system, and for municipal leaders who now have new tools in their arsenal to protect our kids," said **State Senator Jake Ashby.** "It's paramount that young people understand the serious health risks associated with vaping, and these prevention programs will keep many of them from ever starting," said Ashby."

"Today's allocation of over $6.6 million to the Capital Region marks a crucial step in the ongoing fight against youth vaping," said **Assemblymember John T. McDonald III, RPh.** "These funds, secured through the Attorney General's settlement with JUUL Labs Inc., will allow our communities to implement vital programs aimed at preventing underage

vaping and supporting those affected. By investing these funds in public education, cessation services, and enforcement, we are prioritizing the health and safety of our young people. I commend Attorney General James for her work on this case and I am committed to working collaboratively to ensure these resources make a meaningful impact in our region."

"This $6.6 million settlement fund will support important programs in our district to combat youth vaping," said **Assemblymember Scott Bendett.** "The funds will enable us to start educational campaigns, commence cessation services, and enforce vaping regulations that protect our youth from the harmful effects of e-cigarettes. As a father and the ranking member of the Food, Farm and Nutrition Committee, creating a healthier future for our children will always be a priority."

"E-cigarettes pose a health risk, especially for our youth, by potentially leading to nicotine addiction and long-term health issues," said **Assemblymember Angelo Santabarbara.** "Companies must prioritize the well-being of our community and avoid targeting young adults with misleading marketing. I commend Attorney General James for her efforts to protect our youth and address this critical issue. This settlement is another step towards safeguarding our community's health."

"Underage vaping is an epidemic that is putting our youth at risk of serious long-term health effects," said **Assemblymember Patricia Fahy.** "These funds, secured by Attorney General James will help advance and support anti-vaping initiatives and educational programming that will educate young New Yorkers about the dangers of vaping – known and unknown. I commend Attorney General James' diligence in ensuring companies pay for their role in perpetuating this health crisis."

"I am pleased that Saratoga, Washington and Warren counties along with WSWHE BOCES will be receiving significant funds to invest in prevention and recovery services that help protect our children and save lives," said **Assemblymember Carrie Woerner.** "We must hold accountable companies that are poisoning our communities by targeting our vulnerable young people with vaping products and marketing campaigns. I am grateful for Attorney General James' continued work in battling the e-cigarette epidemic and fighting for the health our youth."

"This settlement proves what we already knew: e-cigarettes are dangerous and addictive. It's shameful that JUUL targeted our youth with their products," said **Gary**

Hughes, Chair of the Schenectady County Legislature. "While JUUL's marketing practices have already caused significant damage, Schenectady County will use the settlement money to improve our education and enforcement efforts to prevent further harm to our youth. On behalf of Schenectady County, I thank Attorney General James for her dedication to this issue and for securing this significant settlement."

The settlement was led by Senior Advisor and Special Counsel M. Umair Khan, Assistant Attorneys General Hailey DeKraker and Noah Popp, and Healthcare Deputy Bureau Chief Leslieann Cachola. The settlement was also brought about by the work of Assistant Attorneys General Sarah Millings, Michael Reisman, and Abigail Kasowitz; Consumer Frauds Bureau Chief Jane Azia; Senior Assistant Solicitor General Dennis Fan, Deputy Solicitor General Judith Vale; Special Assistant Attorney General Emily Auletta; former Deputy Director of Research and Analytics Megan Thorsfeldt and Data Scientist Jasmine McAllister; Chief Scientist Jodi Feld, Information Technology Manager Corey Nugent, Information Technology Specialists Hewson Chen and Paige Podolny; E-Discovery Document Review Manager Carol Cheng; Civil Recoveries Section Chief Martin Mooney; and former Special Counsel Morenike Fajana, former Healthcare Bureau Chief Lisa Landau, and former Section Chief Amy Schallop. The Division for Social Justice is led by Chief Deputy Attorney General Meghan Faux and the Division for Economic Justice is led by Chief Deputy Attorney General Chris D'Angelo. Both the Division for Economic Justice and the Division for Social Justice are overseen by First Deputy Attorney General Jennifer Levy.

3. PERMISSIBLE USE AND DISCLOSURE OF PHI

3.1 Except as otherwise limited in this Agreement, or by privilege, protection, or confidentiality under HIPAA or other applicable law, Business Associate may use or disclose (including permitting acquisition or access to) PHI to perform applicable functions, activities, or services for, or on behalf of, Covered Entity as specified in the Underlying Agreement. Moreover, the provisions of HIPAA are expressly incorporated by reference into, and made a part of, this Agreement.

3.2 Business Associate may use or disclose (including permitting acquisition or access to) PHI only as permitted or required by this Agreement or as Required By Law.

3.3 Business Associate is directly responsible for full compliance with the relevant requirements of HIPAA.

3.4 Business Associate must not use or disclose (including permitting acquisition or access to) PHI other than as permitted or required by this Agreement or HIPAA, and must use or disclose PHI only in a manner consistent with HIPAA. As part of this, Business Associate must use appropriate safeguards to prevent use or disclosure of PHI that is not permitted by this Agreement or HIPAA. Furthermore, Business Associate must take reasonable precautions to protect PHI from loss, misuse, and unauthorized access, disclosure, alteration, and destruction.

3.5 Business Associate must implement and comply with administrative, physical, and technical safeguards governing the PHI, in a manner consistent with HIPAA, that reasonably and appropriately protect the confidentiality, integrity, and availability of the PHI that it creates, receives, maintains, or transmits on behalf of Covered Entity.

3.6 Business Associate must immediately notify Covered Entity, in a manner consistent with HIPAA, of: (i) any use or disclosure of PHI not provided for by this Agreement, including a Breach of PHI of which it knows or by exercise of reasonable diligence would have known, as required at 45 CFR §164.410; and, (ii) any Security Incident of which it becomes aware as required at 45 CFR §164.314(a)(2)(i)(C). Business Associate's notification to Covered Entity required by HIPAA and this Section 3.6 must:

3.6.1 Be made to Covered Entity without unreasonable delay and in no case later than 14 calendar days after Business Associate: a) knows, or by exercising reasonable diligence would have known, of a Breach, b) becomes aware of a Security Incident, or c) becomes aware of any use or disclosure of PHI not provided for by this Agreement;

3.6.2 Include the names and addresses of the Individual(s) whose PHI is the subject of a Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement. In addition, Business Associate must provide any additional information reasonably requested by Covered Entity for purposes of investigating the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement;

3.6.3 Be in substantially the same form as Exhibit A hereto;

3.6.4 Include a brief description of what happened, including the date of the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement, if known, and the date of the discovery of the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement;

3.6.6 Identify the nature and extent of the PHI involved, including the type(s) of identifiers and the likelihood of re identification;

3.6.7 If known, identify the unauthorized person who used or accessed the PHI or to whom the disclosure was made;

3.6.8 Articulate any steps the affected Individual(s) should take to protect him or herself from potential harm resulting from the Breach, Security Incident, or use or disclosure of PHI not permitted by this Agreement;

3.6.9 State whether the PHI was actually acquired or viewed;

3.6.10 Provide a brief description of what the Covered Entity and the Business Associate are doing to investigate the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement, to mitigate losses, and to protect against any further Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement;

3.6.11 Note contact information and procedures for an Individual(s) to ask questions or learn additional information, which must include a toll-free telephone number of Business Associate, along with an e-mail address, Web site, or postal address; and

3.6.12 Include a draft letter for the Covered Entity to utilize, in the event Covered Entity elects, in its sole discretion, to notify the Individual(s) that his or her PHI is the subject of a Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement that includes the information noted in Section III. 6.4 – III. 6.11 above.

3.7 Business Associate must, and is expected to, directly and independently fulfill all notification requirements under HIPAA.

3.8 In the event of a Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement, Business Associate must mitigate, to the extent practicable, any harmful effects of said disclosure that are known to it.

3.9 In accordance with 45 CFR §§ 164.502(e)(1)(ii) and 164.308(b)(2), Business Associate agrees to ensure that any agent, subcontractor, or employee to whom it provides PHI (received from, or created or received by, Business Associate on behalf of Covered Entity) agrees to the same restrictions, conditions, and requirements that apply through this Agreement to Business Associate with respect to such information.

3.10 Business Associate must ensure that any contract or other arrangement with a subcontractor meets the requirements of paragraphs 45 CFR §164.314(a)(2)(i) and (a)(2)(ii) required by 45 CFR § 164.308(b)(3) between a Business Associate and a subcontractor, in the same manner as such requirements apply to contracts or other arrangements between a Covered Entity and Business Associate.

3.11 Pursuant to 45 CFR § 164.502(a)(4)(ii), Business Associate must disclose PHI to the Covered Entity, Individual, or Individual's designee, as necessary to satisfy a Covered Entity's obligations under § 164.524(c)(2)(ii) and (3)(ii) with respect to an individual's request for an electronic copy of PHI.

3.12 To the extent applicable, Business Associate must provide access to PHI in a Designated Record Set at reasonable times, at the request of Covered Entity or as directed by Covered Entity, to an Individual specified by Covered Entity in order to meet the requirements under 45 CFR § 164.524.

3.13 A Business Associate that is a health plan, excluding an issuer of a long-term care policy falling within paragraph (1)(viii) of the definition of health plan, must not use or

disclose PHI that is genetic information for underwriting purposes, in accordance with the provisions of 45 CFR 164.502.

3.14 To the extent applicable, Business Associate must make any amendment(s) to PHI in a Designated Record Set that Covered Entity directs or agrees to, pursuant to 45 CFR § 164.526, at the request of Covered Entity or an Individual.

3.15 Business Associate must, upon request with reasonable notice, provide Covered Entity access to its premises for a review and demonstration of its internal practices and procedures for safeguarding PHI.

3.16 Business Associate must, upon request and with reasonable notice, furnish to Covered Entity security and privacy audit results, risk analyses, security and privacy policies and procedures, details of previous Breaches and Security Incidents, and documentation of controls.

3.17 Business Associate must also maintain records indicating who has accessed PHI about an Individual in an electronic designated record set and information related to such access, in accordance with 45 C.F.R. § 164.528. Business Associate must document such disclosures of PHI and information related to such disclosures as would be required for a Covered Entity to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 C.F.R. §164.528. Should an Individual make a request to Covered Entity for an accounting of disclosures of his or her PHI pursuant to 45 C.F.R. § 164.528, Business Associate must promptly provide Covered Entity with information in a format and manner sufficient to respond to the Individual's request.

3.18 Business Associate must, upon request and with reasonable notice, provide Covered Entity with an accounting of uses and disclosures of PHI that was provided to it by Covered Entity.

3.19 Business Associate must make its internal practices, books, records, and any other material requested by the Secretary relating to the use, disclosure, and safeguarding of PHI received from Covered Entity available to the Secretary for the purpose of determining compliance with HIPAA. Business Associate must make the aforementioned information available to the Secretary in the manner and place as designated by the Secretary or the Secretary's duly appointed delegate. Under this Agreement, Business Associate must comply and cooperate with any request for documents or other information from the Secretary directed to Covered Entity that seeks documents or other information held or controlled by Business Associate.

3.20 Business Associate may use PHI to report violations of law to appropriate Federal and State authorities, consistent with 42 C.F.R. § 164.502(j)(1).

3.21 Except as otherwise limited in this Agreement, Business Associate may disclose PHI for the proper management and administration of Business Associate or the Underlying Agreement, provided that disclosures are Required By Law, or Business Associate obtains reasonable assurances from the person to whom the information is disclosed that it will remain confidential and be used or further disclosed only as Required By Law or for the limited purpose for which it was disclosed to the person,

and the person must agree to notify Business Associate of any instance of any Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement of which it is aware in which the confidentiality of the information has been breached.

3.22 Business Associate understands that, pursuant to 45 CFR § 160.402, the Business Associate is liable, in accordance with the Federal common law of agency, for a civil money penalty for a violation of the HIPAA rules based on the act or omission of any agent of the Business Associate, including a workforce member or subcontractor, acting within the scope of the agency.

4. TERM AND TERMINATION

4.1 Term. The Term of this Agreement shall be effective as of the effective date of the Underlying Agreement, and shall terminate: (1) when all of the PHI provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity; or, (2) if it is infeasible to return or destroy PHI, in accordance with the termination provisions in this Article IV.

4.2 Termination for Cause. Upon Covered Entity's knowledge of a material breach of this Agreement by Business Associate, Covered Entity shall:

4.2.1 Provide an opportunity for Business Associate to cure the breach or end the violation and, if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity, have the right to terminate this Agreement and to terminate the Underlying Agreement, and shall report the violation to the Secretary;

4.2.2 Have the right to immediately terminate this Agreement and the Underlying Agreement if Business Associate has breached a material term of this Agreement and cure is not possible, and shall report the violation to the Secretary; or

4.2.3 If neither termination nor cure is feasible, report the violation to the Secretary.

4.2.4 This Article IV, Term and Termination, Paragraph 4.2, is in addition to the provisions set forth in Termination provision of the Contract between County and Vendor, attached to the Underlying Agreement, in which “Business Associate” is “Contractor” and “Covered Entity” is “County” for purposes of this Agreement.

4.3 Effect of Termination:

4.3.1 Except as provided in Section 4.3.2, upon termination or cancellation of this Agreement, for any reason, Business Associate must return or destroy all PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision applies to PHI that is in the possession of a subcontractor(s), employee(s), or agent(s) of Business Associate. Business Associate must not retain any copies of the PHI.

4.3.2 In the event that Business Associate determines that returning or destroying the PHI is infeasible, Business Associate must provide to Covered

Entity written notification of the nature of the PHI and the conditions that make return or destruction infeasible. After written notification that return or destruction of PHI is infeasible, Business Associate must extend the protections of this Agreement to such PHI and limit further use(s) and disclosure(s) of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. Notwithstanding the foregoing, to the extent that it is not feasible to return or destroy such PHI, the terms and provisions of this Agreement survive termination of this Agreement with regard to such PHI.

4.3.3 Should Business Associate violate this Agreement, HIPAA, the Underlying Agreement, other applicable law, Covered Entity has the right to immediately terminate any contract then in force between the Parties, including the Underlying Agreement.

5. CONSIDERATION

Business Associate recognizes that the promises it has made in this Agreement shall, henceforth, be reasonably, justifiably, and detrimentally relied upon by Covered Entity in choosing to continue or commence a business relationship with Business Associate.

6. CAUSES OF ACTION IN THE EVENT OF BREACH

As used in this paragraph, the term “breach” has the meaning normally ascribed to that term under the New York State law related to contracts, as opposed to the specific definition under HIPAA related to PHI. Business Associate hereby recognizes that irreparable harm will result to Covered Entity in the event of breach by Business Associate of any of the covenants and assurances contained in this Agreement. As such, in the event of breach of any of the covenants and assurances contained in this Agreement, Covered Entity shall be entitled to enjoin and restrain Business Associate from any continued violation of this Agreement. Furthermore, in the event of breach of this Agreement by Business Associate, Covered Entity is entitled to reimbursement and indemnification from Business Associate for Covered Entity's reasonable attorneys’ fees and expenses and costs that were reasonably incurred as a proximate result of Business Associate's breach. The causes of action contained in this Article VI are in addition to (and do not supersede) any action for damages and/or any other cause of action Covered Entity may have for breach of any part of this Agreement. Furthermore, these provisions are in addition to the provisions set forth in the “Indemnification” Section, of the General Conditions of Contract between County and Contractor, attached to the Underlying Agreement in which “Business Associate” is “Contractor” and “Covered Entity” is “County”, for purposes of this Agreement.

7. MODIFICATION; AMENDMENT

This Agreement may be modified or amended only through a writing signed by the Parties and, thus, no oral modification or amendment hereof shall be permitted. The Parties agree to take such action as is necessary to amend this Agreement, from time to time, as is necessary for Covered Entity to comply with the requirements of HIPAA, including its Privacy, Security, and Notice Rules.

8. INTERPRETATION OF THIS AGREEMENT IN RELATION TO OTHER AGREEMENTS BETWEEN THE PARTIES

Should there be any conflict between the language of this Agreement and any other contract entered into between the Parties (either previous or subsequent to the date of this Agreement), the language and provisions of this Agreement, along with the Underlying Agreement, shall control and prevail unless the Parties specifically refer in a subsequent written agreement to this Agreement, by its title, date, and substance and specifically state that the provisions of the later written agreement shall control over this Agreement and Underlying Agreement. In any event, any agreement between the Parties, including this Agreement and Underlying Agreement, must be in full compliance with HIPAA, and any provision in an agreement that fails to comply with HIPAA will be deemed separable from the document, unenforceable, and of no effect.

9. COMPLIANCE WITH STATE LAW

The Business Associate acknowledges that by accepting the PHI from Covered Entity, it becomes a holder of medical records information under HIPPA and is subject to the provisions of that law. If HIPAA conflicts with another applicable law regarding the degree of protection provided for Protected Health Information, Business Associate must comply with the more restrictive protection requirement.

10. MISCELLANEOUS

10.1 Ambiguity. Any ambiguity in this Agreement shall be resolved to permit Covered Entity to comply with HIPAA.

10.2 Regulatory References. A reference in this Agreement to a section in HIPAA means the section in effect, or as amended.

10.6 Incorporation of Future Amendments. Other requirements applicable to Business Associates under HIPAA are incorporated by reference into this Agreement.

10.7 Penalties for HIPAA Violation. In addition to that stated in this Agreement, Business Associate may be subject to civil and criminal penalties noted under HIPAA, including the same HIPAA civil and criminal penalties applicable to a Covered Entity.

3. PERMISSIBLE USE AND DISCLOSURE OF PHI

3.1 Except as otherwise limited in this Agreement, or by privilege, protection, or confidentiality under HIPAA or other applicable law, Business Associate may use or disclose (including permitting acquisition or access to) PHI to perform applicable functions, activities, or services for, or on behalf of, Covered Entity as specified in the Underlying Agreement. Moreover, the provisions of HIPAA are expressly incorporated by reference into, and made a part of, this Agreement.

3.2 Business Associate may use or disclose (including permitting acquisition or access to) PHI only as permitted or required by this Agreement or as Required By Law.

3.3 Business Associate is directly responsible for full compliance with the relevant requirements of HIPAA.

3.4 Business Associate must not use or disclose (including permitting acquisition or access to) PHI other than as permitted or required by this Agreement or HIPAA, and must use or disclose PHI only in a manner consistent with HIPAA. As part of this, Business Associate must use appropriate safeguards to prevent use or disclosure of PHI that is not permitted by this Agreement or HIPAA. Furthermore, Business Associate must take reasonable precautions to protect PHI from loss, misuse, and unauthorized access, disclosure, alteration, and destruction.

3.5 Business Associate must implement and comply with administrative, physical, and technical safeguards governing the PHI, in a manner consistent with HIPAA, that reasonably and appropriately protect the confidentiality, integrity, and availability of the PHI that it creates, receives, maintains, or transmits on behalf of Covered Entity.

3.6 Business Associate must immediately notify Covered Entity, in a manner consistent with HIPAA, of: (i) any use or disclosure of PHI not provided for by this Agreement, including a Breach of PHI of which it knows or by exercise of reasonable diligence would have known, as required at 45 CFR §164.410; and, (ii) any Security Incident of which it becomes aware as required at 45 CFR §164.314(a)(2)(i)(C). Business Associate's notification to Covered Entity required by HIPAA and this Section 3.6 must:

3.6.2 Include the names and addresses of the Individual(s) whose PHI is the subject of a Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement. In addition, Business Associate must provide any additional information reasonably requested by Covered Entity for purposes of investigating the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement;

3.6.3 Be in substantially the same form as Exhibit A hereto;

3.6.4 Include a brief description of what happened, including the date of the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement, if known, and the date of the discovery of the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement;

3.6.6 Identify the nature and extent of the PHI involved, including the type(s) of identifiers and the likelihood of re identification;

3.6.7 If known, identify the unauthorized person who used or accessed the PHI or to whom the disclosure was made;

3.6.8 Articulate any steps the affected Individual(s) should take to protect him or herself from potential harm resulting from the Breach, Security Incident, or use or disclosure of PHI not permitted by this Agreement;

3.6.9 State whether the PHI was actually acquired or viewed;

3.6.10 Provide a brief description of what the Covered Entity and the Business Associate are doing to investigate the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement, to mitigate losses, and to protect against any further Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement;

3.6.11 Note contact information and procedures for an Individual(s) to ask questions or learn additional information, which must include a toll-free telephone number of Business Associate, along with an e-mail address, Web site, or postal address; and

3.6.12 Include a draft letter for the Covered Entity to utilize, in the event Covered Entity elects, in its sole discretion, to notify the Individual(s) that his or her PHI is the subject of a Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement that includes the information noted in Section III. 6.4 – III. 6.11 above.

3.7 Business Associate must, and is expected to, directly and independently fulfill all notification requirements under HIPAA.

3.8 In the event of a Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement, Business Associate must mitigate, to the extent practicable, any harmful effects of said disclosure that are known to it.

3.9 In accordance with 45 CFR §§ 164.502(e)(1)(ii) and 164.308(b)(2), Business Associate agrees to ensure that any agent, subcontractor, or employee to whom it provides PHI (received from, or created or received by, Business Associate on behalf of Covered Entity) agrees to the same restrictions, conditions, and requirements that apply through this Agreement to Business Associate with respect to such information.

3.10 Business Associate must ensure that any contract or other arrangement with a subcontractor meets the requirements of paragraphs 45 CFR §164.314(a)(2)(i) and (a)(2)(ii) required by 45 CFR § 164.308(b)(3) between a Business Associate and a subcontractor, in the same manner as such requirements apply to contracts or other arrangements between a Covered Entity and Business Associate.

3.11 Pursuant to 45 CFR § 164.502(a)(4)(ii), Business Associate must disclose PHI to the Covered Entity, Individual, or Individual's designee, as necessary to satisfy a Covered Entity's obligations under § 164.524(c)(2)(ii) and (3)(ii) with respect to an individual's request for an electronic copy of PHI.

3.12 To the extent applicable, Business Associate must provide access to PHI in a Designated Record Set at reasonable times, at the request of Covered Entity or as directed by Covered Entity, to an Individual specified by Covered Entity in order to meet the requirements under 45 CFR § 164.524.

3.13 A Business Associate that is a health plan, excluding an issuer of a long-term care policy falling within paragraph (1)(viii) of the definition of health plan, must not use or

disclose PHI that is genetic information for underwriting purposes, in accordance with the provisions of 45 CFR 164.502.

3.14 To the extent applicable, Business Associate must make any amendment(s) to PHI in a Designated Record Set that Covered Entity directs or agrees to, pursuant to 45 CFR § 164.526, at the request of Covered Entity or an Individual.

3.15 Business Associate must, upon request with reasonable notice, provide Covered Entity access to its premises for a review and demonstration of its internal practices and procedures for safeguarding PHI.

3.16 Business Associate must, upon request and with reasonable notice, furnish to Covered Entity security and privacy audit results, risk analyses, security and privacy policies and procedures, details of previous Breaches and Security Incidents, and documentation of controls.

3.17 Business Associate must also maintain records indicating who has accessed PHI about an Individual in an electronic designated record set and information related to such access, in accordance with 45 C.F.R. § 164.528. Business Associate must document such disclosures of PHI and information related to such disclosures as would be required for a Covered Entity to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 C.F.R. §164.528. Should an Individual make a request to Covered Entity for an accounting of disclosures of his or her PHI pursuant to 45 C.F.R. § 164.528, Business Associate must promptly provide Covered Entity with information in a format and manner sufficient to respond to the Individual's request.

3.18 Business Associate must, upon request and with reasonable notice, provide Covered Entity with an accounting of uses and disclosures of PHI that was provided to it by Covered Entity.

3.19 Business Associate must make its internal practices, books, records, and any other material requested by the Secretary relating to the use, disclosure, and safeguarding of PHI received from Covered Entity available to the Secretary for the purpose of determining compliance with HIPAA. Business Associate must make the aforementioned information available to the Secretary in the manner and place as designated by the Secretary or the Secretary's duly appointed delegate. Under this Agreement, Business Associate must comply and cooperate with any request for documents or other information from the Secretary directed to Covered Entity that seeks documents or other information held or controlled by Business Associate.

3.20 Business Associate may use PHI to report violations of law to appropriate Federal and State authorities, consistent with 42 C.F.R. § 164.502(j)(1).

3.21 Except as otherwise limited in this Agreement, Business Associate may disclose PHI for the proper management and administration of Business Associate or the Underlying Agreement, provided that disclosures are Required By Law, or Business Associate obtains reasonable assurances from the person to whom the information is disclosed that it will remain confidential and be used or further disclosed only as Required By Law or for the limited purpose for which it was disclosed to the person,

and the person must agree to notify Business Associate of any instance of any Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement of which it is aware in which the confidentiality of the information has been breached.

3.22 Business Associate understands that, pursuant to 45 CFR § 160.402, the Business Associate is liable, in accordance with the Federal common law of agency, for a civil money penalty for a violation of the HIPAA rules based on the act or omission of any agent of the Business Associate, including a workforce member or subcontractor, acting within the scope of the agency.

4. TERM AND TERMINATION

4.1 Term. The Term of this Agreement shall be effective as of the effective date of the Underlying Agreement, and shall terminate: (1) when all of the PHI provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity; or, (2) if it is infeasible to return or destroy PHI, in accordance with the termination provisions in this Article IV.

4.2 Termination for Cause. Upon Covered Entity's knowledge of a material breach of this Agreement by Business Associate, Covered Entity shall:

4.2.1 Provide an opportunity for Business Associate to cure the breach or end the violation and, if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity, have the right to terminate this Agreement and to terminate the Underlying Agreement, and shall report the violation to the Secretary;

4.2.2 Have the right to immediately terminate this Agreement and the Underlying Agreement if Business Associate has breached a material term of this Agreement and cure is not possible, and shall report the violation to the Secretary; or

4.2.3 If neither termination nor cure is feasible, report the violation to the Secretary.

4.2.4 This Article IV, Term and Termination, Paragraph 4.2, is in addition to the provisions set forth in Termination provision of the Contract between County and Vendor, attached to the Underlying Agreement, in which “Business Associate” is “Contractor” and “Covered Entity” is “County” for purposes of this Agreement.

4.3 Effect of Termination:

4.3.1 Except as provided in Section 4.3.2, upon termination or cancellation of this Agreement, for any reason, Business Associate must return or destroy all PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision applies to PHI that is in the possession of a subcontractor(s), employee(s), or agent(s) of Business Associate. Business Associate must not retain any copies of the PHI.

4.3.2 In the event that Business Associate determines that returning or destroying the PHI is infeasible, Business Associate must provide to Covered

Entity written notification of the nature of the PHI and the conditions that make return or destruction infeasible. After written notification that return or destruction of PHI is infeasible, Business Associate must extend the protections of this Agreement to such PHI and limit further use(s) and disclosure(s) of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. Notwithstanding the foregoing, to the extent that it is not feasible to return or destroy such PHI, the terms and provisions of this Agreement survive termination of this Agreement with regard to such PHI.

4.3.3 Should Business Associate violate this Agreement, HIPAA, the Underlying Agreement, other applicable law, Covered Entity has the right to immediately terminate any contract then in force between the Parties, including the Underlying Agreement.

5. CONSIDERATION

Business Associate recognizes that the promises it has made in this Agreement shall, henceforth, be reasonably, justifiably, and detrimentally relied upon by Covered Entity in choosing to continue or commence a business relationship with Business Associate.

6. CAUSES OF ACTION IN THE EVENT OF BREACH

As used in this paragraph, the term “breach” has the meaning normally ascribed to that term under the New York State law related to contracts, as opposed to the specific definition under HIPAA related to PHI. Business Associate hereby recognizes that irreparable harm will result to Covered Entity in the event of breach by Business Associate of any of the covenants and assurances contained in this Agreement. As such, in the event of breach of any of the covenants and assurances contained in this Agreement, Covered Entity shall be entitled to enjoin and restrain Business Associate from any continued violation of this Agreement. Furthermore, in the event of breach of this Agreement by Business Associate, Covered Entity is entitled to reimbursement and indemnification from Business Associate for Covered Entity's reasonable attorneys’ fees and expenses and costs that were reasonably incurred as a proximate result of Business Associate's breach. The causes of action contained in this Article VI are in addition to (and do not supersede) any action for damages and/or any other cause of action Covered Entity may have for breach of any part of this Agreement. Furthermore, these provisions are in addition to the provisions set forth in the “Indemnification” Section, of the General Conditions of Contract between County and Contractor, attached to the Underlying Agreement in which “Business Associate” is “Contractor” and “Covered Entity” is “County”, for purposes of this Agreement.

7. MODIFICATION; AMENDMENT

This Agreement may be modified or amended only through a writing signed by the Parties and, thus, no oral modification or amendment hereof shall be permitted. The Parties agree to take such action as is necessary to amend this Agreement, from time to time, as is necessary for Covered Entity to comply with the requirements of HIPAA, including its Privacy, Security, and Notice Rules.

8. INTERPRETATION OF THIS AGREEMENT IN RELATION TO OTHER AGREEMENTS BETWEEN THE PARTIES

Should there be any conflict between the language of this Agreement and any other contract entered into between the Parties (either previous or subsequent to the date of this Agreement), the language and provisions of this Agreement, along with the Underlying Agreement, shall control and prevail unless the Parties specifically refer in a subsequent written agreement to this Agreement, by its title, date, and substance and specifically state that the provisions of the later written agreement shall control over this Agreement and Underlying Agreement. In any event, any agreement between the Parties, including this Agreement and Underlying Agreement, must be in full compliance with HIPAA, and any provision in an agreement that fails to comply with HIPAA will be deemed separable from the document, unenforceable, and of no effect.

9. COMPLIANCE WITH STATE LAW

The Business Associate acknowledges that by accepting the PHI from Covered Entity, it becomes a holder of medical records information under HIPPA and is subject to the provisions of that law. If HIPAA conflicts with another applicable law regarding the degree of protection provided for Protected Health Information, Business Associate must comply with the more restrictive protection requirement.

10. MISCELLANEOUS

10.1 Ambiguity. Any ambiguity in this Agreement shall be resolved to permit Covered Entity to comply with HIPAA.

10.2 Regulatory References. A reference in this Agreement to a section in HIPAA means the section in effect, or as amended.

10.6 Incorporation of Future Amendments. Other requirements applicable to Business Associates under HIPAA are incorporated by reference into this Agreement.

10.7 Penalties for HIPAA Violation. In addition to that stated in this Agreement, Business Associate may be subject to civil and criminal penalties noted under HIPAA, including the same HIPAA civil and criminal penalties applicable to a Covered Entity.

IN WITNESS WHEREOF, and acknowledging acceptance and agreement of the foregoing, the Parties affix their signatures hereto.

Furthermore, Business Associate must take reasonable precautions to protect PHI from loss, misuse, and unauthorized access, disclosure, alteration, and destruction.

3.5 Business Associate must implement and comply with administrative, physical, and technical safeguards governing the PHI, in a manner consistent with HIPAA, that reasonably and appropriately protect the confidentiality, integrity, and availability of the PHI that it creates, receives, maintains, or transmits on behalf of Covered Entity.

3.6.11 Note contact information and procedures for an Individual(s) to ask questions or learn additional information, which must include a toll-free telephone number of Business Associate, along with an e-mail address, Web site, or postal address; and

3.7 Business Associate must, and is expected to, directly and independently fulfill all notification requirements under HIPAA.

3.8 In the event of a Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement, Business Associate must mitigate, to the extent practicable, any harmful effects of said disclosure that are known to it.

3.9 In accordance with 45 CFR §§ 164.502(e)(1)(ii) and 164.308(b)(2), Business Associate agrees to ensure that any agent, subcontractor, or employee to whom it provides PHI (received from, or created or received by, Business Associate on behalf of Covered Entity) agrees to the same restrictions, conditions, and requirements that apply through this Agreement to Business Associate with respect to such information.

3.10 Business Associate must ensure that any contract or other arrangement with a subcontractor meets the requirements of paragraphs 45 CFR §164.314(a)(2)(i) and (a)(2)(ii) required by 45 CFR § 164.308(b)(3) between a Business Associate and a subcontractor, in the same manner as such requirements apply to contracts or other arrangements between a Covered Entity and Business Associate.

3.11 Pursuant to 45 CFR § 164.502(a)(4)(ii), Business Associate must disclose PHI to the Covered Entity, Individual, or Individual's designee, as necessary to satisfy a Covered Entity's obligations under § 164.524(c)(2)(ii) and (3)(ii) with respect to an individual's request for an electronic copy of PHI.

3.12 To the extent applicable, Business Associate must provide access to PHI in a Designated Record Set at reasonable times, at the request of Covered Entity or as directed by Covered Entity, to an Individual specified by Covered Entity in order to meet the requirements under 45 CFR § 164.524.

3.13 A Business Associate that is a health plan, excluding an issuer of a long-term care policy falling within paragraph (1)(viii) of the definition of health plan, must not use or

disclose PHI that is genetic information for underwriting purposes, in accordance with the provisions of 45 CFR 164.502.

3.14 To the extent applicable, Business Associate must make any amendment(s) to PHI in a Designated Record Set that Covered Entity directs or agrees to, pursuant to 45 CFR § 164.526, at the request of Covered Entity or an Individual.

3.16 Business Associate must, upon request and with reasonable notice, furnish to Covered Entity security and privacy audit results, risk analyses, security and privacy policies and procedures, details of previous Breaches and Security Incidents, and documentation of controls.

3.17 Business Associate must also maintain records indicating who has accessed PHI about an Individual in an electronic designated record set and information related to such access, in accordance with 45 C.F.R. § 164.528. Business Associate must document such disclosures of PHI and information related to such disclosures as would be required for a Covered Entity to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 C.F.R. §164.528. Should an Individual make a request to Covered Entity for an accounting of disclosures of his or her PHI pursuant to 45 C.F.R. § 164.528, Business Associate must promptly provide Covered Entity with information in a format and manner sufficient to respond to the Individual's request.

3.18 Business Associate must, upon request and with reasonable notice, provide Covered Entity with an accounting of uses and disclosures of PHI that was provided to it by Covered Entity.

3.19 Business Associate must make its internal practices, books, records, and any other material requested by the Secretary relating to the use, disclosure, and safeguarding of PHI received from Covered Entity available to the Secretary for the purpose of determining compliance with HIPAA. Business Associate must make the aforementioned information available to the Secretary in the manner and place as designated by the Secretary or the Secretary's duly appointed delegate. Under this Agreement, Business Associate must comply and cooperate with any request for documents or other information from the Secretary directed to Covered Entity that seeks documents or other information held or controlled by Business Associate.

3.20 Business Associate may use PHI to report violations of law to appropriate Federal and State authorities, consistent with 42 C.F.R. § 164.502(j)(1).

3.21 Except as otherwise limited in this Agreement, Business Associate may disclose PHI for the proper management and administration of Business Associate or the Underlying Agreement, provided that disclosures are Required By Law, or Business Associate obtains reasonable assurances from the person to whom the information is disclosed that it will remain confidential and be used or further disclosed only as Required By Law or for the limited purpose for which it was disclosed to the person,

and the person must agree to notify Business Associate of any instance of any Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement of which it is aware in which the confidentiality of the information has been breached.

3.22 Business Associate understands that, pursuant to 45 CFR § 160.402, the Business Associate is liable, in accordance with the Federal common law of agency, for a civil money penalty for a violation of the HIPAA rules based on the act or omission of any agent of the Business Associate, including a workforce member or subcontractor, acting within the scope of the agency.

4. TERM AND TERMINATION

4.1 Term. The Term of this Agreement shall be effective as of the effective date of the Underlying Agreement, and shall terminate: (1) when all of the PHI provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity; or, (2) if it is infeasible to return or destroy PHI, in accordance with the termination provisions in this Article IV.

4.2 Termination for Cause. Upon Covered Entity's knowledge of a material breach of this Agreement by Business Associate, Covered Entity shall:

4.2.1 Provide an opportunity for Business Associate to cure the breach or end the violation and, if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity, have the right to terminate this Agreement and to terminate the Underlying Agreement, and shall report the violation to the Secretary;

4.2.2 Have the right to immediately terminate this Agreement and the Underlying Agreement if Business Associate has breached a material term of this Agreement and cure is not possible, and shall report the violation to the Secretary; or

4.2.3 If neither termination nor cure is feasible, report the violation to the Secretary.

4.2.4 This Article IV, Term and Termination, Paragraph 4.2, is in addition to the provisions set forth in Termination provision of the Contract between County and Vendor, attached to the Underlying Agreement, in which “Business Associate” is “Contractor” and “Covered Entity” is “County” for purposes of this Agreement.

4.3 Effect of Termination:

4.3.1 Except as provided in Section 4.3.2, upon termination or cancellation of this Agreement, for any reason, Business Associate must return or destroy all PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision applies to PHI that is in the possession of a subcontractor(s), employee(s), or agent(s) of Business Associate. Business Associate must not retain any copies of the PHI.

4.3.2 In the event that Business Associate determines that returning or destroying the PHI is infeasible, Business Associate must provide to Covered

Entity written notification of the nature of the PHI and the conditions that make return or destruction infeasible. After written notification that return or destruction of PHI is infeasible, Business Associate must extend the protections of this Agreement to such PHI and limit further use(s) and disclosure(s) of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. Notwithstanding the foregoing, to the extent that it is not feasible to return or destroy such PHI, the terms and provisions of this Agreement survive termination of this Agreement with regard to such PHI.

4.3.3 Should Business Associate violate this Agreement, HIPAA, the Underlying Agreement, other applicable law, Covered Entity has the right to immediately terminate any contract then in force between the Parties, including the Underlying Agreement.

5. CONSIDERATION

Business Associate recognizes that the promises it has made in this Agreement shall, henceforth, be reasonably, justifiably, and detrimentally relied upon by Covered Entity in choosing to continue or commence a business relationship with Business Associate.

6. CAUSES OF ACTION IN THE EVENT OF BREACH

As used in this paragraph, the term “breach” has the meaning normally ascribed to that term under the New York State law related to contracts, as opposed to the specific definition under HIPAA related to PHI. Business Associate hereby recognizes that irreparable harm will result to Covered Entity in the event of breach by Business Associate of any of the covenants and assurances contained in this Agreement. As such, in the event of breach of any of the covenants and assurances contained in this Agreement, Covered Entity shall be entitled to enjoin and restrain Business Associate from any continued violation of this Agreement. Furthermore, in the event of breach of this Agreement by Business Associate, Covered Entity is entitled to reimbursement and indemnification from Business Associate for Covered Entity's reasonable attorneys’ fees and expenses and costs that were reasonably incurred as a proximate result of Business Associate's breach. The causes of action contained in this Article VI are in addition to (and do not supersede) any action for damages and/or any other cause of action Covered Entity may have for breach of any part of this Agreement. Furthermore, these provisions are in addition to the provisions set forth in the “Indemnification” Section, of the General Conditions of Contract between County and Contractor, attached to the Underlying Agreement in which “Business Associate” is “Contractor” and “Covered Entity” is “County”, for purposes of this Agreement.

7. MODIFICATION; AMENDMENT

This Agreement may be modified or amended only through a writing signed by the Parties and, thus, no oral modification or amendment hereof shall be permitted. The Parties agree to take such action as is necessary to amend this Agreement, from time to time, as is necessary for Covered Entity to comply with the requirements of HIPAA, including its Privacy, Security, and Notice Rules.

8. INTERPRETATION OF THIS AGREEMENT IN RELATION TO OTHER AGREEMENTS BETWEEN THE PARTIES

Should there be any conflict between the language of this Agreement and any other contract entered into between the Parties (either previous or subsequent to the date of this Agreement), the language and provisions of this Agreement, along with the Underlying Agreement, shall control and prevail unless the Parties specifically refer in a subsequent written agreement to this Agreement, by its title, date, and substance and specifically state that the provisions of the later written agreement shall control over this Agreement and Underlying Agreement. In any event, any agreement between the Parties, including this Agreement and Underlying Agreement, must be in full compliance with HIPAA, and any provision in an agreement that fails to comply with HIPAA will be deemed separable from the document, unenforceable, and of no effect.

9. COMPLIANCE WITH STATE LAW

The Business Associate acknowledges that by accepting the PHI from Covered Entity, it becomes a holder of medical records information under HIPPA and is subject to the provisions of that law. If HIPAA conflicts with another applicable law regarding the degree of protection provided for Protected Health Information, Business Associate must comply with the more restrictive protection requirement.

10. MISCELLANEOUS

10.1 Ambiguity. Any ambiguity in this Agreement shall be resolved to permit Covered Entity to comply with HIPAA.

10.7 Penalties for HIPAA Violation. In addition to that stated in this Agreement, Business Associate may be subject to civil and criminal penalties noted under HIPAA, including the same HIPAA civil and criminal penalties applicable to a Covered Entity.

3. PERMISSIBLE USE AND DISCLOSURE OF PHI

3.1 Except as otherwise limited in this Agreement, or by privilege, protection, or confidentiality under HIPAA or other applicable law, Business Associate may use or disclose (including permitting acquisition or access to) PHI to perform applicable functions, activities, or services for, or on behalf of, Covered Entity as specified in the Underlying Agreement. Moreover, the provisions of HIPAA are expressly incorporated by reference into, and made a part of, this Agreement.

3.2 Business Associate may use or disclose (including permitting acquisition or access to) PHI only as permitted or required by this Agreement or as Required By Law.

3.3 Business Associate is directly responsible for full compliance with the relevant requirements of HIPAA.

3.4 Business Associate must not use or disclose (including permitting acquisition or access to) PHI other than as permitted or required by this Agreement or HIPAA, and must use or disclose PHI only in a manner consistent with HIPAA. As part of this, Business Associate must use appropriate safeguards to prevent use or disclosure of PHI that is not permitted by this Agreement or HIPAA. Furthermore, Business Associate must take reasonable precautions to protect PHI from loss, misuse, and unauthorized access, disclosure, alteration, and destruction.

3.5 Business Associate must implement and comply with administrative, physical, and technical safeguards governing the PHI, in a manner consistent with HIPAA, that reasonably and appropriately protect the confidentiality, integrity, and availability of the PHI that it creates, receives, maintains, or transmits on behalf of Covered Entity.

3.6 Business Associate must immediately notify Covered Entity, in a manner consistent with HIPAA, of: (i) any use or disclosure of PHI not provided for by this Agreement, including a Breach of PHI of which it knows or by exercise of reasonable diligence would have known, as required at 45 CFR §164.410; and, (ii) any Security Incident of which it becomes aware as required at 45 CFR §164.314(a)(2)(i)(C). Business Associate's notification to Covered Entity required by HIPAA and this Section 3.6 must:

3.6.1 Be made to Covered Entity without unreasonable delay and in no case later than 14 calendar days after Business Associate: a) knows, or by exercising reasonable diligence would have known, of a Breach, b) becomes aware of a Security Incident, or c) becomes aware of any use or disclosure of PHI not provided for by this Agreement;

3.6.2 Include the names and addresses of the Individual(s) whose PHI is the subject of a Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement. In addition, Business Associate must provide any additional information reasonably requested by Covered Entity for purposes of investigating the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement;

3.6.3 Be in substantially the same form as Exhibit A hereto;

3.6.4 Include a brief description of what happened, including the date of the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement, if known, and the date of the discovery of the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement;

3.6.6 Identify the nature and extent of the PHI involved, including the type(s) of identifiers and the likelihood of re identification;

3.6.7 If known, identify the unauthorized person who used or accessed the PHI or to whom the disclosure was made;

3.6.8 Articulate any steps the affected Individual(s) should take to protect him or herself from potential harm resulting from the Breach, Security Incident, or use or disclosure of PHI not permitted by this Agreement;

3.6.9 State whether the PHI was actually acquired or viewed;

3.6.10 Provide a brief description of what the Covered Entity and the Business Associate are doing to investigate the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement, to mitigate losses, and to protect against any further Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement;

3.6.11 Note contact information and procedures for an Individual(s) to ask questions or learn additional information, which must include a toll-free telephone number of Business Associate, along with an e-mail address, Web site, or postal address; and

3.6.12 Include a draft letter for the Covered Entity to utilize, in the event Covered Entity elects, in its sole discretion, to notify the Individual(s) that his or her PHI is the subject of a Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement that includes the information noted in Section III. 6.4 – III. 6.11 above.

3.7 Business Associate must, and is expected to, directly and independently fulfill all notification requirements under HIPAA.

3.8 In the event of a Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement, Business Associate must mitigate, to the extent practicable, any harmful effects of said disclosure that are known to it.

3.9 In accordance with 45 CFR §§ 164.502(e)(1)(ii) and 164.308(b)(2), Business Associate agrees to ensure that any agent, subcontractor, or employee to whom it provides PHI (received from, or created or received by, Business Associate on behalf of Covered Entity) agrees to the same restrictions, conditions, and requirements that apply through this Agreement to Business Associate with respect to such information.

3.10 Business Associate must ensure that any contract or other arrangement with a subcontractor meets the requirements of paragraphs 45 CFR §164.314(a)(2)(i) and (a)(2)(ii) required by 45 CFR § 164.308(b)(3) between a Business Associate and a subcontractor, in the same manner as such requirements apply to contracts or other arrangements between a Covered Entity and Business Associate.

3.11 Pursuant to 45 CFR § 164.502(a)(4)(ii), Business Associate must disclose PHI to the Covered Entity, Individual, or Individual's designee, as necessary to satisfy a Covered Entity's obligations under § 164.524(c)(2)(ii) and (3)(ii) with respect to an individual's request for an electronic copy of PHI.

3.12 To the extent applicable, Business Associate must provide access to PHI in a Designated Record Set at reasonable times, at the request of Covered Entity or as directed by Covered Entity, to an Individual specified by Covered Entity in order to meet the requirements under 45 CFR § 164.524.

3.13 A Business Associate that is a health plan, excluding an issuer of a long-term care policy falling within paragraph (1)(viii) of the definition of health plan, must not use or

disclose PHI that is genetic information for underwriting purposes, in accordance with the provisions of 45 CFR 164.502.

3.14 To the extent applicable, Business Associate must make any amendment(s) to PHI in a Designated Record Set that Covered Entity directs or agrees to, pursuant to 45 CFR § 164.526, at the request of Covered Entity or an Individual.

3.15 Business Associate must, upon request with reasonable notice, provide Covered Entity access to its premises for a review and demonstration of its internal practices and procedures for safeguarding PHI.

3.16 Business Associate must, upon request and with reasonable notice, furnish to Covered Entity security and privacy audit results, risk analyses, security and privacy policies and procedures, details of previous Breaches and Security Incidents, and documentation of controls.

3.17 Business Associate must also maintain records indicating who has accessed PHI about an Individual in an electronic designated record set and information related to such access, in accordance with 45 C.F.R. § 164.528. Business Associate must document such disclosures of PHI and information related to such disclosures as would be required for a Covered Entity to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 C.F.R. §164.528. Should an Individual make a request to Covered Entity for an accounting of disclosures of his or her PHI pursuant to 45 C.F.R. § 164.528, Business Associate must promptly provide Covered Entity with information in a format and manner sufficient to respond to the Individual's request.

3.18 Business Associate must, upon request and with reasonable notice, provide Covered Entity with an accounting of uses and disclosures of PHI that was provided to it by Covered Entity.

3.19 Business Associate must make its internal practices, books, records, and any other material requested by the Secretary relating to the use, disclosure, and safeguarding of PHI received from Covered Entity available to the Secretary for the purpose of determining compliance with HIPAA. Business Associate must make the aforementioned information available to the Secretary in the manner and place as designated by the Secretary or the Secretary's duly appointed delegate. Under this Agreement, Business Associate must comply and cooperate with any request for documents or other information from the Secretary directed to Covered Entity that seeks documents or other information held or controlled by Business Associate.

3.20 Business Associate may use PHI to report violations of law to appropriate Federal and State authorities, consistent with 42 C.F.R. § 164.502(j)(1).

3.21 Except as otherwise limited in this Agreement, Business Associate may disclose PHI for the proper management and administration of Business Associate or the Underlying Agreement, provided that disclosures are Required By Law, or Business Associate obtains reasonable assurances from the person to whom the information is disclosed that it will remain confidential and be used or further disclosed only as Required By Law or for the limited purpose for which it was disclosed to the person,

and the person must agree to notify Business Associate of any instance of any Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement of which it is aware in which the confidentiality of the information has been breached.

3.22 Business Associate understands that, pursuant to 45 CFR § 160.402, the Business Associate is liable, in accordance with the Federal common law of agency, for a civil money penalty for a violation of the HIPAA rules based on the act or omission of any agent of the Business Associate, including a workforce member or subcontractor, acting within the scope of the agency.

4. TERM AND TERMINATION

4.1 Term. The Term of this Agreement shall be effective as of the effective date of the Underlying Agreement, and shall terminate: (1) when all of the PHI provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity; or, (2) if it is infeasible to return or destroy PHI, in accordance with the termination provisions in this Article IV.

4.2 Termination for Cause. Upon Covered Entity's knowledge of a material breach of this Agreement by Business Associate, Covered Entity shall:

4.2.1 Provide an opportunity for Business Associate to cure the breach or end the violation and, if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity, have the right to terminate this Agreement and to terminate the Underlying Agreement, and shall report the violation to the Secretary;

4.2.2 Have the right to immediately terminate this Agreement and the Underlying Agreement if Business Associate has breached a material term of this Agreement and cure is not possible, and shall report the violation to the Secretary; or

4.2.3 If neither termination nor cure is feasible, report the violation to the Secretary.

4.2.4 This Article IV, Term and Termination, Paragraph 4.2, is in addition to the provisions set forth in Termination provision of the Contract between County and Vendor, attached to the Underlying Agreement, in which “Business Associate” is “Contractor” and “Covered Entity” is “County” for purposes of this Agreement.

4.3 Effect of Termination:

4.3.1 Except as provided in Section 4.3.2, upon termination or cancellation of this Agreement, for any reason, Business Associate must return or destroy all PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision applies to PHI that is in the possession of a subcontractor(s), employee(s), or agent(s) of Business Associate. Business Associate must not retain any copies of the PHI.

4.3.2 In the event that Business Associate determines that returning or destroying the PHI is infeasible, Business Associate must provide to Covered

Entity written notification of the nature of the PHI and the conditions that make return or destruction infeasible. After written notification that return or destruction of PHI is infeasible, Business Associate must extend the protections of this Agreement to such PHI and limit further use(s) and disclosure(s) of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. Notwithstanding the foregoing, to the extent that it is not feasible to return or destroy such PHI, the terms and provisions of this Agreement survive termination of this Agreement with regard to such PHI.

4.3.3 Should Business Associate violate this Agreement, HIPAA, the Underlying Agreement, other applicable law, Covered Entity has the right to immediately terminate any contract then in force between the Parties, including the Underlying Agreement.

5. CONSIDERATION

Business Associate recognizes that the promises it has made in this Agreement shall, henceforth, be reasonably, justifiably, and detrimentally relied upon by Covered Entity in choosing to continue or commence a business relationship with Business Associate.

6. CAUSES OF ACTION IN THE EVENT OF BREACH

As used in this paragraph, the term “breach” has the meaning normally ascribed to that term under the New York State law related to contracts, as opposed to the specific definition under HIPAA related to PHI. Business Associate hereby recognizes that irreparable harm will result to Covered Entity in the event of breach by Business Associate of any of the covenants and assurances contained in this Agreement. As such, in the event of breach of any of the covenants and assurances contained in this Agreement, Covered Entity shall be entitled to enjoin and restrain Business Associate from any continued violation of this Agreement. Furthermore, in the event of breach of this Agreement by Business Associate, Covered Entity is entitled to reimbursement and indemnification from Business Associate for Covered Entity's reasonable attorneys’ fees and expenses and costs that were reasonably incurred as a proximate result of Business Associate's breach. The causes of action contained in this Article VI are in addition to (and do not supersede) any action for damages and/or any other cause of action Covered Entity may have for breach of any part of this Agreement. Furthermore, these provisions are in addition to the provisions set forth in the “Indemnification” Section, of the General Conditions of Contract between County and Contractor, attached to the Underlying Agreement in which “Business Associate” is “Contractor” and “Covered Entity” is “County”, for purposes of this Agreement.

7. MODIFICATION; AMENDMENT

This Agreement may be modified or amended only through a writing signed by the Parties and, thus, no oral modification or amendment hereof shall be permitted. The Parties agree to take such action as is necessary to amend this Agreement, from time to time, as is necessary for Covered Entity to comply with the requirements of HIPAA, including its Privacy, Security, and Notice Rules.

8. INTERPRETATION OF THIS AGREEMENT IN RELATION TO OTHER AGREEMENTS BETWEEN THE PARTIES

Should there be any conflict between the language of this Agreement and any other contract entered into between the Parties (either previous or subsequent to the date of this Agreement), the language and provisions of this Agreement, along with the Underlying Agreement, shall control and prevail unless the Parties specifically refer in a subsequent written agreement to this Agreement, by its title, date, and substance and specifically state that the provisions of the later written agreement shall control over this Agreement and Underlying Agreement. In any event, any agreement between the Parties, including this Agreement and Underlying Agreement, must be in full compliance with HIPAA, and any provision in an agreement that fails to comply with HIPAA will be deemed separable from the document, unenforceable, and of no effect.

9. COMPLIANCE WITH STATE LAW

The Business Associate acknowledges that by accepting the PHI from Covered Entity, it becomes a holder of medical records information under HIPPA and is subject to the provisions of that law. If HIPAA conflicts with another applicable law regarding the degree of protection provided for Protected Health Information, Business Associate must comply with the more restrictive protection requirement.

10. MISCELLANEOUS

10.1 Ambiguity. Any ambiguity in this Agreement shall be resolved to permit Covered Entity to comply with HIPAA.

10.2 Regulatory References. A reference in this Agreement to a section in HIPAA means the section in effect, or as amended.

10.6 Incorporation of Future Amendments. Other requirements applicable to Business Associates under HIPAA are incorporated by reference into this Agreement.

10.7 Penalties for HIPAA Violation. In addition to that stated in this Agreement, Business Associate may be subject to civil and criminal penalties noted under HIPAA, including the same HIPAA civil and criminal penalties applicable to a Covered Entity.

Furthermore, Business Associate must take reasonable precautions to protect PHI from loss, misuse, and unauthorized access, disclosure, alteration, and destruction.

3.5 Business Associate must implement and comply with administrative, physical, and technical safeguards governing the PHI, in a manner consistent with HIPAA, that reasonably and appropriately protect the confidentiality, integrity, and availability of the PHI that it creates, receives, maintains, or transmits on behalf of Covered Entity.

3.6 Business Associate must immediately notify Covered Entity, in a manner consistent with HIPAA, of: (i) any use or disclosure of PHI not provided for by this Agreement, including a Breach of PHI of which it knows or by exercise of reasonable diligence would have known, as required at 45 CFR §164.410; and, (ii) any Security Incident of which it becomes aware as required at 45 CFR §164.314(a)(2)(i)(C). Business Associate’s notification to Covered Entity required by HIPAA and this Section 3.6 must:

reasonable diligence would have known, of a Breach, b) becomes aware of a Security Incident, or c) becomes aware of any use or disclosure of PHI not provided for by this Agreement;

3.6.2 Include the names and addresses of the Individual(s) whose PHI is the subject of a Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement. In addition, Business Associate must provide any additional information reasonably requested by Covered Entity for purposes of investigating the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement;

3.6.3 Be in substantially the same form as Exhibit A hereto;

3.6.4 Include a brief description of what happened, including the date of the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement, if known, and the date of the discovery of the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement;

3.6.6 Identify the nature and extent of the PHI involved, including the type(s) of identifiers and the likelihood of re identification;

3.6.7 If known, identify the unauthorized person who used or accessed the PHI or to whom the disclosure was made;

3.6.8 Articulate any steps the affected Individual(s) should take to protect him or herself from potential harm resulting from the Breach, Security Incident, or use or disclosure of PHI not permitted by this Agreement;

3.6.9 State whether the PHI was actually acquired or viewed;

3.6.10 Provide a brief description of what the Covered Entity and the Business Associate are doing to investigate the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement, to mitigate losses, and to protect against any further Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement;

3.6.11 Note contact information and procedures for an Individual(s) to ask questions or learn additional information, which must include a toll-free telephone number of Business Associate, along with an e-mail address, Web site, or postal address; and

3.6.12 Include a draft letter for the Covered Entity to utilize, in the event Covered Entity elects, in its sole discretion, to notify the Individual(s) that his or her PHI is the subject of a Breach, Security Incident, or use or disclosure of

PHI not provided for by this Agreement that includes the information noted in Section III. 6.4 – III. 6.11 above.

3.7 Business Associate must, and is expected to, directly and independently fulfill all notification requirements under HIPAA.

3.8 In the event of a Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement, Business Associate must mitigate, to the extent practicable, any harmful effects of said disclosure that are known to it.

3.9 In accordance with 45 CFR §§ 164.502(e)(1)(ii) and 164.308(b)(2), Business Associate agrees to ensure that any agent, subcontractor, or employee to whom it provides PHI (received from, or created or received by, Business Associate on behalf of Covered Entity) agrees to the same restrictions, conditions, and requirements that apply through this Agreement to Business Associate with respect to such information.

3.10 Business Associate must ensure that any contract or other arrangement with a subcontractor meets the requirements of paragraphs 45 CFR §164.314(a)(2)(i) and (a)(2)(ii) required by 45 CFR § 164.308(b)(3) between a Business Associate and a subcontractor, in the same manner as such requirements apply to contracts or other arrangements between a Covered Entity and Business Associate.

3.11 Pursuant to 45 CFR § 164.502(a)(4)(ii), Business Associate must disclose PHI to the Covered Entity, Individual, or Individual's designee, as necessary to satisfy a Covered Entity's obligations under § 164.524(c)(2)(ii) and (3)(ii) with respect to an individual's request for an electronic copy of PHI.

3.12 To the extent applicable, Business Associate must provide access to PHI in a Designated Record Set at reasonable times, at the request of Covered Entity or as directed by Covered Entity, to an Individual specified by Covered Entity in order to meet the requirements under 45 CFR § 164.524.

3.13 A Business Associate that is a health plan, excluding an issuer of a long-term care policy falling within paragraph (1)(viii) of the definition of health plan, must not use or disclose PHI that is genetic information for underwriting purposes, in accordance with the provisions of 45 CFR 164.502.

3.14 To the extent applicable, Business Associate must make any amendment(s) to PHI in a Designated Record Set that Covered Entity directs or agrees to, pursuant to 45 CFR § 164.526, at the request of Covered Entity or an Individual.

3.15 Business Associate must, upon request with reasonable notice, provide Covered Entity access to its premises for a review and demonstration of its internal practices and procedures for safeguarding PHI.

3.16 Business Associate must, upon request and with reasonable notice, furnish to Covered Entity security and privacy audit results, risk analyses, security and privacy policies and procedures, details of previous Breaches and Security Incidents, and documentation of controls.

3.17 Business Associate must also maintain records indicating who has accessed PHI about an Individual in an electronic designated record set and information related to such access, in accordance with 45 C.F.R. § 164.528. Business Associate must document such disclosures of PHI and information related to such disclosures as would be required for a Covered Entity to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 C.F.R. §164.528. Should an Individual make a request to Covered Entity for an accounting of disclosures of his or her PHI pursuant to 45 C.F.R. § 164.528, Business Associate must promptly provide Covered Entity with information in a format and manner sufficient to respond to the Individual's request.

3.18 Business Associate must, upon request and with reasonable notice, provide Covered Entity with an accounting of uses and disclosures of PHI that was provided to it by Covered Entity.

3.19 Business Associate must make its internal practices, books, records, and any other material requested by the Secretary relating to the use, disclosure, and safeguarding of PHI received from Covered Entity available to the Secretary for the purpose of determining compliance with HIPAA. Business Associate must make the aforementioned information available to the Secretary in the manner and place as designated by the Secretary or the Secretary's duly appointed delegate. Under this Agreement, Business Associate must comply and cooperate with any request for documents or other information from the Secretary directed to Covered Entity that seeks documents or other information held or controlled by Business Associate.

3.20 Business Associate may use PHI to report violations of law to appropriate Federal and State authorities, consistent with 42 C.F.R. § 164.502(j)(1).

3.21 Except as otherwise limited in this Agreement, Business Associate may disclose PHI for the proper management and administration of Business Associate or the Underlying Agreement, provided that disclosures are Required By Law, or Business Associate obtains reasonable assurances from the person to whom the information is disclosed that it will remain confidential and be used or further disclosed only as Required By Law or for the limited purpose for which it was disclosed to the person, and the person must agree to notify Business Associate of any instance of any Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement of which it is aware in which the confidentiality of the information has been breached.

3.22 Business Associate understands that, pursuant to 45 CFR § 160.402, the Business Associate is liable, in accordance with the Federal common law of agency, for a civil money penalty for a violation of the HIPAA rules based on the act or omission of any agent of the Business Associate, including a workforce member or subcontractor, acting within the scope of the agency.

4. TERM AND TERMINATION

4.1 Term. The Term of this Agreement shall be effective as of the effective date of the Underlying Agreement, and shall terminate: (1) when all of the PHI provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity; or, (2) if it is

infeasible to return or destroy PHI, in accordance with the termination provisions in this Article IV.

4.2 Termination for Cause. Upon Covered Entity's knowledge of a material breach of this Agreement by Business Associate, Covered Entity shall:

4.2.1 Provide an opportunity for Business Associate to cure the breach or end the violation and, if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity, have the right to terminate this Agreement and to terminate the Underlying Agreement, and shall report the violation to the Secretary;

4.2.2 Have the right to immediately terminate this Agreement and the Underlying Agreement if Business Associate has breached a material term of this Agreement and cure is not possible, and shall report the violation to the Secretary; or

4.2.3 If neither termination nor cure is feasible, report the violation to the Secretary.

4.2.4 This Article IV, Term and Termination, Paragraph 4.2, is in addition to the provisions set forth in Termination provision of the Contract between County and Vendor, attached to the Underlying Agreement, in which "Business Associate" is "Contractor" and "Covered Entity" is "County" for purposes of this Agreement.

4.3 Effect of Termination:

4.3.1 Except as provided in Section 4.3.2, upon termination or cancellation of this Agreement, for any reason, Business Associate must return or destroy all PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision applies to PHI that is in the possession of a subcontractor(s), employee(s), or agent(s) of Business Associate. Business Associate must not retain any copies of the PHI.

4.3.2 In the event that Business Associate determines that returning or destroying the PHI is infeasible, Business Associate must provide to Covered Entity written notification of the nature of the PHI and the conditions that make return or destruction infeasible. After written notification that return or destruction of PHI is infeasible, Business Associate must extend the protections of this Agreement to such PHI and limit further use(s) and disclosure(s) of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. Notwithstanding the foregoing, to the extent that it is not feasible to return or destroy such PHI, the terms and provisions of this Agreement survive termination of this Agreement with regard to such PHI.

4.3.3 Should Business Associate violate this Agreement, HIPAA, the Underlying Agreement, other applicable law, Covered Entity has the right to immediately terminate any contract then in force between the Parties, including the Underlying Agreement.

5. CONSIDERATION

Business Associate recognizes that the promises it has made in this Agreement shall, henceforth, be reasonably, justifiably, and detrimentally relied upon by Covered Entity in choosing to continue or commence a business relationship with Business Associate.

6. CAUSES OF ACTION IN THE EVENT OF BREACH

As used in this paragraph, the term "breach" has the meaning normally ascribed to that term under the New York State law related to contracts, as opposed to the specific definition under HIPAA related to PHI. Business Associate hereby recognizes that irreparable harm will result to Covered Entity in the event of breach by Business Associate of any of the covenants and assurances contained in this Agreement. As such, in the event of breach of any of the covenants and assurances contained in this Agreement, Covered Entity shall be entitled to enjoin and restrain Business Associate from any continued violation of this Agreement. Furthermore, in the event of breach of this Agreement by Business Associate, Covered Entity is entitled to reimbursement and indemnification from Business Associate for Covered Entity's reasonable attorneys' fees and expenses and costs that were reasonably incurred as a proximate result of Business Associate's breach. The causes of action contained in this Article VI are in addition to (and do not supersede) any action for damages and/or any other cause of action Covered Entity may have for breach of any part of this Agreement. Furthermore, these provisions are in addition to the provisions set forth in the "Indemnification" Section, of the General Conditions of Contract between County and Contractor, attached to the Underlying Agreement in which "Business Associate" is "Contractor" and "Covered Entity" is "County", for purposes of this Agreement.

7. MODIFICATION; AMENDMENT

This Agreement may be modified or amended only through a writing signed by the Parties and, thus, no oral modification or amendment hereof shall be permitted. The Parties agree to take such action as is necessary to amend this Agreement, from time to time, as is necessary for Covered Entity to comply with the requirements of HIPAA, including its Privacy, Security, and Notice Rules.

8. INTERPRETATION OF THIS AGREEMENT IN RELATION TO OTHER AGREEMENTS BETWEEN THE PARTIES

Should there be any conflict between the language of this Agreement and any other contract entered into between the Parties (either previous or subsequent to the date of this Agreement), the language and provisions of this Agreement, along with the Underlying Agreement, shall control and prevail unless the Parties specifically refer in a subsequent written agreement to this Agreement, by its title, date, and substance and specifically state that the provisions of the later written agreement shall control over this Agreement and Underlying Agreement. In any event, any agreement between the Parties, including this Agreement and Underlying Agreement, must be in full compliance with HIPAA, and any provision in an agreement that fails to comply with HIPAA will be deemed separable from the document, unenforceable, and of no effect.

9. COMPLIANCE WITH STATE LAW

The Business Associate acknowledges that by accepting the PHI from Covered Entity, it becomes a holder of medical records information under HIPPA and is subject to the provisions of that law. If HIPAA conflicts with another applicable law regarding the

degree of protection provided for Protected Health Information, Business Associate must comply with the more restrictive protection requirement.

10. MISCELLANEOUS

10.1 Ambiguity. Any ambiguity in this Agreement shall be resolved to permit Covered Entity to comply with HIPAA.

10.2 Regulatory References. A reference in this Agreement to a section in HIPAA means the section in effect, or as amended.

10.7 Penalties for HIPAA Violation. In addition to that stated in this Agreement, Business Associate may be subject to civil and criminal penalties noted under HIPAA, including the same HIPAA civil and criminal penalties applicable to a Covered Entity.

3.6.2 Include the names and addresses of the Individual(s) whose PHI is the subject of a Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement. In addition, Business Associate must provide any additional information reasonably requested by Covered Entity for purposes of investigating the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement;

3.6.3 Be in substantially the same form as Exhibit A hereto;

3.6.4 Include a brief description of what happened, including the date of the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement, if known, and the date of the discovery of the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement;

3.6.5 Include a description of the type(s) of Unsecured PHI that was involved in the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement (such as full name, Social Security number, date of birth, home address, account number, disability code, or other types of information that were involved);

3.6.6 Identify the nature and extent of the PHI involved, including the type(s) of identifiers and the likelihood of re identification;

3.6.8 Articulate any steps the affected Individual(s) should take to protect him or herself from potential harm resulting from the Breach, Security Incident, or use or disclosure of PHI not permitted by this Agreement;

3.6.9 State whether the PHI was actually acquired or viewed;

3.6.10 Provide a brief description of what the Covered Entity and the Business Associate are doing to investigate the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement, to mitigate losses, and to protect against any further Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement;

3.6.11 Note contact information and procedures for an Individual(s) to ask questions or learn additional information, which must include a toll-free telephone number of Business Associate, along with an e-mail address, Web site, or postal address; and

3.6.12 Include a draft letter for the Covered Entity to utilize, in the event Covered Entity elects, in its sole discretion, to notify the Individual(s) that his or her PHI is the subject of a Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement that includes the information noted in Section III. 6.4 – III. 6.11 above.

3.7 Business Associate must, and is expected to, directly and independently fulfill all notification requirements under HIPAA.

3.8 In the event of a Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement, Business Associate must mitigate, to the extent practicable, any harmful effects of said disclosure that are known to it.

3.9 In accordance with 45 CFR §§ 164.502(e)(1)(ii) and 164.308(b)(2), Business Associate agrees to ensure that any agent, subcontractor, or employee to whom it provides PHI (received from, or created or received by, Business Associate on behalf of Covered Entity) agrees to the same restrictions, conditions, and requirements that apply through this Agreement to Business Associate with respect to such information.

3.10 Business Associate must ensure that any contract or other arrangement with a subcontractor meets the requirements of paragraphs 45 CFR §164.314(a)(2)(i) and (a)(2)(ii) required by 45 CFR § 164.308(b)(3) between a Business Associate and a subcontractor, in the same manner as such requirements apply to contracts or other arrangements between a Covered Entity and Business Associate.

3.11 Pursuant to 45 CFR § 164.502(a)(4)(ii), Business Associate must disclose PHI to the Covered Entity, Individual, or Individual's designee, as necessary to satisfy a Covered Entity's obligations under § 164.524(c)(2)(ii) and (3)(ii) with respect to an individual's request for an electronic copy of PHI.

3.12 To the extent applicable, Business Associate must provide access to PHI in a Designated Record Set at reasonable times, at the request of Covered Entity or as directed by Covered Entity, to an Individual specified by Covered Entity in order to meet the requirements under 45 CFR § 164.524.

3.13 A Business Associate that is a health plan, excluding an issuer of a long-term care policy falling within paragraph (1)(viii) of the definition of health plan, must not use or

disclose PHI that is genetic information for underwriting purposes, in accordance with the provisions of 45 CFR 164.502.

3.14 To the extent applicable, Business Associate must make any amendment(s) to PHI in a Designated Record Set that Covered Entity directs or agrees to, pursuant to 45 CFR § 164.526, at the request of Covered Entity or an Individual.

3.15 Business Associate must, upon request with reasonable notice, provide Covered Entity access to its premises for a review and demonstration of its internal practices and procedures for safeguarding PHI.

3.16 Business Associate must, upon request and with reasonable notice, furnish to Covered Entity security and privacy audit results, risk analyses, security and privacy policies and procedures, details of previous Breaches and Security Incidents, and documentation of controls.

3.17 Business Associate must also maintain records indicating who has accessed PHI about an Individual in an electronic designated record set and information related to such access, in accordance with 45 C.F.R. § 164.528. Business Associate must document such disclosures of PHI and information related to such disclosures as would be required for a Covered Entity to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 C.F.R. §164.528. Should an Individual make a request to Covered Entity for an accounting of disclosures of his or her PHI pursuant to 45 C.F.R. § 164.528, Business Associate must promptly provide Covered Entity with information in a format and manner sufficient to respond to the Individual's request.

3.18 Business Associate must, upon request and with reasonable notice, provide Covered Entity with an accounting of uses and disclosures of PHI that was provided to it by Covered Entity.

3.19 Business Associate must make its internal practices, books, records, and any other material requested by the Secretary relating to the use, disclosure, and safeguarding of PHI received from Covered Entity available to the Secretary for the purpose of determining compliance with HIPAA. Business Associate must make the aforementioned information available to the Secretary in the manner and place as designated by the Secretary or the Secretary's duly appointed delegate. Under this Agreement, Business Associate must comply and cooperate with any request for documents or other information from the Secretary directed to Covered Entity that seeks documents or other information held or controlled by Business Associate.

3.20 Business Associate may use PHI to report violations of law to appropriate Federal and State authorities, consistent with 42 C.F.R. § 164.502(j)(1).

3.21 Except as otherwise limited in this Agreement, Business Associate may disclose PHI for the proper management and administration of Business Associate or the Underlying Agreement, provided that disclosures are Required By Law, or Business Associate obtains reasonable assurances from the person to whom the information is disclosed that it will remain confidential and be used or further disclosed only as Required By Law or for the limited purpose for which it was disclosed to the person,

and the person must agree to notify Business Associate of any instance of any Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement of which it is aware in which the confidentiality of the information has been breached.

3.22 Business Associate understands that, pursuant to 45 CFR § 160.402, the Business Associate is liable, in accordance with the Federal common law of agency, for a civil money penalty for a violation of the HIPAA rules based on the act or omission of any agent of the Business Associate, including a workforce member or subcontractor, acting within the scope of the agency.

4. TERM AND TERMINATION

4.1 Term. The Term of this Agreement shall be effective as of the effective date of the Underlying Agreement, and shall terminate: (1) when all of the PHI provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity; or, (2) if it is infeasible to return or destroy PHI, in accordance with the termination provisions in this Article IV.

4.2 Termination for Cause. Upon Covered Entity's knowledge of a material breach of this Agreement by Business Associate, Covered Entity shall:

4.2.1 Provide an opportunity for Business Associate to cure the breach or end the violation and, if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity, have the right to terminate this Agreement and to terminate the Underlying Agreement, and shall report the violation to the Secretary;

4.2.2 Have the right to immediately terminate this Agreement and the Underlying Agreement if Business Associate has breached a material term of this Agreement and cure is not possible, and shall report the violation to the Secretary; or

4.2.3 If neither termination nor cure is feasible, report the violation to the Secretary.

4.2.4 This Article IV, Term and Termination, Paragraph 4.2, is in addition to the provisions set forth in Termination provision of the Contract between County and Vendor, attached to the Underlying Agreement, in which “Business Associate” is “Contractor” and “Covered Entity” is “County” for purposes of this Agreement.

4.3 Effect of Termination:

4.3.1 Except as provided in Section 4.3.2, upon termination or cancellation of this Agreement, for any reason, Business Associate must return or destroy all PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision applies to PHI that is in the possession of a subcontractor(s), employee(s), or agent(s) of Business Associate. Business Associate must not retain any copies of the PHI.

4.3.2 In the event that Business Associate determines that returning or destroying the PHI is infeasible, Business Associate must provide to Covered

Entity written notification of the nature of the PHI and the conditions that make return or destruction infeasible. After written notification that return or destruction of PHI is infeasible, Business Associate must extend the protections of this Agreement to such PHI and limit further use(s) and disclosure(s) of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. Notwithstanding the foregoing, to the extent that it is not feasible to return or destroy such PHI, the terms and provisions of this Agreement survive termination of this Agreement with regard to such PHI.

4.3.3 Should Business Associate violate this Agreement, HIPAA, the Underlying Agreement, other applicable law, Covered Entity has the right to immediately terminate any contract then in force between the Parties, including the Underlying Agreement.

5. CONSIDERATION

Business Associate recognizes that the promises it has made in this Agreement shall, henceforth, be reasonably, justifiably, and detrimentally relied upon by Covered Entity in choosing to continue or commence a business relationship with Business Associate.

6. CAUSES OF ACTION IN THE EVENT OF BREACH

As used in this paragraph, the term “breach” has the meaning normally ascribed to that term under the New York State law related to contracts, as opposed to the specific definition under HIPAA related to PHI. Business Associate hereby recognizes that irreparable harm will result to Covered Entity in the event of breach by Business Associate of any of the covenants and assurances contained in this Agreement. As such, in the event of breach of any of the covenants and assurances contained in this Agreement, Covered Entity shall be entitled to enjoin and restrain Business Associate from any continued violation of this Agreement. Furthermore, in the event of breach of this Agreement by Business Associate, Covered Entity is entitled to reimbursement and indemnification from Business Associate for Covered Entity's reasonable attorneys’ fees and expenses and costs that were reasonably incurred as a proximate result of Business Associate's breach. The causes of action contained in this Article VI are in addition to (and do not supersede) any action for damages and/or any other cause of action Covered Entity may have for breach of any part of this Agreement. Furthermore, these provisions are in addition to the provisions set forth in the “Indemnification” Section, of the General Conditions of Contract between County and Contractor, attached to the Underlying Agreement in which “Business Associate” is “Contractor” and “Covered Entity” is “County”, for purposes of this Agreement.

7. MODIFICATION; AMENDMENT

This Agreement may be modified or amended only through a writing signed by the Parties and, thus, no oral modification or amendment hereof shall be permitted. The Parties agree to take such action as is necessary to amend this Agreement, from time to time, as is necessary for Covered Entity to comply with the requirements of HIPAA, including its Privacy, Security, and Notice Rules.

8. INTERPRETATION OF THIS AGREEMENT IN RELATION TO OTHER AGREEMENTS BETWEEN THE PARTIES

Should there be any conflict between the language of this Agreement and any other contract entered into between the Parties (either previous or subsequent to the date of this Agreement), the language and provisions of this Agreement, along with the Underlying Agreement, shall control and prevail unless the Parties specifically refer in a subsequent written agreement to this Agreement, by its title, date, and substance and specifically state that the provisions of the later written agreement shall control over this Agreement and Underlying Agreement. In any event, any agreement between the Parties, including this Agreement and Underlying Agreement, must be in full compliance with HIPAA, and any provision in an agreement that fails to comply with HIPAA will be deemed separable from the document, unenforceable, and of no effect.

9. COMPLIANCE WITH STATE LAW

The Business Associate acknowledges that by accepting the PHI from Covered Entity, it becomes a holder of medical records information under HIPPA and is subject to the provisions of that law. If HIPAA conflicts with another applicable law regarding the degree of protection provided for Protected Health Information, Business Associate must comply with the more restrictive protection requirement.

10. MISCELLANEOUS

10.1 Ambiguity. Any ambiguity in this Agreement shall be resolved to permit Covered Entity to comply with HIPAA.

10.2 Regulatory References. A reference in this Agreement to a section in HIPAA means the section in effect, or as amended.

10.3 Notice to Covered Entity. Any notice required under this Agreement to be given Covered Entity shall be made in writing to:

10.6 Incorporation of Future Amendments. Other requirements applicable to Business Associates under HIPAA are incorporated by reference into this Agreement.

10.7 Penalties for HIPAA Violation. In addition to that stated in this Agreement, Business Associate may be subject to civil and criminal penalties noted under HIPAA, including the same HIPAA civil and criminal penalties applicable to a Covered Entity.

IN WITNESS WHEREOF, and acknowledging acceptance and agreement of the foregoing, the Parties affix their signatures hereto.

Section 2

I. Purpose

The New York State Fiscal Year 2025-2026 Budget appropriates $100 million to provide rental supplements to individuals and families, both with and without children, who are experiencing homelessness or are facing an imminent loss of housing, regardless of immigration status. The purpose of this Local Commissioners Memorandum (LCM) is to notify Rest of State (ROS) social services districts (districts) of the option to participate in the New York State Rental Supplement Program (RSP) for the 2026-2027 program year. Additionally, this guidance provides the 2026-2027 RSP allocations and general program information. Districts choosing to participate in the RSP must have a Rental Supplement Program Plan on file which details the intended use of their allocation for each program year and includes an adjusted fair market rent (FMR) chart for the new fiscal year.

II. Background

The RSP was established to provide vital rental assistance to individuals and families, regardless of immigration status, who are experiencing homelessness or are facing an imminent loss of housing. The RSP is available to individuals and families both with and without children. Districts may choose to retain their allocation and use district mechanisms (e.g., direct administration or transfer of funds to county agencies) to operate this program or may delegate the administration of this program, in full or in part, to another public agency, contractor or non-profit organization.

III. Program Implications

A. Program Activities and Services

OTDA has combined each district's prior RSP plans into one document per district which includes current FMR rates and updated plans were disseminated to districts individually in advance of this LCM. Districts choosing to participate in the 2026-2027 RSP **must** confirm receipt of their updated plan and notify OTDA if there are any changes to their plan, or confirm that there are no changes, **as soon as possible, but no later than 5/4/2026.** It is expected that services will continue for eligible households transitioning into the 2026-2027 program cycle without interruption. OTDA is available to assist districts who would like insight ascertained from districts with programs functioning effectively and/or at full capacity. RSP supplements shall be made available in accordance with district plans, as long as certain minimum eligibility requirements are established as outlined in this LCM.

Supplements provided through the RSP will not be part of the standard of need pursuant to Social Services Law §131-a for individuals or families applying for or in receipt of Public Assistance (PA), and therefore would not be considered by ABEL when computing financial eligibility for PA. When computing a budget for a PA recipient who is receiving an RSP supplement, the shelter cost not covered by the RSP, or any other program, must be entered into the budget unless the supplement covers the entire shelter cost. In addition, RSP supplements shall not be subject to recoupment or repayment unless there is a determination that the application submitted was fraudulent, or otherwise identified as ineligible, and the application should not have been approved.

B. Program Eligibility and Program Requirements

While districts have flexibility regarding the development of a local RSP, the governing statute outlines some minimum requirements for participant eligibility as follows:

- Eligible participants are individuals and/or families, both with and without children, who are experiencing homelessness or facing an imminent loss of housing, regardless of immigration status;
- Household income shall be no more than 50% of area median income (AMI) at the time of application based on location and household size, with initial priority given to households who earn no more than 30% of AMI;
- Rental supplement amounts shall be set at 85% of local FMR values with a district option to pay up to 100% of FMR using local funds;
- At least 50% of the supplements shall be allocated for households who are currently in a shelter or experiencing homelessness at the time of application, unless sufficient demand does not exist for such households within the district;
- A household's financial contribution will be limited to 30% of their household's total earned and/or unearned income;
- Supplements are to be provided until a household's total monthly rent is 30% or less than their total monthly income, at which point the housing will be considered affordable for the individual/family and the supplement will end; and
- Receipt of PA is not a requirement for determining eligibility for the RSP.

Additionally, districts must make sure they have policies and procedures in place to:

- Establish that the supplement recipient is the primary tenant (e.g., require a lease or other documentation);
- Establish the rent obligation of the supplement recipient and how contributions from individuals outside the household will be taken into consideration;
- Take reasonable steps to prevent the duplication of benefits;
- Ensure arrears and security deposits are limited and are only utilized for households eligible for ongoing supplement payments;
- Establish a process for handling fraudulent applications, including a procedure for recouping funds, if necessary; and
- Establish a process for reviewing and considering appeals of applications that are denied or vouchers that are reduced or ended.

RSP Plans must provide a comprehensive outline of each district's proposed program and must address, at minimum, the following:

- Specific details regarding how eligibility for a rental supplement will be determined as well as any target populations identified;
- The process for handling modifications (moves, rent increases, changes in household composition, etc.).
- All forms and/or notices, including any new or updated forms and/or notices. If the form/notice that will be used to facilitate the application and determination process has not yet been developed, a description of this form/notice may be provided. When households requesting a supplement do not meet the criteria set forth in the district's plan, the denial/closing letter must support the decision by explaining the criteria and the district's decision that the household does not meet such criteria. An award letter must be provided to both the tenant and landlord and must detail the amount approved to be paid on a monthly basis, months/term included and any applicable tenant protections resulting from receipt of the RSP; and
- An explanation of whether there will be any health and safety standards that must be adhered to prior to paying rental supplements at a specific location.

Eligibility is determined based on a household's current monthly income at the time of application. Applications are to be accepted on a first-come, first-served basis according to the eligibility parameters set forth at the local level. Districts must establish a recertification process, including the length of the local recertification period, but recertifications shall occur at least annually.

While arrears and security deposits can be paid in limited instances, RSP funds are intended to be used for ongoing rent supplement payments and as such, eligibility determinations must be based on the household's need for ongoing rental supplements. Though PA eligibility is not a factor in determining eligibility for the RSP, operators are encouraged to refer RSP applicants for assistance applying for applicable benefit programs, such as PA, Home Energy Assistance Program (HEAP), Supplemental

Nutrition Assistance Program (SNAP), Supplemental Security Income (SSI) and Social Security Disability Insurance (SSDI).

Notifications regarding eligibility determinations (e.g., approvals, denials, and closings) must be maintained in the case record for a minimum of six years following submission of the final expenditure report.

C. Allocations

A total of $100 million is available annually to support the RSP. While all funding is subject to legislative enactment each year, continued funding support for the RSP is expected. The program year 2026-2027 RSP district allocations are listed in Attachment A and were determined based on each district's relative share of PA households as of March 31, 2022, as well as the distribution of renter households under 30% of the local AMI, based on the US Census Bureau 2015-19 Public Use Microdata Sample. RSP allocations may be adjusted in future award years based on factors including statewide utilization and ongoing local rental supplement needs.

D. Reporting Requirements

As part of their participation in the RSP, districts must keep data about each household that participates in the RSP from the point of application throughout participation in the program and must submit RSP reports on a quarterly basis. These quarterly reports are utilized to compile the annual report required by RSP legislation. In addition, on time reporting allows districts and the State to answer questions, many required by the RSP legislation, about how the RSP is being implemented in each district and to inform future programs to support those in need of housing in New York State.

While OTDA is not requiring districts to submit household-level data at this time, OTDA has provided a template with the household-level data elements that are required to complete the RSP reports. Districts may consider utilizing this optional household-level tracker as it is helpful with compilation and completion of the mandatory report.

OTDA provided a reporting instrument to districts who participated in the 2025-2026 RSP, and this instrument is unchanged. 2026-2027 RSP reports are due on or before July 10, 2026 (for the period April 1, 2026, through June 30, 2026); October 10, 2026 (for the period July 1, 2026, through September 30, 2026); January 10, 2027 (for the period October 1, 2026, through December 31, 2026); and April 10, 2027 (for the period January 1, 2027, through March 31, 2027). RSP reports must be submitted quarterly as long as there are still clients receiving a supplement through this program.
Districts and/or program operators, as applicable, are required to provide OTDA or its designees access to the program records during the course of the project. RSP projects will be monitored by OTDA on a regular basis and may include onsite visits as well as regular telephone contact and/or case reviews. The goal of monitoring is to ensure the terms of the RSP are being met in accordance with State legislation. In addition, monitoring enables OTDA to provide technical assistance, where necessary, to assist the district and/or program operator to meet the overall intent of the RSP. It is the

responsibility of the district to monitor any and all subcontracts. Districts must ensure the confidentiality of records concerning project participants.

IV. Reimbursement Structure and Allowable Costs

Allocations for the 2026-2027 RSP will be made immediately available to participating districts retroactive to April 1, 2026, to prevent any interruption in supplement payments for eligible households currently enrolled in the 2025-2026 RSP. Release of this LCM constitutes an approval of each district's 2026-2027 allocation and as such RSP payments for eligible supplements should not be suspended year to year. District allocations will be paid as claims are submitted to substantiate payment.

RSP funding is made available for districts to provide vital rental assistance to eligible households and as such, it is expected that a minimum of 85% of the funds will be used toward rental supplements including, in limited instances, rental arrears and security deposits. Districts are reminded that rental arrears and security deposits may be provided in limited instances, as long as the household is eligible and receiving an ongoing, monthly rental supplement in accordance with the guidelines outlined herein. OTDA has set a 15% spending limitation on administrative costs.

Agencies should limit the amount of administrative costs necessary to operate the RSP to maximize both the amount of funds available to pay rental supplements and the number of households enrolled. The use of RSP funds for administrative purposes must be directly related to the provision of rental supplements to eligible individuals and families.

For districts opting to assign all or a portion of their RSP allocation to another public agency, contractor or local nonprofit organization, districts will be held liable for assigned funds not used in a manner consistent with the purpose of the RSP allocation.

Districts are required to submit all claims for reimbursement through the Automated Claiming System (ACS) regardless of whether they elect to operate the program in-house or transfer the administration to another entity. RSP claims must be for expenditures from April 1, 2026, through March 31, 2027, and must be submitted in a timely manner.

V. Claiming Instructions

Expenditures for RSP should be claimed through the RF-17 claim package for special project claiming in the Automated Claiming System (ACS) for the month(s) that the expenditures were made. These costs are first identified on the RF-2A claim package as F17 functional costs and reported in the F17 column on the LDSS-923 "Cost Allocation Schedule of Payments Administrative Expenses Other Than Salaries" and the LDSS-2347 Schedule D DSS Administrative Expenses Allocation and Distribution by Function and Program" (Schedule D). After final accepting the RF-2A, the individual project costs are then reported under the project label **Rental Supplement Program 2627** on the RF-17.

Salaries, fringe benefits, staff counts, and central services costs are directly entered on the LDSS-4975A "RF17 Worksheet, Distribution of Allocated Costs to Other Reimbursable Programs" while overhead costs are automatically brought over from the Schedule D and distributed based upon the proportion of the number of staff assigned to this project.

Employees not working all their time for RSP must maintain time studies to support the salary and fringe benefit costs allocated to the program.

Non-salary administrative costs are reported with the appropriate object of expense code(s) on page 1 of the LDSS-923B "Summary - Administrative Schedule of Payments for Expenses Other Than Salaries for Other Reimbursable Programs".

Program costs are reported as object of expense code 37 (Special Project Program Expense) on page 2 of the LDSS-923B "Summary - Program Schedule of Payments for Expenses Other Than Salaries for Other Reimbursable Programs".

Total project costs are reported on the LDSS-4975 "Monthly Statement of Special Project Claims Federal and State Aid (RF-17)" as 100% state share excluding central services costs which are local share. Actual reimbursement will be based upon each district's allocation.

Claims for the period April 1, 2026, through March 31, 2027, must be final accepted in ACS by July 1, 2027.

For further instructions relating to completing time studies, the LDSS-923, LDSS-923B, and Schedule D, and the RF-17 claim package are found in Chapters 4, 7, and 18, respectively of the Fiscal Reference Manual (FRM) Volume 3. The FRMs are available online at: https://intranet.otda.ny.gov/bfdm/finance/.

VI. Necessary Action

Districts who elect to receive this funding must have an updated 2026-2027 RSP Plan. Each district will receive an individualized RSP Plan that has been updated for 2026-2027 in advance of this LCM. Districts are encouraged to submit changes to RSP Plans, or confirm that no changes are required, as soon as possible, but no later than 5/4/2026. Districts opting to participate in RSP for the first time in 2026-2027 must contact OTDA to begin the process of developing a 2026-2027 plan. OTDA staff will provide resources and support as needed. While it is understood that time is needed to develop and implement a new RSP program, it is expected that districts participating in the 2026-2027 RSP will provide rental supplements during the 2026-2027 program year.

In order to expedite the review and approval of RSP Plans for districts who operated during the 2025-2026 program year, OTDA provided each district with a version of their RSP Plan that includes updated FMR charts and previously submitted information. Districts must note any changes to their Plans by highlighting or italicizing the changes on this version of RSP Plan. A complete 2026-2027 RSP Plan package will be sent to participating districts, including the reporting template.

VENDOR agrees to perform the SERVICES and/or supply the goods in accordance with the terms and conditions of this Agreement. It is specifically agreed that the COUNTY will not compensate VENDOR for any SERVICES and/or goods provided outside those specifically identified in Schedule A, without prior authorization, evidenced only by a written Change Order or Addendum to this Agreement executed by the County Executive of the COUNTY after consultation with the County Department head responsible for the oversight of this Agreement (hereinafter "Department Head").

ARTICLE 2. TERM OF AGREEMENT

This agreement shall commence on April 1, 2026 at 12:01 a.m. and shall terminate on March 31, 2027 at 11:59 p.m.

ARTICLE 3. COMPENSATION

For satisfactory performance of the services and/or receipt of conforming goods or, as such services or goods may be modified by mutual written agreement, the County agrees to compensate Vendor in accordance with the fees and expenses as stated in Schedule B, which is attached to and is part of this Agreement. Vendor shall submit to the County a monthly itemized invoice for services rendered during the prior month, or as otherwise set forth in Schedule B, and prepared in such form and supported by such documents as the County may reasonably require. The County will pay the proper amounts due Vendor within sixty (60) days after receipt of an itemized invoice, and if any line item expense is objectionable, Vendor will be notified, in writing, of the COUNTY'S reasons for objecting to all or any portion of the invoice submitted by Vendor.

A not to exceed cost of $497,493.00 has been established for the scope of Services and/or the supply of goods rendered by Vendor. Costs in excess of such not-to-exceed cost, if any, may not be incurred without prior written authorization of the County Legislature, evidenced a certified copy of said legislative resolution and by a written Change Order or Addendum to this Agreement, after consultation with the Department Head. It is specifically agreed to by Vendor that the County will not be responsible for any additional cost or costs in excess of the above-noted not-to-exceed cost if the County's authorization is not given in writing prior to the performance of the SERVICES giving rise to such excess or additional costs.

ARTICLE 4. EXECUTORY CLAUSE

The County shall have no liability under this Agreement to Vendor or to anyone else beyond funds appropriated and available for this Agreement.

ARTICLE 5. PROCUREMENT OF AGREEMENT

Vendor represents and warrants that no person or selling agency has been employed or retained by it to solicit or secure this Agreement upon an agreement or upon an understanding for a commission, percentage, a brokerage fee, contingent fee or any other compensation. Vendor further represents and warrants that no payment, gift or thing of value has been made, given or promised to obtain this or any other agreement between the parties. Vendor makes such representations and warranties to induce the COUNTY to enter into this Agreement and the COUNTY relies upon such representations and warranties in the execution hereof.

For a breach or violation of such representations or warranties, the County shall have the right to annul this Agreement without liability, entitling the County to recover all monies paid hereunder and Vendor shall not make claim or be entitled to recover, any sum or sums otherwise due under this Agreement. This remedy, if effected, shall not constitute the sole remedy afforded the County for such falsity or breach, nor shall it constitute a waiver of the COUNTY'S right to claim damages or otherwise refuse payment or to take any other action provided for by law or pursuant to this Agreement.

ARTICLE 6. CONFLICT OF INTEREST

VENDOR represents and warrants that neither it nor any of its directors, officers, members, partners or employees, have any interest nor shall they acquire any interest, directly or indirectly which would or may conflict in any manner or degree with the performance or rendering of the Services herein provided. Vendor further represents and warrants that in the performance of this Agreement, no person having such interest or possible interest shall be employed by it and that no elected official or other officer or employee of the County, nor any person whose salary is payable, in whole or in part, by the County, or any corporation, partnership or association in which such official, officer or employee is directly or indirectly interested shall have any such interest, direct or indirect, in this Agreement or in the proceeds thereof, unless such person (1) if required by the Rensselaer County Ethics Law as amended from time to time, to submit a Disclosure form to the Rensselaer County Board of

Ethics, amends such Disclosure Form to include their interest in this Agreement, or (2) if not required to complete and submit such a disclosure form, said person must either voluntarily complete and submit said disclosure form disclosing their interest in this Agreement or seek a formal opinion from the Rensselaer County Ethics Board as to whether or not a conflict of interest exists.

For a breach or violation of such representations or warranties, the County shall have the right to annul this Agreement without liability, entitling the County to recover all monies paid hereunder and Vendor shall not make claim for, or be entitled to recover, any sum or sums otherwise due under this Agreement. This remedy, if elected, shall not constitute the sole remedy afforded the County for such falsity or breach, nor shall it constitute a waiver of the County's right to claim damages or otherwise refuse payment to or to take any other action provided for by law in equity or, pursuant to this Agreement.

ARTICLE 7. FAIR PRACTICES

Vendor and each person signing on behalf of the Vendor represents, warrants and certifies under penalty of perjury, that to the best of their knowledge and belief:

B. Unless otherwise required by law, the prices which have been quoted in this Agreement and on the proposal or quote submitted by Vendor have not been knowingly disclosed by Vendor prior to the communication of such quote to the County or the proposal opening directly or indirectly, to any other bidder, proposer or to any competitor; and

C. No attempt has been made or will be made by Vendor to induce any other person, partnership, corporation or entity to submit or not to submit a proposal or quote for the purpose of restricting competition.

The fact that Vendor (i) has published price lists, rates, or tariffs covering items being procured (ii) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (iii) has provided the same items to the other customers at the same prices being bid or quote, does not constitute, without more, a disclosure within the meaning of this Article.

ARTICLE 8. INDEPENDENT CONTRACTOR

In performing the services and/or supplying goods and incurring expenses under this Agreement, Vendor shall operate as, and have the status of, an independent contractor and shall not act as agent, or be an agent, of the County. As an independent contractor, Vendor shall be solely responsible for determining the means and methods of performing the services and/or supplying the goods and shall have complete charge and responsibility for Vendor's personnel engaged in the performance of the same.

In accordance with such status as independent contractor, Vendor covenants and agrees that neither it nor its employees or agents will hold themselves out as, nor claim to be officers or employees of the County, or of any department, agency or unit thereof by reason hereof, and that they will not, by reason hereof, make any claim, demand or application to or for any right or privilege applicable to an officer or employee of the County including, but not limited to, Worker's Compensation coverage, health coverage, Unemployment Insurance Benefits, Social Security coverage or employee retirement membership or credit.

ARTICLE 9. ASSIGNMENT AND SUBCONTRACTING

Vendor shall not assign any of its rights, interest or obligations under this Agreement, or subcontract any of the SERVICES to be performed by it under this Agreement, without the prior express written consent of the Rensselaer County Executive. Any such subcontract, assignment, transfer, conveyance, or other disposition without such prior consent shall be void and any services provided thereunder will not be compensated. Any subcontract or assignment properly consented to by the County shall be subject to all of the terms and conditions of this Agreement.

Failure of Vendor to obtain any required consent to any assignment, shall be grounds for termination for cause, at the option of the County and if so terminated, the County shall thereupon be relieved and discharged from any further liability and obligation to Vendor, its assignees or transferees, and all monies that may become due under this Agreement shall be forfeited to the County except so much thereof as may be necessary to pay Vendor's employees for past service.

The provisions of this clause shall not hinder, prevent, or affect any assignment by Vendor for the benefit of its creditors made pursuant to the laws of the State of New York.

This agreement may be assigned by the County to any corporation, agency, municipality or instrumentality having authority to accept such assignment.

ARTICLE 10. BOOKS AND RECORDS

Vendor agrees to maintain separate and accurate books, records, documents and other evidence and accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Agreement.

ARTICLE 12. AUDIT BY THE COUNTY AND OTHERS

All invoices presented for payment to be made hereunder, and the books, records and accounts upon which said Claimant's Certification forms or invoices are based are subject to audit by the COUNTY. VENDOR shall submit any and all documentation and justification in support of expenditures or fees under this Agreement as may be required by the COUNTY so that it may evaluate the reasonableness of the charges, and VENDOR shall make its records available to the COUNTY upon request. All books, Claimant's certification forms, records, reports, cancelled checks and any and all similar material may be subject to periodic inspection, review and audit by the COUNTY, the State of New York, the federal government, and/or other persons duly authorized by the COUNTY. Such audits may include examination and review of the source and application of all funds whether from the COUNTY and State, the federal government, private sources or otherwise. Such policies are to be in the broadest form available on usual commercial terms and shall be written by insurers of recognized financial standing satisfactory to the County, which insurers have been fully informed as to the nature of the services to be performed. Except for Worker's Compensation and professional liability, the County shall be an additional insured on all such policies with the understanding that any obligations imposed upon the insured (including, without limitation, the liability to pay premiums) shall be the sole obligation of Vendor and not those of the County. Notwithstanding anything to the contrary in this Agreement, Vendor irrevocably waives all claims against the County for all losses, damages, claims or expenses resulting from risks commercially insurable under this insurance described in this Article 13. The provisions of insurance by Vendor shall not in any way limit Vendor's liability under this Agreement.

To the extent it is commercially available, each policy of insurance shall be provided on an "occurrence" basis. If any insurance is not so commercially available on an "occurrence" basis, it shall be provided on a "claims made" basis, and all such "claims made" policies shall provide that:

The County may, by written notice to Vendor effective upon mailing, terminate this Agreement in whole or in part at any time (1) for the County's convenience, (2) upon the failure of Vendor to comply with any of the terms or conditions of this agreement, or (3) upon the Vendor becoming insolvent or bankrupt.

Upon termination of this Agreement, the Vendor shall comply with any and all County closeout procedures, including, but not limited to:

A. Accounting for and refunding to the County within thirty (30) days, any unexpended funds which have been paid to VENDOR pursuant to this Agreement; and

B. Furnishing within thirty (30) days an inventory to the County of all equipment, appurtenances and property purchased by Vendor through or provided under this Agreement, and carrying out any County directive concerning the disposition thereof.

In the event the County terminates this Agreement in whole or in part, as provided in this Article, the County may procure, upon such terms and in such manner as deemed appropriate, services similar to those so terminated, and the Vendor shall continue the performance of this Agreement to the extent not terminated hereby. If this Agreement is terminated in whole or in part for other than the convenience of the County, any services or goods procured by the County to complete the services herein will be charged to Vendor and/or set off against any sums due VENDOR.

Notwithstanding any other provision of this Agreement, Vendor shall not be relieved of liability to the County for damages sustained by the County by virtue of Vendor's breach of the Agreement or failure to perform in accordance with applicable standards, and the County may withhold payments to Vendor for the purposes of set-off until such time as the exact amount of damages due to the County from Vendor is determined.

Rensselaer County Attorney
99 Troy Road, 4th Floor
East Greenbush, New York 12061

Re: Engagement Letter for GML § 207 Matter – Jamie Panichi

Dear Mr. Kempf:

This is to thank you for your request that this Firm to serve as legal counsel to the County of Rensselaer (hereinafter "County" or "you") with respect to a certain General Municipal Law § ("GML") 207 claim with regard to employee Jamie Panichi. We are pleased to have this opportunity to assist you, and we want to acquaint you with our manner of handling your case.

Scope of Representation

Our representation of the County will be in connection with the above-referenced matter only, unless we otherwise agree in writing. Our representation will be limited in nature and scope to representing the County in relation to the pending GML 207-c administrative appeal in the above referenced matter. The representation will include all aspects of scheduling, preparation for, and conduct of the administrative hearing process through a final determination by a duly appointed arbitrator. However, our representation hereunder shall not include representation in any post-hearing judicial filings, such as an Art. 78 proceeding in State Court, nor any or Federal Court appearances, as same would require a separate retainer agreement.

This additional retainer is being executed due to this matter moving to an administrative hearing and the related work which accompanies the appeal of Sgt. Panichi which requires representation in the administrative hearing process.

Firm Representation

While I will be primarily responsible for providing legal services, other lawyers in the firm may from time to time be involved in the event I am out of town or otherwise unavailable. To be cost effective, I may ask an associate or paralegal to assist with legal research or the drafting of documents, which I will review. Should I be unavailable when you call, please feel free to refer any questions to my paralegal, Ronitta J. McPherson, or my legal assistant, Isabelle Samaroo. If either is unable to answer any immediate concern, I will be in touch with you as quickly as possible.

Cooperation

We will need the Count's cooperation from time to time to effectively represent it in this matter. This may include assistance with scheduling witness interviews, providing relevant policies and documentation, ordering employees to comply with requests, etc. We will endeavor to coordinate this with all concerned individuals in order to make this as little an imposition as possible.

Billing Basis, Rates and Retainer

We have agreed to provide legal services to the County based on an hourly rate. As such, we are not in a position to quote you a specific fee for our services because it is impossible to determine, at this point, how much work will be involved.

We agree to invoice the County monthly with a detailed statement and payment will be due upon receipt of our invoice, but not later than thirty (30) days thereafter. We will send monthly invoices to your attention. Our statements to you will reflect the rates in effect at the time of billing. If you have questions about our billing rate or method, please feel free to discuss this matter early in our representation of you.

Our current hourly rates for the legal services of this kind are $320 per hour for partners and of counsel; $275 per hour for associates; and $225.00 an hour for paralegals. These rates will be in effect through December 31, 2026 We agree to obtain your approval of any future rate increases.

We are not able to advance significant expenses on behalf of our clients, and we will try to anticipate same. If we do advance any monies for nominal expenses and fees on your behalf, such as filing fees, transcript costs, travel and photocopying, we will expect the County to promptly reimburse us upon billing.

Notice of Arbitration

Pursuant to Part 137 of the Rules of the Chief Administrator of the Courts of New York State, in the event of a fee dispute, the County does have the right to demand arbitration against us in an effort to resolve such fee dispute. In the unlikely event that a fee dispute arises, and the County notifies us of its intention to arbitrate, at your request, we will provide the County with the appropriate forms to file to implement its right to arbitrate.

Travel Time

To minimize expense, we will try to accomplish interviews and meetings remotely. However, in the

event any travel is required on your behalf, such time will be charged at the usual hourly rate, plus mileage and travel expenses, if applicable.

Efforts on Your Behalf

We will strive to complete your work as expeditiously as possible and at a fair and reasonable cost to you. We do represent other clients, and there will be times when we will be giving your work priority over others. But the converse is true, and we trust that you will understand if reasonable delays occur in completion of your work.

Termination

The County shall at all times have the right to terminate our services upon written notice to that effect. We shall, subject to applicable court requirements with respect to withdrawal, have the right to terminate our services upon reasonable written notice.

Statement of Client's Rights

Attached to this letter is a "Statement of the Client's Rights" which you should read prior to engaging with our Firm to perform legal services.

If you have any questions about these terms, please let me know. Otherwise, if they are acceptable to you, I would appreciate the authorized County officer signing a copy of this agreement and sending it back to me via email.

We appreciate the opportunity to be of assistance to you and look forward to working with you in this matter.

Sincerely,

STATEMENT OF CLIENT'S RIGHTS AND RESPONSIBILITIES

Your attorney is providing you with this document to inform you of what you, as a client, are entitled to by law or by custom. To help prevent any misunderstanding between you and your attorney, please read this document carefully.

If you ever have any questions about these rights, or about the way your case is being handled, do not hesitate to ask your attorney. He or she should be readily available to represent your best interest and keep you informed about your case.

An attorney may not refuse to represent you on the basis of race, creed, color, sex, sexual orientation, age, national origin or disability.

You are entitled to an attorney who will be capable of handling your case; show you courtesy and consideration at all times; represent you zealously; and preserve your confidences and secrets that are revealed in the course of the relationship.

You are entitled to a written retainer agreement which must set forth, in plain language, the nature of the relationship and the details of the fee arrangement. At your request, and before you sign the agreement, you are entitled to have your attorney clarify in writing any of its terms or include additional provisions.

You are entitled to fully understand the proposed rates and retainer fee before you sign a retainer agreement, as in any other contract.

You may refuse to enter into any fee arrangement that you find unsatisfactory.

Your attorney may not request a retainer fee that is non-refundable. That is, should you discharge your attorney, or should your attorney withdraw from the case, before the retainer is used up, he or she is entitled to be paid commensurate with the work performed on your case and any expenses, but must return the balance of the retainer to you. However, your attorney may enter into a minimum fee arrangement with you that provides for the payment of a specific amount below which the fee will not fall based upon the handling of the case to its conclusion.

You are entitled to know the approximate number of attorneys and other legal staff members who will be working on your case at any given time and what you will be charged for the services of each.

You are entitled to know in advance how you will be asked to pay legal fees and expenses, and how the retainer, if any, will be spent.

At your request, and after your attorney has had a reasonable opportunity to investigate your case, you are entitled to be given an estimate of approximate future costs of your case, which estimate shall be made in good faith, but may be subject to change due to facts and circumstances affecting the case.

You are entitled to receive a written, itemized bill on a regular basis, at least every 60 days.

You are expected to review the itemized bills sent by counsel, and to raise any objections or errors in a timely manner. Time spent in discussion or explanation of bills will not be charged to you.

You are expected to be truthful in all discussions with your attorney, and to provide all relevant information and documentation to enable him or her to competently prepare your case.

You are entitled to be kept informed of the status of your case, and to be provided with copies of documents prepared on your behalf or received from the court or your adversary.

You have the right to be present in court at the time conferences are held.

You are entitled to make the ultimate decision on the objectives to be pursued in your case, and to make a final decision regarding the settlement of your case.

Your attorney's written retainer agreement must specify under what circumstances he or she might seek to withdraw as your attorney for nonpayment of legal fees. If an action or proceeding is pending, the court may give your attorney a "charging lien", which entitles your attorney to payment for services already rendered at the end of the case out of the proceeds of the final order or judgment.

You are under no legal obligation to sign a confession of judgment or promissory note, or to agree to a lien or mortgage on your home to cover legal fees. Your attorney's written retainer agreement must specify whether, and under what circumstances, such security may be requested. In no event may such security interest be obtained by your attorney without prior court approval and notice to your adversary. An attorney's security interest in the marital residence cannot be foreclosed against you.

You are entitled to have your attorney's best efforts exerted on your behalf, but no particular results can be guaranteed.

If you entrust money with an attorney for an escrow deposit in your case, the attorney must safeguard the escrow in a special bank account. You are entitled to a written escrow agreement, and may request that one or more interest-bearing bank accounts be used. You also are entitled to a written receipt, and a complete record concerning the escrow. When the terms of the escrow agreement have been performed, the attorney must promptly make payment of the escrow to all persons who are entitled to it.

In the event of a fee dispute, you may have the right to seek arbitration. Your attorney will provide you with the necessary information regarding arbitration in the event of a fee dispute, or upon your request.

Dear Sheriff Bourgault,

ViaPath Technologies/Global Tel Link is providing the Rensselaer County Correctional Facility with a one-time Technology Grant. ViaPath provided this grant before the April 6, 2026 effective date of the FCC Order, and as such, the grant was not subject to the FCC's Order's restrictions. This grant was intended to help the Sheriff's Office offset costs with managing phone, tablet and video visitation systems at the jail. There are no restrictions to how grant is expended.

We appreciate your time and partnership. Should you have any additional questions or have any needed points of clarification, please do not hesitate to contact me directly at (814) 330-3832 or via email at anthony.pellegrino@viapath.com.

Resolution No. P/32

RESOLUTION IN SUPPORT OF NEW YORK STATE SENATE BILL S.10037 AND ASSEMBLY BILL A.11242 TO RESTORE SAFE PUBLIC ACCESS TO RIVERFRONT PARK IN THE VILLAGE OF CASTLETON-ON-HUDSON

WHEREAS, The Village of Castleton-on-Hudson is situated directly along the Hudson River and has historically lacked meaningful public access to its waterfront due to the railroad corridor separating the community from the shoreline; and

WHEREAS, Riverfront Park in the Village of Castleton-on-Hudson represents the community's only potential public access point to the Hudson River waterfront; and

WHEREAS, Public access to Riverfront Park has remained closed since 1994 when the Village agreed to restrict public use of the existing at-grade pedestrian rail crossing in connection with plans related to high-speed rail improvements and based upon an understanding that New York State would provide an alternative means of public access; and

WHEREAS, While proposals for a grade-separated pedestrian bridge were explored, such proposals proved financially impractical for the Village due to the long-term maintenance

costs and liability obligations associated with such infrastructure; and

WHEREAS, The continued lack of lawful public access has not only deprived residents and visitors of the opportunity to safely enjoy the Hudson River waterfront, but has also contributed to ongoing concerns regarding individuals attempting to illegally cross the railroad tracks, creating unacceptable public safety risks; and

WHEREAS, In 2023, the Rensselaer County Legislature adopted Resolution P/371/23 in support of the Village of Castleton-on-Hudson's petition to the New York State Department of Transportation seeking the removal of fencing at the Scott Avenue crossing to restore public access to the waterfront; and

WHEREAS, Although the Village's efforts through the administrative process did not ultimately result in reopening the crossing, the Village of Castleton-on-Hudson, in partnership with Scenic Hudson and state legislators, has continued pursuing a legislative solution to restore safe public access; and

WHEREAS, New York State Senate Bill S.10037 and Assembly Bill A.11242 would direct the New York State Department of Transportation to construct and install safety gates for the railroad crossing at Scott Avenue west of Main Street in the Village of Castleton-on-Hudson within two years of enactment; and

WHEREAS, This legislation represents a practical and commonsense solution that balances public safety with the longstanding goal of restoring waterfront access to the residents of Castleton-on-Hudson; and

WHEREAS, At a time when substantial public resources are being invested by federal, state, and local governments, as well as environmental organizations and taxpayers, into cleaning, preserving, and revitalizing the Hudson River, it is critical that the public also have safe and equitable access to enjoy and appreciate this invaluable natural resource; and

WHEREAS, Restoring safe access to Riverfront Park would promote recreation, tourism, environmental education, waterfront revitalization, and economic development opportunities within the Village and throughout the region; now, therefore, be it

RESOLVED, That the Rensselaer County Legislature hereby expresses its strong support for New York State Senate Bill S.10037 and Assembly Bill A.11242 directing the New York State Department of Transportation to install safety gates and restore safe public access to Riverfront Park in the Village of Castleton-on-Hudson; and, be it further

RESOLVED, That the Clerk of the Legislature is hereby directed to forward certified copies of this resolution to Governor Kathy Hochul, Senate Majority Leader Andrea Stewart-Cousins, Assembly Speaker Carl Heastie, Senator Jake Ashby, Assembly member Scott Bendett, the New York State Department of Transportation, Scenic Hudson, and the Village of Castleton-on-Hudson.

Resolution No. P/33

RESOLUTION URGING NEW YORK STATE TO CONDUCT ADDITIONAL AIR TESTING IN THE CITY OF RENSSELAER AND TOWN OF EAST GREENBUSH AND TO FOLLOW THE PRINCIPLES OF THE 2024 HEALTH EQUITY PLAN

WHEREAS, The Rensselaer County Legislature recognizes its responsibility to protect the health, safety, and well-being of the residents of Rensselaer County; and

WHEREAS, The Dunn Construction and Demolition Landfill, approved and regulated by New York State, is located in extremely close proximity to the Rensselaer City School District campus, including approximately 200 feet from outdoor recreation areas and approximately 500 feet from school buildings; and

WHEREAS, The proximity of the landfill to the school community has generated serious and ongoing concerns regarding potential long-term health impacts on students, faculty, staff, and nearby residents; and

WHEREAS, Children are among the most vulnerable populations to environmental exposure and airborne contaminants, making comprehensive and site-specific air quality monitoring critically important; and

WHEREAS, Previous air monitoring efforts have largely relied on rooftop measurements and regional comparisons that do not adequately measure exposure conditions within the breathing zone of students, staff, and nearby residents; and

WHEREAS, Residents and advocacy groups have raised concerns regarding elevated volatile organic compounds (VOCs), black carbon emissions associated with truck traffic, potential PFAS contamination in landfill leachate, odors, dust, and other airborne contaminants associated with landfill operations; and

WHEREAS, The Rensselaer County Legislature believes additional targeted and transparent testing is necessary to properly evaluate air quality conditions in and around the landfill and surrounding neighborhoods; and

WHEREAS, The Legislature respectfully requests that the New York State Department of Health conduct comprehensive on-site, ground-level air monitoring at the Rensselaer City School campus and surrounding neighborhoods including East Greenbush, and fence-line monitoring at the landfill itself to directly measure emissions at the source; and

WHEREAS, The Legislature further requests testing for specific contaminants including PFAS, volatile organic compounds (VOCs), hydrogen sulfide, particulate matter, and other potentially harmful airborne toxins; and

WHEREAS, The Legislature also requests mobile air monitoring along Partition Street Extension, Van Rensselaer Drive, and nearby residential areas in East Greenbush that may be impacted by landfill operations and truck traffic; and

WHEREAS, The Legislature believes all testing data and findings should be publicly shared in a timely, transparent, and understandable manner to ensure residents have confidence that their air is safe; and

WHEREAS, The affected school population includes a significant percentage of minority, economically disadvantaged, and otherwise vulnerable students, making this issue directly relevant to the principles outlined in New York State's 2024 Health Equity Plan; and

WHEREAS, The Legislature believes that health equity requires targeted, community-specific action and that the unique conditions present in the City of Rensselaer—including the landfill's proximity to the school, prevailing wind patterns, and documented environmental concerns—warrant a heightened level of scrutiny and responsiveness from New York State; and

WHEREAS, The Legislature further believes that a comprehensive Health Equity Impact Assessment, including a longitudinal review of health outcomes where feasible, would provide valuable insight into any cumulative health impacts associated with landfill operations since 2015; and

WHEREAS, The Rensselaer County Legislature has consistently opposed the operation and expansion of the Dunn Landfill since its inception, while New York State has continued to approve and permit its operation; now, therefore, be it

RESOLVED, That the Rensselaer County Legislature hereby strongly urges the New York State Department of Health to immediately conduct comprehensive, on-site air quality testing and monitoring in the areas surrounding the Dunn Construction and Demolition Landfill and the Rensselaer City School District; and, be it further

RESOLVED, That the Legislature calls upon the New York State Department of Health to work collaboratively with local officials, school representatives, residents, and community stakeholders to address these ongoing public health concerns; and, be it further

RESOLVED, That certified copies of this resolution be forwarded to Governor Kathy Hochul, New York State Department of Health Commissioner Dr. James McDonald, the New York State Department of Environmental Conservation, the members of the New York State Senate and Assembly representing Rensselaer County, the Rensselaer City School District, and all others deemed necessary and proper.

RENSSELAER COUNTY LEGISLATURE

Introduced by Legislator(s) Bayly, Hoffman, Fleming,

Sent To: Budget and Finance **Committee** **Date** June 9, 2026

Resolution No. G/36/26

RESOLUTION AUTHORIZING THE PURCHASE OF ONE (1) FORD F-450 EMERGENCY VEHICLE - BUREAU OF PUBLIC SAFETY

WHEREAS, This Resolution is filed with the Rensselaer County Legislature by the Rensselaer County Executive; and

WHEREAS, The Rensselaer County Legislature previously authorized the acquisition of a Mobile Communications and Command Center (MCC) under Resolution G/454/25 to enhance countywide emergency response, coordination and interoperability capabilities; and

WHEREAS, The MCC is a 42-foot, tri-axle, fifth-wheel unit with an approximate gross vehicle weight of 24,000 pounds, requiring a properly rated and purpose-built towing vehicle to ensure safe, compliant and effective transport; and

WHEREAS, The Bureau of Public Safety has identified the need for a 2026 Ford F-450 4x4 Dual Rear Wheel Super duty pickup as the appropriate class of vehicle capable of safely towing and deploying the MCC under emergency conditions; and

WHEREAS, The F-450 platform provides the necessary towing capacity, stability, braking performance and fifth-wheel/gooseneck configuration required to transport the MCC while maintaining operational safety for personnel and the motoring public; and

WHEREAS, Without a properly equipped tow vehicle, the Mobile Communications and Command Center cannot be deployed, rendering the County's investment in this critical emergency response asset ineffective; and

RE: Commercial Driver License ("CDL") Requirements – Bureau of Public Safety Emergency Vehicle and Trailer

Based upon the request of the Rensselaer County Bureau of Public Safety, and in connection with Resolution G/454/25 and proposed Resolution G/___/26, copies of which are attached, this Office has reviewed whether County employee operators of the proposed County emergency response vehicle and associated mobile communications and command center are required to possess a Commercial Driver License ("CDL") under applicable New York law.

Vehicle and Traffic Law Section 501-a (4)(b) specifically exempts drivers of certain emergency vehicles from the requirement to obtain a CDL. The statute provides that a commercial motor vehicle does not include, ***among others***, a police vehicle or fire vehicle, or combination of such vehicles during its use in an emergency operation…or in the performance of official duties or activities related to the execution of emergency governmental functions pursuant to 49 CFR section 383.3 (d)(2). This exemption applies to vehicles such as fire trucks, ambulances and other emergency response vehicles when used in the context of emergency operations or official duties. Additionally, federal regulation 49 CFR 383.3 allows states to exempt drivers of emergency vehicles necessary for the preservation of life or property or the execution of emergency governmental functions, further supporting this exemption.

The question then, is whether the vehicle at issue here and its proposed use falls within the exemption set forth in Section 501-a (which importantly as highlighted above is not limited to police and fire vehicles). Section 101 of the V&T law defines authorized emergency vehicle to include "civil defense emergency vehicle". Based on the intended use and mission of this vehicle as articulated by the County Bureau of Public Safety, one could reasonably conclude that this vehicle would fall within that classification so long as the vehicle is equipped with audible/visual signals and not be subject to normal traffic regulation per 49 CFR Section 383.3. Therefore, when the various statutes are read together along with the federal regulations adopted by New York, one could reasonably conclude that County operators of this vehicle may do so without obtaining a CDL.

According to the County Bureau of Public Safety, this conclusion is also supported by past practice as the County operators of the previous vehicle used for similar purposes were exempt from the CDL obligation.

Importantly, however, as set forth above, the applicability of the exemption depends not only upon the nature of the vehicle itself, but also upon the manner and purpose for which the vehicle is being operated. The exemption is tied to the vehicle's use in emergency governmental functions, civil defense activities, preparedness operations, training exercises, or related official duties. Operation of the vehicle outside of those qualifying governmental purposes could potentially affect the applicability of the exemption.

This Office further notes that the administration and enforcement of CDL requirements falls within the jurisdiction of the New York State Department of Motor Vehicles ("DMV") and applicable federal transportation authorities. As such, while this Office believes there is a reasonable legal basis supporting application of the exemption under the circumstances presented, the County may nevertheless wish to seek written administrative guidance or confirmation from the New York State DMV regarding the applicability of the exemption to the specific vehicle and trailer configuration at issue in order to provide additional regulatory certainty.

Similarly, because there does not appear to be directly controlling judicial or administrative precedent specifically addressing this precise vehicle configuration and operational use, the County could also consider requesting guidance or an opinion from the New York State Attorney General Opinion Bureau to provide additional interpretive clarity and statewide consistency regarding the scope of the exemption.

This Office additionally emphasizes that any exemption from CDL licensing requirements does not diminish the County's independent responsibility to ensure that all operators are properly trained, qualified, supervised, and authorized to safely operate the vehicle and trailer. In that regard, the Bureau's stated intention to implement a structured driver qualification and training program consistent with NFPA 1451, Standard for a Fire and Emergency Service Vehicle Operations Training Program, is both prudent and appropriate.

As represented by the Bureau, the proposed training and qualification standards include, among other items:

1. Development of a formal vehicle operations training program;
2. Initial and recurring driver training requirements;
3. Driver qualification and authorization procedures;
4. Vehicle familiarization and equipment-specific training;
5. Defensive driving and safe operating practices;
6. Backing, maneuvering, and confined-area operation training;
7. Emergency and non-emergency response driving procedures;

8. Documentation of training and competency evaluations; and
9. Ongoing refresher training and periodic competency assessments.

Implementation of such standards will assist the County in ensuring safe and professional operation of the vehicle regardless of whether a CDL is ultimately determined to be legally required.

Finally, this opinion is limited to the specific facts and representations presently provided to this Office concerning the proposed County vehicle, trailer, and intended operational use, and should not be interpreted as a formal determination or binding regulatory opinion by the New York State Department of Motor Vehicles, the New York State Attorney General, or any federal transportation authority.

CJ,

Jay asked that I forward the following statutory references that appear to support an exemption for the Bureau, and the County as a whole, from requiring a formal CDL for operation of the new truck and trailer we are expecting to receive.

My understanding is that the Legislature was seeking additional clarity on this issue before moving the resolution forward, so we wanted to provide the relevant references for your review , please provide your opinion.

Relevant Statutory References

Vehicle and Traffic Law § 501
https://www.nysenate.gov/legislation/laws/VAT/501

This section outlines licensing requirements and exemptions. Specifically, subsection (2)(d) appears to provide exemptions from commercial driver licensing requirements for certain vehicles. In addition to police and fire vehicles, paragraph (c) references "a vehicle owned and identified as being owned by the state or a political subdivision thereof." As a county government, it would appear that this provision may apply to county-owned vehicles such as the unit being discussed.

Vehicle and Traffic Law § 1104
https://www.nysenate.gov/legislation/laws/VAT/1104

This section provides definitions and operating privileges associated with emergency vehicles and may be useful for additional context.

Vehicle and Traffic Law § 106-a
https://www.nysenate.gov/legislation/laws/VAT/106-A

This section defines a "Civil Defense Vehicle." Based on the intended use and mission of this vehicle, it would appear to fit within that classification.

Vehicle and Traffic Law § 101
https://www.nysenate.gov/legislation/laws/VAT/101

This section provides the definition of "Authorized Emergency Vehicle" and may also be relevant to the discussion.

Additionally, for everyone involved in this discussion, I want to reiterate a point that Jay already emphasized: we have absolutely no intention of placing personnel behind the wheel of this vehicle without proper training and qualification. While a CDL may not be legally required under the

exemptions referenced above, we fully recognize the responsibility associated with operating a vehicle of this size and capability and the increased risk it poses to the county as a whole and take that extremely seriously.

To that end, we intend to follow nationally recognized fire and emergency service training standards, specifically **NFPA 1451, Standard for a Fire and Emergency Service Vehicle Operations Training Program**. This standard establishes a comprehensive framework for ensuring personnel are trained, evaluated, and qualified before operating emergency service vehicles.

Among other requirements, NFPA 1451 addresses:

- Development of a formal vehicle operations training program.
- Initial and recurring driver training requirements.
- Driver qualification and authorization processes.
- Vehicle familiarization and equipment-specific training.
- Safe driving practices, including defensive driving techniques.
- Backing, maneuvering, and operating large vehicles in confined areas.
- Emergency response and non-emergency response driving procedures.
- Documentation of training, qualifications, and performance evaluations.
- Ongoing refresher training and periodic competency assessments.
- Risk management practices designed to reduce accidents, injuries, and vehicle damage.

Our intent is to ensure that anyone authorized to operate this vehicle receives appropriate training, demonstrates competency, and is documented as qualified in accordance with recognized industry standards. The goal is not simply regulatory compliance, but safe and professional operation of the vehicle under all circumstances.

In summary: Based on our review, the cited sections of New York Vehicle and Traffic Law appear to provide a basis for exemption from CDL requirements for county-owned emergency or civil defense vehicles. Regardless of whether a CDL is legally required, the Bureau intends to implement a structured driver qualification and training program consistent with NFPA 1451 to ensure all operators are properly trained, evaluated, and authorized before operating the vehicle.

Please let us know your interpretation of the statutory references above and whether you agree that they support the exemption.

Thank you,

Jay Wilson – Director

Bureau of Public Safety – Field Response Vehicle Justification

The Bureau of Public Safety is requesting authorization to purchase two (2) new vehicles to support and enhance emergency response operations throughout Rensselaer County. These vehicles are critical to maintaining operational readiness, improving response capability, and ensuring the safe and efficient deployment of personnel and equipment during emergencies.

Over the past year, the Bureau has significantly expanded its inventory of deployable emergency equipment through New York State support and grant-funded acquisitions. This equipment includes three (3) light towers, three (3) variable message boards, eight (8) 4-inch pumps, eight (8) 3-inch pumps with associated hose, six (6) chainsaws, a sandbag filling trailer, and a 550-gallon water tanker. In addition, the Bureau maintains and deploys multiple specialty trailers, including a REHAB trailer, DEC Support Trailer, Mass Casualty Incident (MCI) Trailer, Car Live Burn Prop Trailer, CERT Trailer, Fire Prevention Trailer, and a Foam Response Trailer (currently out of service but anticipated to return to service). Transporting and operating this equipment requires reliable, purpose-built vehicles capable of handling both payload and towing demands under emergency conditions.

Vehicle #1 – 2026 Chevrolet Silverado 1500 Crew Cab Pickup

The first vehicle is a 2026 Chevrolet Silverado 1500 Crew Cab Pickup, which will be assigned to the Director of Public Safety. This vehicle will serve as a front-line response unit, supporting emergency management, Fire and EMS coordination, fire investigation, and HAZMAT operations.

The Silverado 1500 platform provides the necessary balance of payload capacity, reliability, and maneuverability required for rapid response across varied terrain and conditions. Its four-wheel-drive capability, advanced trailering package, and integrated trailer brake controller will allow for safe and effective towing of the Bureau's smaller response trailers and equipment assets.

This vehicle will be outfitted with critical communications and response technology, including an MSAT satellite phone and FirstNet high-power WiFi system. These systems will provide redundant, resilient communication capabilities during large-scale incidents where traditional cellular networks are compromised or overloaded. The ability to establish enhanced connectivity at an incident scene is essential for coordination between local, county, and state agencies.

Additionally, the vehicle will carry personal protective equipment (PPE), fire investigation tools, emergency management supplies, and HAZMAT support equipment, enabling the Director to operate effectively as an asset to field commanders. The addition of this vehicle will also allow

the current Director's vehicle to be reassigned to the Emergency Management Division's full-time Deputy Emergency Manager, strengthening daily operational capacity across the Bureau.

Vehicle #2 – 2026 Ford F-450 Dual Rear Wheel Super Duty Pickup

The second vehicle is a 2026 Ford F-450 4x4 - Dual Rear Wheel Super Duty Pickup, which is specifically required to support the Bureau's heavy towing needs. This vehicle will be assigned as the primary tow vehicle for the new Mobile Communications Center (MCC) Trailer, which is currently under construction and scheduled for delivery at the end of May 2026.

The MCC Trailer is a 42-foot, tri-axle, fifth-wheel unit with a gross vehicle weight of approximately 24,000 pounds. Safe and compliant transport of this trailer requires a vehicle with substantial towing capacity, stability, and braking performance. The F-450, with its dual rear wheel configuration, heavy-duty suspension, and fifth-wheel/gooseneck towing capability, is specifically designed to handle these demands and ensure safe operation during emergency deployments.

In addition to serving as the primary tow vehicle for the MCC Trailer, the F-450 will provide critical redundancy and flexibility by supporting the towing of other Bureau assets, including the DECON Shower Trailer and additional heavy equipment trailers as needed. This redundancy is essential during extended incidents, large-scale emergencies, or situations where multiple assets must be deployed simultaneously.

Funding

Funding for these vehicles has been identified and approved through two separate sources. The 2026 Chevrolet Silverado 1500 will be funded through previously approved 2026 budget appropriations under account A.3640 (Automobile). The 2026 Ford F-450 will be funded through the approved Capital Account H1227, which was established to support the Mobile Command Center project and support equipment.

Conclusion

The addition of these two vehicles is necessary to fully utilize the Bureau's growing inventory of emergency response equipment and to meet the increasing operational demands placed on county resources. Without these vehicles, the Bureau's ability to deploy critical assets in a timely, safe, and effective manner would be significantly limited.

These purchases represent a strategic investment in public safety infrastructure, ensuring that Rensselaer County remains prepared to respond to emergencies, protect its residents, and support local emergency services agencies with reliable and capable resources.

(viii) W endorsement. Shall be required to operate a tow truck.

(ix) Metal coil endorsement. Shall be required to operate any commercial motor vehicle, as defined in subdivision four of section five hundred one-a of this article, carrying metal coils. The identification and scope of such endorsement shall be as prescribed by regulation of the commissioner.

The following restrictions may be issued by the commissioner based upon the representative vehicle in which the road test was taken, or if the license is issued based on driving experience, the vehicle in which the experience was gained. In addition, the commissioner may by regulation provide for additional restrictions based upon other types of vehicles or other factors deemed appropriate by the commissioner.

(i) A restriction prohibiting the operation of a vehicle with air brakes.

(ii) A restriction limiting the operation of a combination of vehicles to truck-trailer combinations.

(iii) A restriction limiting operation to vehicles of not more than a specified GVWR.

For the purposes of this paragraph the term "member of the armed forces" shall include active duty military personnel; members of the reserve components of the armed forces; members of the national guard on active duty, including personnel on full time active guard duty, personnel on part-time national guard training, and national guard military technicians (civilians who are required to wear military uniforms); and active duty United States coast guard personnel. (c) in the city of New York, driving shall be prohibited.

(d) for the purpose of this subdivision, the term "school" shall mean instruction, education or training licensed or approved by a department or agency of the state or training conducted by the armed forces of the United States except it shall not include extra-curricular activities or social events for which scholastic credits are not given.

(e) any person operating a motor vehicle to or from school or to or from a place of business as authorized by this subdivision must possess documentation signed by such person's instructor or employer. The commissioner shall, by regulation, prescribe the form and content of such documentation.

(iii) in accordance with any additional restrictions prescribed by the commissioner and noted on such permit.

(b) In addition to the restrictions contained in paragraph (a) of this subdivision, a learner's permit issued to a person applying for a class DJ or class MJ license shall be subject to the restrictions contained in section five hundred one-b of this article and shall not be valid for the operation of any motor vehicle:

(ii) in the counties of Nassau and Suffolk, except that the holder of such permit may operate a motor vehicle within the counties of Nassau and Suffolk from five o'clock in the morning to nine o'clock in the evening when such person is under the immediate supervision and control

(c) The restrictions contained in paragraphs (a) and (b) of this subdivision shall apply to a learner's permit which has been issued to a person who has made application for a class M or class MJ license, except that the required supervising driver need exercise only general supervision and control over the learner as prescribed by regulation of the commissioner when the learner is operating a motorcycle, provided, however, a person who possesses a learner's permit and who has made application for a class M or class MJ license, shall not operate a motorcycle while there is another person on such motorcycle unless such other person possesses a valid class M license.

6. H endorsement criminal history record check. Upon receipt of an application and completion of all other requirements imposed by the commissioner for an H endorsement to permit the operator to transport

hazardous materials as defined in section one hundred three of the hazardous materials transportation act, public law 93-633, title I, when the vehicle transporting such materials is required to be placarded under the hazardous materials regulation, 49 CFR part 172, subpart F, or is transporting any quantity of material listed as a select agent or toxin in 42 CFR part 73, the commissioner, subject to the rules and regulations of the division of criminal justice services, shall initiate a criminal history record check of the person making the application. The commissioner shall obtain from each applicant two sets of fingerprints and the division of criminal justice services processing fee imposed pursuant to subdivision eight-a of section eight hundred thirty-seven of the executive law and any fee imposed by the federal bureau of investigation. The commissioner shall promptly transmit such fingerprints and fees to the division of criminal justice services for processing. The federal bureau of investigation and the division of criminal justice services shall forward such criminal history record, if any, to the commissioner. All such criminal history records processed and sent pursuant to this section shall be confidential pursuant to the applicable federal and state laws, rules and regulations, and shall not be published or in any way disclosed to persons other than authorized personnel, unless otherwise authorized by law. No cause of action against the commissioner, the department or the division of criminal justice services for damages related to the dissemination of criminal history records pursuant to this section shall exist when the commissioner, department or division of criminal justice services has reasonably and in good faith relied upon the accuracy and completeness of criminal history information furnished to it by qualified agencies. The provision of such information by the division of criminal justice services shall be subject to the provisions of subdivision sixteen of section two hundred ninety-six of the executive law. The consideration of such criminal history record by the commissioner shall be subject to article twenty-three-A of the correction law. The commissioner shall review such criminal history record for a conviction within the previous ten years for: (i) any violent felony offense, as defined in section 70.02 of the penal law; or (ii) any felony defined in article one hundred twenty, one hundred twenty-five, one hundred thirty, one hundred thirty-five, one hundred forty, one hundred forty-five, one hundred

fifty, one hundred fifty-five, one hundred sixty, one hundred seventy, one hundred seventy-five, two hundred, two hundred ten, two hundred twenty, two hundred twenty-one, two hundred forty, two hundred sixty-five, four hundred sixty, four hundred seventy, four hundred eighty-five, or four hundred ninety of the penal law or section fifty-three-e of the railroad law; or (iii) any offense in another jurisdiction which includes all of the essential elements of such offenses described in paragraphs (i) and (ii) of this subdivision and for which a sentence of imprisonment for more than one year was authorized in the other jurisdiction and is authorized in this state, regardless of whether such sentence was imposed; or any of the following federal offenses: improper transportation of a hazardous material, as defined in 49 U.S.C. 46312, conveying false information or threats, as defined in 49 U.S.C. 46507, espionage, as defined in 18 U.S.C. 793, 794 or 3077, sedition, as defined in 18 U.S.C. 2384, 2385 or section 4 of the subversive activities control act of 1950, treason, as defined in 18 U.S.C. 2381 or conspiracy or solicitation, as defined in 18 U.S.C. 371 or 373; or (iv) an attempt or conspiracy to commit any of the offenses specified in paragraphs (i), (ii), or (iii) of this subdivision. In calculating such ten year period, any period of time during which the person was incarcerated for any reason between the time of commission of the previous felony and the time of commission of the present felony shall be excluded and such ten year period shall be extended by a period or periods equal to the time served under such incarceration. After receipt of a criminal history record from the division of criminal justice services, if any, and review of such record, the commissioner shall promptly notify the applicant whether he or she will be granted an H endorsement based upon the applicant's criminal history and promptly notify such applicant of the determination and the procedure for requesting a hearing pursuant to this subdivision. If the commissioner denies an applicant an H endorsement based either in whole or in part on such applicant's criminal record, the commissioner must notify such applicant of the basis for such denial, and afford such applicant notice and an opportunity to be heard and offer proof in opposition to such determination. If the applicant requests a hearing to contest the commissioner's determination, such hearing must be requested no later than thirty days after the applicant's receipt of the determination and

Authorized emergency vehicles

Vehicle & Traffic (VAT) CHAPTER 71, TITLE 7, ARTICLE 23

§ 1104. Authorized emergency vehicles. (a) The driver of an authorized emergency vehicle, when involved in an emergency operation, may exercise the privileges set forth in this section, but subject to the conditions herein stated.

(b) The driver of an authorized emergency vehicle may:

1. Stop, stand or park irrespective of the provisions of this title;

2. Proceed past a steady red signal, a flashing red signal or a stop sign, but only after slowing down as may be necessary for safe operation;

3. Exceed the maximum speed limits so long as he does not endanger life or property;

4. Disregard regulations governing directions of movement or turning in specified directions.

(c) Except for an authorized emergency vehicle operated as a police vehicle or bicycle, the exemptions herein granted to an authorized emergency vehicle shall apply only when audible signals are sounded from any said vehicle while in motion by bell, horn, siren, electronic device or exhaust whistle as may be reasonably necessary, and when the vehicle is equipped with at least one lighted lamp so that from any direction, under normal atmospheric conditions from a distance of five hundred feet from such vehicle, at least one red light will be displayed and visible.

(d) An authorized emergency vehicle operated as a police, sheriff or deputy sheriff vehicle may exceed the maximum speed limits for the purpose of calibrating such vehicles' speedometer. Notwithstanding any

other law, rule or regulation to the contrary, a police, sheriff or deputy sheriff bicycle operated as an authorized emergency vehicle shall not be prohibited from using any sidewalk, highway, street or roadway during an emergency operation.

(e) The foregoing provisions shall not relieve the driver of an authorized emergency vehicle from the duty to drive with due regard for the safety of all persons, nor shall such provisions protect the driver from the consequences of his reckless disregard for the safety of others.

(f) Notwithstanding any other law, rule or regulation to the contrary, an ambulance operated in the course of an emergency shall not be prohibited from using any highway, street or roadway; provided, however, that an authority having jurisdiction over any such highway, street or roadway may specifically prohibit travel thereon by ambulances if such authority shall deem such travel to be extremely hazardous and would endanger patients being transported thereby.
