RESOLUTION RECOGNIZING AUGUST 31, 2026 AS INTERNATIONAL OVERDOSE AWARENESS DAY

WHEREAS, International Overdose Awareness Day (IOAD) is observed globally on August 31st each year to raise awareness about overdose deaths and to emphasize that drug overdoses are preventable; and

WHEREAS, The annual event is the world's largest campaign to end overdose, reduce the stigma of drug-related deaths, and acknowledge the grief felt by families and friends. It seeks to highlight that overdose is preventable and advocate for evidence-based prevention strategies; and

WHEREAS, This year, 2026, marks the campaigns 25th anniversary with the official theme: "25 years on. Still needed"; and

WHEREAS, An overdose can happen when the body is overwhelmed by a toxic amount of substance or combination of substances. It's possible to overdose on many substances if they are abused, including alcohol, illicit drugs, and even prescribed medication; and

WHEREAS, When taking medication prescribed by your doctor it is important to know the right amount and the right time to take your medication. It is also vital to know what drugs should not be mixed, and to seek help if you feel you are not in control of your drug use; and

WHEREAS, For every drug overdose that results in death, there are many more non-fatal overdoses, each taking an emotional and economic toll on the individual, their family, and the community at large; and

WHEREAS, Overdoses can occur in people who have an addiction to substances as well as those who do not, such as someone accidentally overdosing on prescription opioids after a surgery or an injury, an elderly person consuming too much of a prescribed pain reliever, a teenager experimenting with illegal drugs for the first time or a child ingesting opioid pills or powders from a home medicine cabinet or other storage location; and

WHEREAS, Residents can help prevent overdose deaths by being aware of the signs and knowing how to respond to an overdose. Rensselaer County has taken great measures to educate the public, make Naloxone (Narcan) available for county residents, as well as participate in collaborative efforts resulting in permanent prescription drop box locations and continued drug take back days so residents can dispose of unused medicines and prescription drugs; and

WHEREAS, Our dedicated community members in collaboration with treatment providers work tirelessly to help individuals with substance use disorders recover; and

WHEREAS, Rensselaer County encourages communities to continue to develop and support local coalitions because this epidemic looks different in various parts of the county, and local engagement and leadership is imperative. Rensselaer County gives special recognition to our area volunteer and professional organizations and government agencies involved in the fight against substance use disorders and overdose awareness; and

WHEREAS, The Rensselaer County Legislature remains committed to raising awareness in order to combat the stigma associated with substance use disorders; now, therefore, be it
