Resolution No. G/2

**RESOLUTION AUTHORIZING AN AGREEMENT WITH VALSOFT CORPORATION INC. DBA
HYPER-REACH TECHNOLOGY FOR AN INTEGRATED PUBLIC ALERT AND WARNING SYSTEM -
BUREAU OF PUBLIC SAFETY**

WHEREAS, This Resolution is filed with the Rensselaer County Legislature by the Rensselaer County Executive; and

WHEREAS, The Rensselaer County Bureau of Public Safety ("BPS") operates Rensselaer County's Emergency Communications (911) Center and is responsible for providing timely, reliable emergency notification and staff recall capabilities to support public safety operations across the County; and

WHEREAS, BPS seeks Legislative approval to enter into an agreement with Valsoft Corporation Inc. dba Hyper-Reach Technology for an Integrated Public Alert and Warning System ("IPAWS") compliant Emergency Public Notification software platform for a one (1) year term at a cost not to exceed \$32,000.00; and

WHEREAS, Valsoft Corporation dba Hyper-Reach Technology located at 7405 Rte. Trancanadienne, Suite 100, Saint-Laurent, QC. H4T 1Z2, Canada, is a Federal Emergency Management Agency ("FEMA") IPAWS-compliant vendor, enabling Rensselaer County to issue both internal and public-facing emergency alerts rapidly and in accordance with federal standards; and

WHEREAS; BPS evaluated available vendors and proposals of these services with Valsoft Corporation Inc. dba Hyper-Reach Technology, an IPAWS and GSA Contract Vendor, contract GS-35F-072CA being selected as the most qualified provider which allows Rensselaer County's Emergency Communication Center to make instant internal team level and public mass notification emergency alerts as the need arises; and

WHEREAS, Hyper-Reach Technology is the only known vendor that provides direct integration with the Amazon Alexa application, allowing the County to expand emergency alerting capabilities into residents' home through voice-enabled devices, thereby improving the speed, reach and effectiveness of public notifications; and

WHEREAS, The Hyper-Reach system is currently utilized by the Rensselaer County Emergency Communications Center for dispatch center staff recall and emergency alerting, significantly improving operational efficiency by reducing the time required to notify and recall personnel from several hours to a matter of minutes; and

WHEREAS, This enhanced recall capability is critical during large-scale or prolonged incidents requiring immediate staffing adjustments, ensuring continuity of operations and improved response times; and

WHEREAS, The City of Troy Fire Department currently relies on Rensselaer County's 911 Center to initiate staff recall during significant incidents, and the implementation of this software will further enhance and streamline that process, providing a faster, more reliable method for recalling fire personnel when needed; and

WHEREAS, The Hyper-Reach notification system will also be made available to local municipalities within Rensselaer County, enabling them to deliver mass notifications for priority non-emergency messaging—such as public safety advisories, service disruptions, weather-related updates, and community alerts to residents who voluntarily subscribe to the service, thereby enhancing communication and coordination between County and municipal Governments; and

WHEREAS, Funding for this agreement will be provided through the New York State Statewide Homeland Security Grant, as appropriated in the 2026 Rensselaer County Adopted Budget under appropriation codes A.3640.02400.SHS.2023.02400 and A.3640.02400.SHS.2024.02400; and

WHEREAS, The start and end date of this agreement, the source of funding of the same, the total amount to be expended over the life of the same, which shall not exceed budgeted appropriations, and the name and address of the contracting party are as follows:

<u>DESCRIPTION/ DATES</u>	<u>VENDOR</u>	<u>APPROPRIATION CODE</u>	<u>AMOUNT</u>

Our Dynamic Lists/Contact Attributes feature allows you to assign multiple attributes of your choosing to internal contacts, so you can set up your lists ahead of time, and then when new contacts with these attributes are added to the database, they will automatically be included in the appropriate lists next time the lists are used. You can also create precisely targeted lists on the fly as needed when a combination of attributes is required.

Public Notifications

Reaching the public with emergency notifications is critical so we help you build the most complete, accurate database possible.

We provide Landlines and available Cell Phones to get you started.

You provide local GIS Mapping for highest accuracy.

We provide seamless integration with IPAWS and Google Maps.

Highest Rates of Community Enrollment

Reporting & Management

Hyper-Reach's Campaign Manager tracks all the details and results of your notification campaigns so you can follow along as alerts are going out and watch for results and responses. It also preserves a historical record of all your notifications with all the details. Even years down the road you can go back and review them. You'll have a record of who sent what, when, where they sent it from, to whom, and more. Since users cannot edit or delete these records, they can also serve as documentation when you need it.

Hyper-Reach's Mapping Tool makes it easy to quickly select exactly who you need to notify for each situation.

You can also select target areas without the mapping tool - by GPS coordinates, municipality, streets, sides of streets or specific addresses, including the option to exclude addresses if needed.

Because we hold ourselves to a 95+% geo-coding match rate to the landline and other data, we effectively add streets that other sources (Google, ESRI, etc) may not have. The result is not only more accuracy, but the ability to reach more people than other Emergency Notification system providers.

IPAWS (Integrated Public Alert and Warning System) allows authorized agencies to notify every cell phone within a mapped area about impending emergencies. No enrollment is required. Hyper-Reach is integrated with the IPAWS system, and we don't charge you extra to use it. You can even send IPAWS alerts (including your monthly tests!) from our mobile app quickly and easily from wherever you are.

Including IPAWS as a method of delivery for important emergency alerts when there is imminent threat to life or property gives you the best chance of quickly reaching all the people you need to reach, whether they are home or out, whether they are local or just traveling through, and whether or not they have enrolled for alerts, while the alert is active. **Combined with all the other options Hyper-Reach provides, there is no more comprehensive plan for notifying everyone you need to reach.**

Hyper-Reach is the best value for your investment

1. **Ease of use:** Our clients and prospects tell us that our system is the easiest to use.
2. **Customer Support:** We are known for our responsiveness. Live phone support, 24/7.
3. **Special Needs:** Allow at-risk citizens to identify themselves as requiring assistance in an evacuation
4. **Contacts/ Dynamic List Management** - makes contact/list management easy
5. **Hyper-Enrollment** - you'll reach more of your community with Hyper-Reach
6. **Innovation:** We incorporate emerging technology e.g. AlertSmart™ , NextDoor integration
7. **Premium SMS Texting** avoids email gateways, allows for faster and more reliable delivery, virtually no character limit for texts

In the event that RHTV is unable to license to the Customer all or any part of the programming, RHTV shall either license mutually agreeable programming or the programming that RHTV is unable to license shall be deleted from Schedule 1 and the monthly payment set forth in Schedule 1 shall be adjusted accordingly. In the event of deletion of programming as provided for herein, this License shall remain in full force and effect as same pertains to non-terminated programming. The words “we”, “us” and “our” refer to the Assignee and its Transferees (as hereinafter defined), if any. We shall have no liability under this Agreement whatsoever until the satisfaction in our sole discretion of all conditions we may specify including our receipt of all documents we specify and evidence satisfactory to us in the form of a telephone audit, physical inspection or otherwise that all equipment has been installed in a satisfactory manner and condition for all purposes under this Agreement.

- 2. Equipment:** The Equipment installed at the property will consist of all items detailed in Schedule 1, and are leased by Customer as provided herein.
- a. **Location of System:** The Location of the Equipment Installation is: **Phase 1 – Wing 1 and Wing 2 85 Bloominggrove Dr. Troy, NY 12180.**
 - b. **Agreement Term:** The “Term” with respect to the ordered Equipment shall commence on the installation date of such Equipment and continue for the number of months after the Payment Commencement Date as both are specified in Schedule 1.
 - c. **Monthly Fee:** The Monthly Fee set forth in Schedule 1 consists of the sum of (i) a fixed “Usage Fee” payable by Customer for the use of the Equipment and (ii) the monthly cost of the programming provided by RHTV (programming and the related fees “Programming Fees”). The Monthly Fee is due and payable by Customer each month during the Term, beginning with the Payment Commencement Date. Each Monthly Fee shall be due and payable whether or not Customer receives an invoice therefor. Customer will also pay a pro-rated amount of the Monthly Fee (1/30th for each day) for the period from and including the Fee Accrual Commencement Date to but excluding the Payment Commencement Date. The Monthly Fee, together with any and all other amounts due or to become due hereunder (“Additional Fees”), are sometimes collectively referred to herein as “Fees”.
 - d. Customer agrees to pay a Commitment Deposit equal to the amount of the Monthly Fees. The Commitment Deposit is held to secure the performance of the Agreement and returned upon successfully fulfilled Agreement at the end of the Term.
 - e. All major rack mounted components of the System installed by RHTV carry a full 5-year replacement warranty. DirecTV satellite receivers, computer, and televisions are warranted for one year against manufacturer defects and thereafter replacement shall be the responsibility of the Customer. Replacement under warranty does not apply to situations of abuse, neglect, misuse, water damage or damage/defect as a result of heat.
 - f. The Customer owns all the television equipment and distribution system previously installed and is responsible for the on-site maintenance of the cable TV wiring system and equipment and may at their sole discretion request RHTV to maintain on a time and material basis. RHTV does not guarantee the integrity of the existing distribution or the quality of the signal as a result of its condition.
 - g. The Customer and RHTV agree to mutually indemnify each other and hold harmless from all costs and expenses arising from any breach of this agreement by the other. Customer expressly gives permission to RHTV to utilize any existing cable TV wiring located on Customer’s premise as required to distribute signal for the benefit of residents and indemnifies RHTV and its agents from any claims from any 3rd party from using the wiring on premise.
 - h. The System will be delivered to the Customer at which time it is the responsibility of the Customer. Upon delivery of the System it is the Customer’s responsibility to examine boxes for exterior damage and any damage should be noted on the freight bill before signing for shipment and before the freight carrier leaves the property. Once the Customer signs for the shipment, the Customer is responsible for any damages discovered. RHTV and the carrier should be notified immediately of any damage to the shipment.
 - i. Customer agrees to provide a climate controlled and ventilated room for the Equipment, adequate in size to insure proper functioning of the System. All High Definition Systems require a constant live internet connection. Customer agrees to provide an uninterrupted, hard wired internet source, at the System. Any interruption in this source and the resulting consequence(s) is strictly the responsibility of the Customer. RHTV will not be responsible for service interruptions/outages as a result of lost, failed, or disconnected internet sources to our System.
 - j. Not all digital television tuners have the same ability to access unencrypted “clear” QAM signals. A small percentage of receiving devices may experience clear QAM tuning issues such as an inability to recognize the video and audio streams, the channel numbering format, the channel description, or the channel programming detail. This is a fluid situation since we expect that affected manufacturers will endeavor to remedy clear QAM issues as new television models are released. RHTV does not guarantee that its DIGITAL and/or HD Systems will stream video on any individual make or model of television.
 - k. **Fee Accrual Commencement Date:** [/ /].
 - l. **Payment Commencement Date:** [/ /].

3. Assignment to Assignee: RHTV has assigned and transferred to Assignee all of RHTV's rights and benefits in, to and under this Agreement, including without limitation all rights and benefits in and to the DirecTV Programming Fees. Assignee may, with or without notice to or consent of Customer, pledge, encumber, transfer, or assign to third party(ies) all or any part of Assignee's right, title and interest in, to, or under this Agreement, the Usage Fees, Additional Fees and/or the Equipment. Customer acknowledges that Assignee has not assumed and agrees that Assignee shall not be obligated to perform or be responsible for any and all of RHTV's obligations to Customer hereunder with respect to the Equipment, the Programming or otherwise. If Assignee notifies Customer that Assignee will no longer receive from Customer the Programming Fees (whether because RHTV elects to invoice Customer directly for the Programming Services or otherwise), then the Monthly Fee shall be decreased by the amount of the Programming Fees otherwise included in the Monthly Fee, and the Monthly Fee thereafter shall not include such Programming Fees and shall not be affected in any way by any subsequent change in the Programming Fees.

4. Payment of the Monthly Fee: Subject to the provisions of Section 5 below, you agree to pay us the Monthly Fee specified in Schedule 1 for each month during the Term. The first Monthly Fee shall be due and payable on the date specified above to coincide with the activation date ("Payment Date") and all subsequent Monthly Fees are due on the same date of each subsequent month during the Term regardless of whether you receive an invoice for such Payment or the next succeeding business day if a Payment Date is not a business day. The defined term "Term" shall include any holdover or Renewal Term whether entered into pursuant to the terms of Section 16 below or otherwise. All amounts received from you under this Agreement shall be applied to amounts owed by you hereunder as we determine in our sole discretion.

5. Pass Through of Programming Fees: The transaction evidenced by this Agreement provides for the collection of the DirecTV Programming Fees owed by Customer to RHTV as a matter of administrative convenience only which DirecTV Programming Fees are simply passed through to RHTV if and to the extent collected by Assignee. Each Monthly Fee combines amounts owed to Assignee with the DirecTV Programming Fees owed to RHTV. Customer understands that RHTV has the right to increase the rates set forth in Schedule 1 upon thirty (30) days prior written notice to Customer in an amount equal to any increase from DirecTV. Except as otherwise specifically set forth in the Agreement, Customer's obligations with respect to the DirecTV Programming Fees are governed solely and exclusively by the contractual relationship that exists with respect to the DirecTV Programming Fees between RHTV and Customer. Customer's obligations with respect to any Usage Fees and/or Additional Fees if applicable is governed solely and exclusively by this Agreement. Customer acknowledges that either Assignee or RHTV may terminate this pass through billing arrangement at any time without liability to Customer for doing so. Re: Sole Source Agreement-The Metro Group, Inc. Troy Road
Cooling Tower Water Treatment Service
(Buildings Department May G Resolution)

Date: April 9, 2026

The department has not obtained multiple quotes for The Metro Group, Inc. Troy Road agreement due to the following:

Attempts were made to gather additional quotes but with economy unknowns, others were not able to comfortably provide pricing for a multi-year contract.

The Metro Group, Inc. has been providing the necessary cooling tower system treatment along with parts and components necessary to ensure efficient operation.

Any repairs, component replacement, and corrective maintenance of the system will be made with the most current technology to maintain the highest level of performance and reliability available.

Given such, along with their history of prompt service, the department is requesting that The Metro Group, Inc. be considered the only viable source for this service agreement.

If you fail to correct any conditions causing losses of more than 5% per month in the volume of your water system, within 30 days of becoming aware of such conditions, we may, at our sole discretion, modify our treatment and adjust our fees. You will comply with our recommendations regarding the blowdown and summer layup procedures of your boilers.

OFFICE OF THE RENSSELAER COUNTY SHERIFF**

WHEREAS, This Resolution is filed with the Rensselaer County Legislature by the Rensselaer County Executive; and

WHEREAS, The SRO has day-to-day contact with students, faculty and parents in order to provide a safe and comfortable environment within the school and is available for students to assist in defusing and solving problems before they become a detriment to the learning environment and the health, safety and welfare of the students and faculty of the school district; and

THIS AGREEMENT, made by and between the **AVERILL PARK CENTRAL SCHOOL DISTRICT**, with offices at 146 Gettle Road, Averill Park, NY 12018 (hereinafter referred to as the “District”), the **COUNTY OF RENSSELAER**, a municipal corporation of the State of New York, with offices at 99 Troy Road, East Greenbush, NY 12061 (hereinafter referred to as the “County”), and the **SHERIFF OF RENSSELAER COUNTY**, a constitutional Officer in and for the County of Rensselaer with offices at 4000 Main St., Troy, NY 12180, (hereinafter referred to as the “Sheriff”)(each, a Party; together the Parties).

WITNESSETH:

WHEREAS, the County, through its Office of the Sheriff, has the capacity to provide a Deputy Sheriff trained as a **School Resource Officer** (hereinafter referred to as “SRO”);

WHEREAS, the Parties have determined it would be mutually beneficial for one (1) uniformed SRO to be assigned to work within the District; to have day-to-day contact with students, faculty and parents to provide a safe and comfortable environment within the school; and to be available for students to assist in defusing and solving problems before they become a detriment to the learning environment and the health, safety and welfare of the students and faculty of the District; and

WHEREAS, it is the goal of the Parties to enter into a partnership to enhance the school environment by assigning an SRO to the District who will work to meet the following objectives:

- To work cooperatively with District Staff to address crime and disorder problems that jeopardize the safety of students, staff and visitors, including, but not limited to drug activities affecting or occurring in or around any District building;
- To work with guidance counselors and other student support staff to assist students and to provide services to students involved in situations where referrals to service agencies are necessary;
- To develop and/or expand crime prevention efforts for students;
- To assist District staff in training students in conflict resolution, restorative justice, and crime awareness;
- To make recommendations in connection with physical changes in the environment that may reduce crime in and around District buildings;
- To assist District staff in the creation of a safe school environment that is free of harm, intimidation, bullying and weapons;
- To build working relationships with District staff as well as with students and parents;
- To present a positive role model of a law enforcement officer; and
- To encourage a positive perception of law enforcement within the community.

WHEREAS, all Parties, through Legislative Resolution or School Board approval, are authorized to execute an agreement for services contained herein;

NOW, THEREFORE, in consideration of mutual promises and agreements contained herein, the Parties hereto agree as follows:

1. SCOPE OF SERVICES

A. **Attendance**: The SRO shall provide services to the District each Monday through Friday, when school is in session [approximately one hundred eight five (185) days], with hours coinciding with the District’s school day, reporting to the District, in a marked patrol vehicle, with the exception of vacation, sick leave, personal leave, school holidays, winter and spring breaks, and the summer months when school is not in session. Vacation, personal and sick leave are defined by the bargaining unit within the Sheriff’s Office. **The SRO will be in attendance when students are present for a school day.** If the SRO is unable to report for duty due to sickness, injury, or any other

unforeseen circumstance for a period of more than two (2) days, the Sheriff will see that a replacement is assigned to the District to serve in the SRO's absence. Every reasonable effort shall be made to ensure that vacancies of one (1) or two (2) days are filled.

- I. The Sheriff and his training coordinator will make every reasonable effort to provide the SRO with all mandatory police trainings during times that school is not in session.
- II. The SRO will attend, upon District request, any sporting events, community events, or any other such function deemed appropriate by the district, as approved by the Sheriff.
- III. Any hours worked beyond forty (40) hours in a week by the SRO, as approved by the sheriff for school activities and events will be applied as comp time for the SRO, in accordance with the collective bargaining agreement, to be utilized at times when school is not in session. The District will not be responsible for paying overtime premiums for the SRO.
- IV. In any instance where the District requests law enforcement presence at an event outside of normal school hours, as approved by the Sheriff and the SRO is unable to attend, every reasonable effort shall be made to provide a replacement for such event.

B. Responsibilities of the SRO (See Appendix A for a more detailed breakdown):

- I. The SRO will move freely to the various buildings within the District throughout the day, making sure to be visible during high traffic and transition times both inside and outside of the buildings. Upon arrival at a particular school building, the SRO will advise the main office of his/her presence so that the District will be able to track his/her location throughout the District.
- II. Mediate negative situations that occur between students or between students and staff in consultation with building or District administration.
- III. Investigate any situations as requested by District administration.
- IV. Take part in any District safety planning and drills.

- VII. Prepare lectures and instruct when requested or when appropriate.
- VIII. Educate students and parents on bullying, internet safety, drug and alcohol awareness, and any other topic as requested by the District.
- IX. Assist with professional development of staff, particularly in areas such as drug and alcohol recognition, victims of abuse, etc.

- C. Supervision of the SRO:** The SRO will report directly to the District's Superintendent or their designee. The SRO will work directly with the various building Principals on a day to day basis regarding situations and relationships in each of the District's buildings. The SRO shall be subject to the District's policies and procedures when performing functions in the District's schools, unless otherwise provided in this agreement. The District shall provide training to the SRO in school policy, regulations and procedures. The SRO will also be under the direct supervision of a Sheriff's Sergeant, as assigned by the Sheriff. The District will provide an annual performance evaluation to the Sheriff, to ensure all goals and objectives of the SRO program are being met, noting any and all deficiencies.

2. **TERM OF AGREEMENT:** This Agreement shall take effect on September 1, 2026, and subject to earlier termination as provided below, shall continue in full force and effect until June 30, 2029, which is a period to include three (3) full school years. The current salary and employment benefits for the SRO would be approximately **ONE HUNDRED EIGHTEEN THOUSAND TWO HUNDRED DOLLARS (\$118,200)** annually. This amount may be escalated or reduced based on changes to the actual salary, benefits and collective bargaining agreement for the SRO assigned to provide services under this agreement. The County shall provide records as deemed necessary to justify the claim. The District agrees to submit all payments to the County within thirty (30) day of the invoice being submitted. Any Party may terminate this Agreement without cause, upon sixty (60) days written notice to the other Parties. The County may terminate this Agreement upon written notice to the District for failure by the District to appropriate funds for the Services rendered by the County and the Sheriff under this Agreement.

Removal or replacement of the SRO, upon District request, will not be unreasonably denied by the Sheriff.

7. **NOTICES:** All notices shall be in writing and sent by certified mail, registered mail, overnight mail, courier or transmitted by facsimile, to the addresses indicated on the first page of this Agreement, or such other address as any Party may indicate by at least thirty (30) days prior written notice to the other Parties.

9. **INSURANCE:** All Parties shall provide the other Parties with proof of General Liability, Workers Compensation, Disability, and Auto Insurance coverage, and shall name the other Parties as an additional insured with respect to General Liability coverage.

13. **NO ASSIGNMENT WITHOUT CONSENT:** This Agreement may not be assigned by any of the Parties, nor its right, title or interest therein assigned, transferred, conveyed, sublet or disposed of without the previous written consent of the other Parties and any attempt to do so without first obtaining such written consent will be void and of no force and effect.

The SRO will work directly with the various building Principals on a day to day basis regarding situations and relationships in each of the District's buildings. The SRO shall be subject to the District's policies and procedures when performing functions in the District's schools, unless otherwise provided in this agreement. The District shall provide training to the SRO in school policy, regulations and procedures. The SRO will also be under the direct supervision of a Sheriff's Sergeant, as assigned by the Sheriff. The District will provide an annual performance evaluation to the Sheriff, to ensure all goals and objectives of the SRO program are being met, noting any and all deficiencies.

2. **TERM OF AGREEMENT:** This Agreement shall take effect on September 1, 2026, and subject to earlier termination as provided below, shall continue in full force and effect until June 30, 2027, which is a period to include one (1) full school year. The current salary and employment benefits for the SRO would be approximately **ONE HUNDRED EIGHTEEN THOUSAND TWO HUNDRED DOLLARS (\$118,200)** annually. This amount may be escalated or reduced based on changes to the actual salary, benefits and collective bargaining agreement for the SRO assigned to provide services under this agreement. The County shall provide records as deemed necessary to justify the claim. The District agrees to submit all payments to the County within thirty (30) day of the invoice being submitted. The County may terminate this Agreement upon written notice to the District for failure by the District to appropriate funds for the Services rendered by the County and the Sheriff under this Agreement.

All Parties understand that this agreement causes the creation of one (1) new Deputy Sheriff position in the County’s budget, and the termination of this Agreement could mean the elimination of that one (1) Deputy Sheriff position from the County’s annual budget.

5. **SELECTION OF THE SRO:** The Deputy Sheriff assigned as the SRO will be selected by the Sheriff based upon the Sheriff’s judgement and discretion, taking into consideration, among other criteria, the Deputy Sheriff’s training, qualifications, experience, interest in the position and their ability to effectuate the goals and objectives set forth herein. The Sheriff will take into consideration, but shall not be bound to, any requests made by the District to have a specific Deputy Sheriff serving at the SRO. When practical, the District will be given an opportunity to meet and interview SRO candidates prior to assignment to the District.

6. **REMOVAL OF THE SRO:** The District shall have the right to request the removal and/or replacement of the SRO upon written notice to the Sheriff when such action is deemed necessary by the District for the SRO’s failure to meet or comply with the goals and objectives of the program. Removal or replacement of the SRO, upon District request, will not be unreasonably denied by the Sheriff.

9. **INSURANCE:** All Parties shall provide the other Parties with proof of General Liability, Workers Compensation, Disability, and Auto Insurance coverage, and shall name the other Parties as an additional insured with respect to General Liability coverage.
10. **INDEPENDENT CONTRACTOR:** The SRO shall be an employee of the County, specifically the Sheriff's Office. Each Party agrees to be solely responsible for all matters relating to compensation of its employees, including, compliance with local, state and federal laws governing its personnel, including workers' compensation, Social Security, withholding and payment of any and all federal, state and local personal income taxes, disability insurance, unemployment, and any other taxes for such persons, including any related employer assessment or contributions required by law, and all other regulations governing such matters, and the payment of all salary, vacation and other employee benefits.
11. **NO ARBITRATION:** Any and all disputes involving this Agreement, including the breach or alleged breach thereof, may not be submitted to arbitration unless specifically agreed thereto in writing by the Chairman of the County's Legislature, in consultation with the Rensselaer County Attorney or designee, but must instead only be heard in the Supreme Court of the State of New York, with closest venue to Rensselaer County or if appropriate, in the Federal District Court with venue in the Northern District of New York, Albany Division.

13. **NO ASSIGNMENT WITHOUT CONSENT:** This Agreement may not be assigned by any of the Parties, nor its right, title or interest therein assigned, transferred, conveyed, sublet or disposed of without the previous written consent of the other Parties and any attempt to do so without first obtaining such written consent will be void and of no force and effect.
14. **GOVERNING LAW:** This Agreement and the performance of the Parties hereunder shall be governed by and construed in accordance with the laws of the State of New York.
15. **MODIFICATIONS TO BE IN WRITING:** No changes, amendments or modifications of any of the terms and/or conditions of this Agreement shall be valid unless reduced to writing and signed by the Parties to this Agreement. Changes in the SCOPE OF SERVICES in this Agreement shall not be binding, unless prior to the performance of any such services, the County and Sheriff, with appropriate consultations, execute an amendment or modification to this Agreement, which amendment or modification shall specifically set forth the scope of such extra or additional services, the amount of compensation, and the extension of time for performance, if any, for any such services. Unless otherwise specifically provided for therein, the provisions of this Agreement shall apply with full force and effect to the terms and conditions contained in such amendment or modification.

Jay Wilson – Director

Bureau of Public Safety – Field Response Vehicle Justification

The Bureau of Public Safety is requesting authorization to purchase two (2) new vehicles to support and enhance emergency response operations throughout Rensselaer County. These vehicles are critical to maintaining operational readiness, improving response capability, and ensuring the safe and efficient deployment of personnel and equipment during emergencies.

Over the past year, the Bureau has significantly expanded its inventory of deployable emergency equipment through New York State support and grant-funded acquisitions. This equipment includes three (3) light towers, three (3) variable message boards, eight (8) 4-inch pumps, eight (8) 3-inch pumps with associated hose, six (6) chainsaws, a sandbag filling trailer, and a 550-gallon water tanker. In addition, the Bureau maintains and deploys multiple specialty trailers, including a REHAB trailer, DEC Support Trailer, Mass Casualty Incident (MCI) Trailer, Car Live Burn Prop Trailer, CERT Trailer, Fire Prevention Trailer, and a Foam Response Trailer (currently out of service but anticipated to return to service). Transporting and operating this equipment requires reliable, purpose-built vehicles capable of handling both payload and towing demands under emergency conditions.

Vehicle #1 – 2026 Chevrolet Silverado 1500 Crew Cab Pickup

The first vehicle is a 2026 Chevrolet Silverado 1500 Crew Cab Pickup, which will be assigned to the Director of Public Safety. This vehicle will serve as a front-line response unit, supporting emergency management, Fire and EMS coordination, fire investigation, and HAZMAT operations.

The Silverado 1500 platform provides the necessary balance of payload capacity, reliability, and maneuverability required for rapid response across varied terrain and conditions. Its four-wheel-drive capability, advanced trailering package, and integrated trailer brake controller will allow for safe and effective towing of the Bureau's smaller response trailers and equipment assets.

This vehicle will be outfitted with critical communications and response technology, including an MSAT satellite phone and FirstNet high-power WiFi system. These systems will provide redundant, resilient communication capabilities during large-scale incidents where traditional cellular networks are compromised or overloaded. The ability to establish enhanced connectivity at an incident scene is essential for coordination between local, county, and state agencies.

Additionally, the vehicle will carry personal protective equipment (PPE), fire investigation tools, emergency management supplies, and HAZMAT support equipment, enabling the Director to operate effectively as an asset to field commanders. The addition of this vehicle will also allow

the current Director's vehicle to be reassigned to the Emergency Management Division's full-time Deputy Emergency Manager, strengthening daily operational capacity across the Bureau.

Vehicle #2 – 2026 Ford F-450 Dual Rear Wheel Super Duty Pickup

The second vehicle is a 2026 Ford F-450 4x4 - Dual Rear Wheel Super Duty Pickup, which is specifically required to support the Bureau's heavy towing needs. This vehicle will be assigned as the primary tow vehicle for the new Mobile Communications Center (MCC) Trailer, which is currently under construction and scheduled for delivery at the end of May 2026.

The MCC Trailer is a 42-foot, tri-axle, fifth-wheel unit with a gross vehicle weight of approximately 24,000 pounds. Safe and compliant transport of this trailer requires a vehicle with substantial towing capacity, stability, and braking performance. The F-450, with its dual rear wheel configuration, heavy-duty suspension, and fifth-wheel/gooseneck towing capability, is specifically designed to handle these demands and ensure safe operation during emergency deployments.

In addition to serving as the primary tow vehicle for the MCC Trailer, the F-450 will provide critical redundancy and flexibility by supporting the towing of other Bureau assets, including the DECON Shower Trailer and additional heavy equipment trailers as needed. This redundancy is essential during extended incidents, large-scale emergencies, or situations where multiple assets must be deployed simultaneously.

Funding

Funding for these vehicles has been identified and approved through two separate sources. The 2026 Chevrolet Silverado 1500 will be funded through previously approved 2026 budget appropriations under account A.3640 (Automobile). The 2026 Ford F-450 will be funded through the approved Capital Account H1227, which was established to support the Mobile Command Center project and support equipment.

Conclusion

The addition of these two vehicles is necessary to fully utilize the Bureau's growing inventory of emergency response equipment and to meet the increasing operational demands placed on county resources. Without these vehicles, the Bureau's ability to deploy critical assets in a timely, safe, and effective manner would be significantly limited.

These purchases represent a strategic investment in public safety infrastructure, ensuring that Rensselaer County remains prepared to respond to emergencies, protect its residents, and support local emergency services agencies with reliable and capable resources.

Jay Wilson – Director

Bureau of Public Safety – Field Response Vehicle Justification

The Bureau of Public Safety is requesting authorization to purchase two (2) new vehicles to support and enhance emergency response operations throughout Rensselaer County. These vehicles are critical to maintaining operational readiness, improving response capability, and ensuring the safe and efficient deployment of personnel and equipment during emergencies.

Over the past year, the Bureau has significantly expanded its inventory of deployable emergency equipment through New York State support and grant-funded acquisitions. This equipment includes three (3) light towers, three (3) variable message boards, eight (8) 4-inch pumps, eight (8) 3-inch pumps with associated hose, six (6) chainsaws, a sandbag filling trailer, and a 550-gallon water tanker. In addition, the Bureau maintains and deploys multiple specialty trailers, including a REHAB trailer, DEC Support Trailer, Mass Casualty Incident (MCI) Trailer, Car Live Burn Prop Trailer, CERT Trailer, Fire Prevention Trailer, and a Foam Response Trailer (currently out of service but anticipated to return to service). Transporting and operating this equipment requires reliable, purpose-built vehicles capable of handling both payload and towing demands under emergency conditions.

Vehicle #1 – 2026 Chevrolet Silverado 1500 Crew Cab Pickup

The first vehicle is a 2026 Chevrolet Silverado 1500 Crew Cab Pickup, which will be assigned to the Director of Public Safety. This vehicle will serve as a front-line response unit, supporting emergency management, Fire and EMS coordination, fire investigation, and HAZMAT operations.

The Silverado 1500 platform provides the necessary balance of payload capacity, reliability, and maneuverability required for rapid response across varied terrain and conditions. Its four-wheel-drive capability, advanced trailering package, and integrated trailer brake controller will allow for safe and effective towing of the Bureau's smaller response trailers and equipment assets.

This vehicle will be outfitted with critical communications and response technology, including an MSAT satellite phone and FirstNet high-power WiFi system. These systems will provide redundant, resilient communication capabilities during large-scale incidents where traditional cellular networks are compromised or overloaded. The ability to establish enhanced connectivity at an incident scene is essential for coordination between local, county, and state agencies.

Additionally, the vehicle will carry personal protective equipment (PPE), fire investigation tools, emergency management supplies, and HAZMAT support equipment, enabling the Director to operate effectively as an asset to field commanders. The addition of this vehicle will also allow

the current Director's vehicle to be reassigned to the Emergency Management Division's full-time Deputy Emergency Manager, strengthening daily operational capacity across the Bureau.

Vehicle #2 – 2026 Ford F-450 Dual Rear Wheel Super Duty Pickup

The second vehicle is a 2026 Ford F-450 4x4 - Dual Rear Wheel Super Duty Pickup, which is specifically required to support the Bureau's heavy towing needs. This vehicle will be assigned as the primary tow vehicle for the new Mobile Communications Center (MCC) Trailer, which is currently under construction and scheduled for delivery at the end of May 2026.

The MCC Trailer is a 42-foot, tri-axle, fifth-wheel unit with a gross vehicle weight of approximately 24,000 pounds. Safe and compliant transport of this trailer requires a vehicle with substantial towing capacity, stability, and braking performance. The F-450, with its dual rear wheel configuration, heavy-duty suspension, and fifth-wheel/gooseneck towing capability, is specifically designed to handle these demands and ensure safe operation during emergency deployments.

In addition to serving as the primary tow vehicle for the MCC Trailer, the F-450 will provide critical redundancy and flexibility by supporting the towing of other Bureau assets, including the DECON Shower Trailer and additional heavy equipment trailers as needed. This redundancy is essential during extended incidents, large-scale emergencies, or situations where multiple assets must be deployed simultaneously.

Funding

Funding for these vehicles has been identified and approved through two separate sources. The 2026 Chevrolet Silverado 1500 will be funded through previously approved 2026 budget appropriations under account A.3640 (Automobile). The 2026 Ford F-450 will be funded through the approved Capital Account H1227, which was established to support the Mobile Command Center project and support equipment.

Conclusion

The addition of these two vehicles is necessary to fully utilize the Bureau's growing inventory of emergency response equipment and to meet the increasing operational demands placed on county resources. Without these vehicles, the Bureau's ability to deploy critical assets in a timely, safe, and effective manner would be significantly limited.

These purchases represent a strategic investment in public safety infrastructure, ensuring that Rensselaer County remains prepared to respond to emergencies, protect its residents, and support local emergency services agencies with reliable and capable resources.

THIS AGREEMENT, made by and between the **BRUNSWICK CENTRAL SCHOOL DISTRICT**, with offices at 3992 NY 2, Troy, NY 12180 (hereinafter referred to as the “District”), the **COUNTY OF RENNELAER**, a municipal corporation of the State of New York, with offices at 99 Troy Road, East Greenbush, NY 12061 (hereinafter referred to as the “County”), and the **SHERIFF OF RENNELAER COUNTY**, a constitutional Officer in and for the County of Rensselaer with offices at 4000 Main St., Troy, NY 12180, (hereinafter referred to as the “Sheriff”)(each, a Party; together the Parties).

WITNESSETH:

WHEREAS, the County, through its Office of the Sheriff, has the capacity to provide a Deputy Sheriff trained as a **School Resource Officer** (hereinafter referred to as “SRO”);

WHEREAS, the Parties have determined it would be mutually beneficial for one (1) uniformed SRO to be assigned to work within the District; to have day-to-day contact with students, faculty and parents to provide a safe and comfortable environment within the school; and to be available for students to assist in defusing and solving problems before they become a detriment to the learning environment and the health, safety and welfare of the students and faculty of the District; and

WHEREAS, it is the goal of the Parties to enter into a partnership to enhance the school environment by assigning an SRO to the District who will work to meet the following objectives:

- To work cooperatively with District Staff to address crime and disorder problems that jeopardize the safety of students, staff and visitors, including, but not limited to drug activities affecting or occurring in or around any District building;
- To work with guidance counselors and other student support staff to assist students and to provide services to students involved in situations where referrals to service agencies are necessary;
- To develop and/or expand crime prevention efforts for students;
- To assist District staff in training students in conflict resolution, restorative justice, and crime awareness;
- To make recommendations in connection with physical changes in the environment that may reduce crime in and around District buildings;
- To assist District staff in the creation of a safe school environment that is free of harm, intimidation, bullying and weapons;
- To build working relationships with District staff as well as with students and parents;
- To present a positive role model of a law enforcement officer; and
- To encourage a positive perception of law enforcement within the community.

WHEREAS, all Parties, through Legislative Resolution or School Board approval, are authorized to execute an agreement for services contained herein;

NOW, THEREFORE, in consideration of mutual promises and agreements contained herein, the Parties hereto agree as follows:

1. SCOPE OF SERVICES

A. **Attendance**: The SRO shall provide services to the District each Monday through Friday, when school is in session [approximately one hundred eight five (185) days], with hours coinciding with the District’s school day, reporting to the District, in a marked patrol vehicle, with the exception of vacation, sick leave, personal leave, school holidays, winter and spring breaks, and the summer months when school is not in session. Vacation, personal and sick leave are defined by the bargaining unit within the Sheriff’s Office. **The SRO will be in attendance when students are present for a school day.** If the SRO is unable to report for duty due to sickness, injury, or any other

unforeseen circumstance for a period of more than 2 days, the Sheriff will see that a replacement is assigned to the District to serve in the SRO's absence.

- I. The Sheriff and his training coordinator will make every reasonable effort to provide the SRO with all mandatory police trainings during times that school is not in session.
- II. The SRO will attend, upon District request, any sporting events, community events, or any other such function deemed appropriate by the district, as approved by the Sheriff.
- III. Any hours worked beyond 40 hours in a week by the SRO, as approved by the sheriff for school activities and events will be applied as comp time for the SRO, in accordance with the collective bargaining agreement, to be utilized at times when school is not in session. The District will not be responsible for paying overtime premiums for the SRO.
- IV. In any instance where the District requests law enforcement presence at an event outside of normal school hours, as approved by the Sheriff and the SRO is unable to attend, every reasonable effort shall be made to provide a replacement for such event.

B. Responsibilities of the SRO (See Appendix A for a more detailed breakdown):

- I. The SRO will move freely to the various buildings within the District throughout the day, making sure to be visible during high traffic and transition times both inside and outside of the buildings. Upon arrival at a particular school building, the SRO will advise the main office of his/her presence so that the District will be able to track his/her location throughout the District.
- II. Mediate negative situations that occur between students or between students and staff in consultation with building or District administration.
- III. Investigate any situations as requested by District administration.
- IV. Take part in any District safety planning and drills.
- V. Work with students and families to address issues of truancy, making home visits when appropriate or by request of the District administration.
- VI. Identify and develop students to serve as positive role models working with District clubs and activities.
- VII. Prepare lectures and instruct when requested or when appropriate.
- VIII. Educate students and parents on bullying, internet safety, drug and alcohol awareness, and any other topic as requested by the District.
- IX. Assist with professional development of staff, particularly in areas such as drug and alcohol recognition, victims of abuse, etc.
- X. Speak with or provide lecture to community groups and parents as requested by the district.
- XI. Use discretion when disseminating confidential information, particularly in light of the District's policies with respect to student records and its mandates pursuant to the Family Educational Rights and Privacy Act (FERPA).
- XII. Cooperate with any District disciplinary actions taken, assist the District in determining the need for law enforcement interventions. However, the SRO shall not act as a school disciplinarian. School discipline is the sole responsibility of the District.

C. Supervision of the SRO: The SRO will report directly to the District's Superintendent or their designee. The SRO will work directly with the various building Principals on a day to day basis regarding situations and relationships in each of the District's buildings. The SRO shall be subject to the District's policies and procedures when performing functions in the District's schools, unless otherwise provided in this agreement. The District shall provide training to the SRO in school policy, regulations and procedures. The SRO will also be under the direct supervision of a Sheriff's Sergeant, as assigned by the Sheriff. The District will provide an annual performance evaluation to the Sheriff, to ensure all goals and objectives of the SRO program are being met, noting any and all deficiencies.

2. **TERM OF AGREEMENT:** This Agreement shall take effect on September 1, 2026, and subject to earlier termination as provided below, shall continue in full force and effect until June 30, 2027, which is a period to include one (1) full school year. Prior to April 1, 2027, the Parties will renegotiate to continue or terminate the SRO program.

3. **PAYMENT:** The County and Sheriff agree to provide and pay the SRO’s actual salary and employment benefits in accordance with County personnel policies and the applicable collective bargaining agreement. The current salary and employment benefits for the SRO would be approximately **ONE HUNDRED EIGHTEEN THOUSAND TWO HUNDRED DOLLARS (\$118,200)** annually. This amount may be escalated or reduced based on changes to the actual salary, benefits and collective bargaining agreement for the SRO assigned to provide services under this agreement. The County shall provide records as deemed necessary to justify the claim. The District agrees to submit all payments to the County within thirty (30) day of the invoice being submitted. 4. **TERMINATION:** Any Party may terminate this Agreement immediately upon notice to the other Parties, in the event of any Party failing to comply with the terms of this Agreement in any material respect and such failure not being cured within thirty (30) days after receipt of notice by the other Parties describing such failure. Any Party may terminate this Agreement without cause, upon sixty (60) days written notice to the other Parties. The County may terminate this Agreement upon written notice to the District for failure by the District to appropriate funds for the Services rendered by the County and the Sheriff under this Agreement.

All Parties understand that this agreement causes the creation of one (1) new Deputy Sheriff position in the County’s budget, and the termination of this Agreement could mean the elimination of that one (1) Deputy Sheriff position from the County’s annual budget.

5. **SELECTION OF THE SRO:** The Deputy Sheriff assigned as the SRO will be selected by the Sheriff based upon the Sheriff’s judgement and discretion, taking into consideration, among other criteria, the Deputy Sheriff’s training, qualifications, experience, interest in the position and their ability to effectuate the goals and objectives set forth herein. The Sheriff will take into consideration, but shall not be bound to, any requests made by the District to have a specific Deputy Sheriff serving at the SRO. When practical, the District will be given an opportunity to meet and interview SRO candidates prior to assignment to the District.

6. **REMOVAL OF THE SRO:** The District shall have the right to request the removal and/or replacement of the SRO upon written notice to the Sheriff when such action is deemed necessary by the District for the SRO’s failure to meet or comply with the goals and objectives of the program. The Sheriff has the sole authority to remove the SRO at any time for discipline or discharge in accordance with the appropriate collective bargaining agreement. Removal or replacement of the SRO, upon District request, will not be unreasonably denied by the Sheriff.

8. **INDEMNIFICATION:** Each Party agrees to defend, indemnify and hold harmless the other Parties, including its officials, employees and agents, against all claims, losses, damages, liabilities, costs or expenses (including without limitation, reasonable attorney fees and costs of litigation and/or settlement), whether incurred as a result of a claim by a third party or any other person or entity, arising out of the performance of its obligations pursuant to this Agreement, that any Party, or its officials, employees or agents, may suffer by reason of any negligence, fault, act or omission of the other Parties, its employees, representatives, subcontractors, assignees or agents.
9. **INSURANCE:** All Parties shall provide the other Parties with proof of General Liability, Workers Compensation, Disability, and Auto Insurance coverage, and shall name the other Parties as an additional insured with respect to General Liability coverage.
10. **INDEPENDENT CONTRACTOR:** The SRO shall be an employee of the County, specifically the Sheriff's Office. 13. **NO ASSIGNMENT WITHOUT CONSENT:** This Agreement may not be assigned by any of the Parties, nor its right, title or interest therein assigned, transferred, conveyed, sublet or disposed of without the previous written consent of the other Parties and any attempt to do so without first obtaining such written consent will be void and of no force and effect.
14. **GOVERNING LAW:** This Agreement and the performance of the Parties hereunder shall be governed by and construed in accordance with the laws of the State of New York.
15. **MODIFICATIONS TO BE IN WRITING:** No changes, amendments or modifications of any of the terms and/or conditions of this Agreement shall be valid unless reduced to writing and signed by the Parties to this Agreement. Changes in the SCOPE OF SERVICES in this Agreement shall not be binding, unless prior to the performance of any such services, the County and Sheriff, with appropriate consultations, execute an amendment or modification to this Agreement, which amendment or modification shall specifically set forth the scope of such extra or additional services, the amount of compensation, and the extension of time for performance, if any, for any such services. Unless otherwise specifically provided for therein, the provisions of this Agreement shall apply with full force and effect to the terms and conditions contained in such amendment or modification.
16. **ENTIRE AGREEMENT:** The rights and obligations of the Parties and their respective agents, successors and assignees shall be subject to and governed by this Agreement, which supersedes any other understandings or writings between or among the Parties to this Agreement.

APPENDIX C - DISCLOSURE OF CONFLICTS OF INTEREST

OTHER MATERIAL CONFLICTS OF INTEREST

The Municipal Securities Rulemaking Board requires us, as your Municipal Advisor, to provide written disclosure to you about material conflicts of interest. The following represent Fiscal Advisors material conflicts of interest known to Fiscal Advisors as of the date of this Agreement.

Affiliated Entities. Most securities issuances will require the services of a financial printer and/or the electronic distribution of the Official Statement, Notice of Sale and/or offering documents. In connection with these requirements, Fiscal Advisors utilizes Premier Printing, Inc., an affiliate of Fiscal Advisors, to print, mail and electronically post, or cause the posting of, applicable documents. Client is not obligated to use Premier Printing, Inc., and Premier Printing, Inc. will provide Client an estimate of charges for its services upon request and will bill separately for its services.

Armory Associates, LLC is an affiliate of Fiscal Advisors that provides valuations for Other Post-Employment Benefits, and may provide these services to you under separate contract for which it receives separate compensation. In addition, valuations provided by Armory Associates, LLC may be reported in your official statements, continuing disclosure, or other documents (either separately or as part of your audited financial statements). These valuations may affect a creditor's or investor's assessment of your financial position or credit strength. Client is not obligated to use Armory Associates, LLC, and Armory Associates, LLC will provide Client an estimate of charges for its services upon request and will bill separately for its services.

With respect to all of the above conflicts, Fiscal Advisors manages and mitigates these conflicts primarily by adherence to the fiduciary duty which it owes to municipal entities such as the Client which require it to put the interests of the Client ahead of its own. These conflicts are further mitigated by several factors. Fiscal Advisors discloses to Client the nature of its relationship with each of its affiliates and will remain fully responsive at all times during the course of the engagement to inquiries by Client regarding any specific details or concerns regarding such relationship. Further, in the event that Fiscal Advisors makes a recommendation to Client that could influence the level of business with an affiliate, Fiscal Advisors will, at the request of Client, provide an analysis of potential alternatives to such recommendation and the relative benefits and costs of the recommendation and any such alternatives. Finally, neither Fiscal Advisors' nor any affiliate's separate engagement with Client is conditioned on Client maintaining its relationship with any other such party, further mitigating any potential conflict that could result if Fiscal Advisors' services to Client were contingent on Client maintaining an engagement with an affiliate.

VARIOUS FORMS OF COMPENSATION

The Municipal Securities Rulemaking Board requires us, as your Municipal Advisor, to provide written disclosure to you about the following material conflicts of interest: (i) any conflicts of interest arising from compensation for municipal advisory activities to be performed that is contingent on the size or closing of the transaction as to which the municipal advisor is providing advice; and (ii) any other actual or potential conflicts of interest, of which the municipal advisor is aware after reasonable inquiry, that could reasonably be anticipated to impair the municipal advisor's ability to provide advice to or on behalf of the client in accordance with the standards of conduct set forth in MSRB Rule G-42. We must provide this disclosure unless you have required that a particular form of compensation be used. You should select a form of compensation that best meets your needs and the agreed upon scope of services.

Forms of compensation; potential conflicts. The fees to be paid by the Client to Fiscal Advisors are partially contingent on the successful closing of the transaction. Although this form of compensation may be customary, it presents a conflict because Fiscal Advisors may have an incentive to recommend unnecessary financings or financings that are disadvantageous to the Client. For example, when facts or circumstances arise that could cause the financing or other transaction to be delayed or fail to close, Fiscal Advisors may have an incentive to discourage a full consideration of such facts and circumstances, or to

discourage consideration of alternatives that may result in the cancellation of the financing or other transaction.

Fixed fee. Under a fixed fee form of compensation, the Municipal Advisor is paid a fixed amount established at the outset of the transaction. The amount is usually based upon an analysis by the client and the advisor of, among other things, the expected duration and complexity of the transaction and the agreed-upon scope of work that the advisor will perform. This form of compensation presents a potential conflict of interest because, if the transaction requires more work than originally contemplated, the advisor may suffer a loss. Thus, the advisor may recommend less time-consuming alternatives, or fail to do a thorough analysis of alternatives. There may be additional conflicts of interest if the Municipal Advisor's fee is contingent upon the successful completion of a financing, as described below.

Hourly fee. Under an hourly fee form of compensation, the Municipal Advisor is paid an amount equal to the number of hours worked by the advisor times an agreed-upon hourly billing rate. This form of compensation presents a potential conflict of interest if the Client and the advisor do not agree on a reasonable maximum amount at the outset of the engagement, because the advisor does not have a financial incentive to recommend alternatives that would result in fewer hours worked. In some cases, an hourly fee may be applied against a retainer (*e.g.*, a retainer payable monthly), in which case it is payable whether or not a financing closes. Alternatively, it may be contingent upon the successful completion of a financing, in which case there may be additional conflicts of interest, as described below.

Fee contingent upon the completion of a financing or other transaction. Under a contingent fee form of compensation, payment of an advisor's fee is dependent upon the successful completion of a financing or other transaction. Although this form of compensation may be customary for the client, it presents a conflict because the advisor may have an incentive to recommend unnecessary financings or financings that are disadvantageous to the client. For example, when facts or circumstances arise that could cause the financing or other transaction to be delayed or fail to close, an advisor may have an incentive to discourage a full consideration of such facts and circumstances, or to discourage consideration of alternatives that may result in the cancellation of the financing or other transaction.

Fee paid under a retainer agreement. Under a retainer agreement, fees are paid to a Municipal Advisor periodically (*e.g.*, monthly) and are not contingent upon the completion of a financing or other transaction. Fees paid under a retainer agreement may be calculated on a fixed fee basis (*e.g.*, a fixed fee per month regardless of the number of hours worked) or an hourly basis (*e.g.*, a minimum monthly payment, with additional amounts payable if a certain number of hours worked is exceeded). A retainer agreement does not present the conflicts associated with a contingent fee arrangement (described above).

Fee based upon principal or notional amount and term of transaction. Under this form of compensation, the Municipal Advisor's fee is based upon a percentage of the principal amount of an issue of securities (*e.g.*, bonds) or, in the case of a derivative, the present value of or notional amount and term of the derivative. This form of compensation presents a conflict of interest because the advisor may have an incentive to advise the client to increase the size of the securities issue or modify the derivative for the purpose of increasing the advisor's compensation.

With respect to each of the compensation conflicts described above, Fiscal Advisors manages and mitigates these conflicts primarily by adherence to the fiduciary duty which it owes to municipal entities such as the Client which require it to put the interests of the Client ahead of its own.
